NEW MODEL SCHOOL AT SHIPPENSBURG

Building Dedicated to Work of Cumberland Valley State Normal School Today

Special to The Telegraph. Shippensburg, Pa., May 14.—Dedication of the New Model building of the Cumberland Valley State Normal school took place this afternoon. At 2:30 o'clock the classes of the school and the faculty paraded to the new building on the school campus near the young ladies' dormitory. The principal speakers were J. George Becht, secretary of the State Board of Education, and Dr. N. C. Schaeffer, superintendent of Public Instruction of Harrisburg. Short addresses were made

by L. E. Smith, superintendent of public schools of Franklin county; J. Kolan Green, superintendent of public schools of Cumberland county; H. M. Roth, superintendent of schools of Adams county and J. C. Wagner, of Carlisle.

George H. Stewart, president of the board of trustees of the Normal school, presided at the exercises. Under the direction of Miss Jones, of the music department, the model school students furnished the music for the event.

Between 4 and 5 o'clock a faculty recital was held in the chapel. Selections in singing by Miss Jones and several selections on the piano by Miss Matthews and Miss Helen Wise, of Marysville, were features of the program.

A game of baseball has been arranged for a twilight combat when the Baltimore City College baseball nine will be the attraction. The building was created at a cost of \$25,000 and was built by C. W. Strayer, until he failed in business. It was finished by his bondsmen.

WOMAN'S HEALTH REQUIRES CARE

Women are so constituted as to be peculiarly susceptible to constipation, and their general health depends in large measure on careful regulation and correction of this tendency. Their delicate organisms rebel at the violence of cathartic and purgative remedies, which, while they may afford temporary relief, shock the system and seriously disturb the functional organs. A mild laxative is far preferable and, if properly compounded, much more effective. The combination of simple laxative herbs with pepsin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin is ideal for women's use. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington Street, Monticello, Ill.

MARGARET WOODROW WILSON

(Daughter of the President) Makes Record For War Relief

The first lady of the land has made a recording of the first song of the land—"The Star Spangled Banner." It is a record that will not only carry a dual appeal to American patriotism and American generosity, but will bring a full share of enjoyment with it because Miss Wilson has recorded this martial air with all the fervor with which it should be rendered. The reverse of the record carries a medley of National Airs stirringly played by the Columbia Band.

FIND OUT The Kind of Food That Will Keep You Well

The true way is to find out what is best to eat and drink, and then cultivate a taste for those things instead of poisoning ourselves with improper, indigestible food, etc.

A conservative Mass. woman writes: "I have used Postum for years for the young and for the aged; in sickness and in health; at first following directions carefully, later in a variety of ways as my taste and judgment suggested."

"But its most special, personal benefit has been as a substitute for meat, and served dry with cream when rheumatic troubles made it important for me to change diet."

"Served in this way with the addition of a cup of hot Postum and a little fruit it has been used at my morning meal for six months, during which time my health has much improved, nerves have grown steeper, and a gradual decrease in my excessive weight adds greatly to my comfort."

Name given by Postum Co., Battle Creek, Mich. Read, "The Road to Wellville," in pkgs. "There's a Reason."

Ever read the above letter? A reason appears from time to time. They are genuine, true, and full of human interest.—Advertisement.
