Beautiful Showing of Summer Hats

White is the keynote of the new styles in Summer Millinery. White straws with white trimmings dominate the display. Every model is new and desirable. What a chance for the selection of dainty and appropriate creations for June brides, June girl graduates and June bridesmaids. And next in importance are the black and white effects and white with a touch of color.

In all their beauty are graceful white hems, white lingerie effects, transparent hats, leghorns, panamas and white hats with crowns of black velvet or Hatter's plush—the very latest mode in millinery.

The price range begins at \$3.95 for excellent dressy Summer Hats and goes up to \$12.00.

The Untrimmed Section shows, too, the newest creations in white, and white and black straws in wonderful variety and style correctness.

And it goes without saying that our famous lines of Summer Hats at \$4.95, \$5.95 and \$6.50 are the smartest and handsomest obtainable at these prices. Welcome to this Formal Showing of Summer Hats.
