CUMBERLAND MEN FOR GOOD ROADS, TOO

Take Steps to Prepare For Improvement of the Highways as Urged by Governor

Just east of Newville, in Cumberland county, there is an elevation known as Cemetery Hill, which has been the cause of great complaint by users of the highways for many years.

The citizens of West Pennsboro township have seized "State-wide Good Roads Day" as the occasion to remedy conditions existing on that hill.

A committee is to meet the road supervisors to arrange for a turning out to whack off the hill that has been an eyesore to the community for ages.

Progressive Ellwood City, in Lawrence county, has made a suggestion to aid the "State-wide Good Roads Day." Why not close the mills and factories on that day and turn the workers loose, so that they may work on the roads? This is a good suggestion. If the mill owners and manufacturers throughout Pennsylvania will obey literally the call issued by Governor Brumbaugh in his proclamation, they can add tens of thousands to the workers on the highways. Agitate the question in your community. Ask your friends and neighbors who employ labor to declare a holiday.

Every citizen and taxpayer in the State is in accord with Governor Brumbaugh on the subject of "State-wide Good Roads Day." Everyone believes that the benefits which will be obtained will more than compensate for the interruption in the daily routine of the individual.

But nearly every man who is not attached to some organization which has interested itself in the project is anxious to know what he can do to help. The State Highway Department has issued a statement, which answers this call. It tells every citizen that it is his duty, first, to arrange his plans so that he will be able to devote Wednesday, May 26, to physical labor on the highways of the Commonwealth; secondly, should this prove impossible, that he should contribute financially to the Good Roads Association of his county; thirdly, that if he is not allied with such an organization, that he should provide a substitute to do the physical work on that day.

But if the individual is able to work and can take that day off from his daily pursuits, let him shoulder a pick or shovel, or let him take his team or his wheelbarrow and go out on the county road nearest his home and there put in a long day at hard physical labor, getting honestly tired out, and then let him return to his home, worn and weary, but satisfied that he has done the best he could to aid his State.

Germans Drop Roosevelt From Honor List Because of His Attitude in War

Special to The Telegraph
New York, May 15.—The New York Staats-Zeitung announces that Colonel Theodore Roosevelt has been dropped as an honorary member from the roll of the League of Old German Students and of the General German Language League. It says: "The name of Theodore Roosevelt no longer adorns the list of members of the Vereinigung Alter Deutscher Studenten and of the Allgemeinen Deutschen Sprachverein. Both leagues have 'dropped' abruptly and finally from their lists, in which till now he figured as an honorary member. The Old German Students dropped Mr. Roosevelt some time ago without any ceremony. The occasion for this procedure was the attitude which Mr. Roosevelt has taken in this war against Germany.

The Allgemeinen Deutsche Sprachvereins likewise cherished for some time the intention to endure the loss of the honorary membership of Mr. Roosevelt. But it resolved upon this only at its last meeting, probably because of the sufficiently well-known declarations made public by Mr. Roosevelt in connection with the sinking of the Lusitania. In both leagues it was not considered worth while to discuss the matter long, but was found appropriate to drop him smoothly and without much ado.

Newville, Pa., May 15.—Annual commencement exercises of the Newville high school were held Thursday in Zion Lutheran Church.—Streamers of purple festooned to a white background, where they were caught with branches of white flowers, with a pendant form of purple iris and valley lilies, hanging from the chandelier, over the center of the platform; also N. Following is a list of the graduates: M. Caroline Clouse, Charlotte R. Dougherty, Lucretia M. Ott, Sara L. Oylor, Eleanor E. Sharp, Lucy W. Soljenberger, W. Res. Duncan, G. Miss Annie Walker is assistant principal.

The principal address of the evening was made by Prof. Leon C. Prince, of Dickinson College, who was introduced by the county superintendent, J. Kelso Green. Prof. Prince spoke on "Square Pegs in Round Holes." Diplomas were presented by W. H. McCrea, of the Board of Education.

Last evening the annual Alumni meeting and banquet was held in the primary room, when the toasts were responded to. George P. James was the caterer.

King Will Not Accept Resignation. Is Report

Special to The Telegraph
Rome, May 15.—News that King Victor Emmanuel will not accept Premier Salandra's resignation and that Salandra and Baron Sonnino, the Foreign Minister, will remain in power, is spreading like wildfire throughout Rome to-night and creating an excellent impression. Premier Salandra has convoked a council of ministers, who are now meeting to make a decision relative to the present crisis.

The King's decision follows a day of rioting here and in Milan, which was generally interpreted as evidence that the majority of the people were in favor of a policy of hostility to Austria, but which led to the bringing of large forces of troops to Rome.

The entire city has been occupied by the military.

MANY BILLS WENT DOWN THIS TRIP

Yesterday Was the Last Day Upon Which They Could Be Taken Out of Committee

When the gavels fell in the two houses yesterday the careers of hundreds of bills were ended. Yesterday was the last day on which bills could be reported out with any chance of passing both branches and as a result probably a third of those presented in the Senate fell by the wayside and possibly a fourth of the House bills were ended as far as usefulness was concerned.

Members were busy yesterday and to-day hunting up bills and making sure of their position, while men who had hoped for action on appropriations gave it up. The appropriations committee of the House alone has about 230 bills in its historic "grave-

yard." The money carried by these bills would run close to \$30,000,000.

—The bulk of the amendments to the school code went down with the rest, while fully thirty pieces of anti-labor legislation, including the prohibition amendment and the Gibboney local option bill, were left high and dry in committee along with the boxing commission bill.

The Nisley spite fence bill remained in committee.

RIGHTS CANNOT BE ABRIDGED
By Associated Press
Berlin, via London, May 15, 11:25 A. M.—Notwithstanding the fact that the empire is ruled by martial law the constitutional rights of the members of the Reichstag cannot be abridged. This was shown by declarations made by Vice Chancellor Delbrueck to the budget committee of the Reichstag in answering queries of socialists touching two of their numbers.

The Car it Paid to wait for

Chalmers New Six \$1400

WE have been very impatient for 18 months.

All around us dealers were selling hundreds of cars ranging in price from \$1000 to \$1500.

We knew that the Chalmers people were making a car in this class. We knew it would be good when we got it.

But to our impatient inquiries we got one answer, "We haven't tested it hard enough yet."

Now it is here.

The Chalmers people say it has simply been abused over in the Allegheny Mountains for 18 months and stood the racket.

Hence they know what they are offering. It is the lowest price (\$1400) at which a Chalmers car has ever been sold.

Yet it has all the Chalmers quality, and owing to new plans of construction, a distinctly different appearance from any other motor car.

It gets away quicker than any car we've ever seen except a racer. It rides like a Pullman. It is a "thoroughbred."

We feel that it paid to wait for it. Come in and see if you don't think so too.
