THE GLOBE

BATTLESHIPS READY FOR BIG WAR GAME

[Continued from First Page.]

where the fleet was to rendezvous. Eager for the great naval war game and refreshed by a long rest in port, the sailors viewed the prospect of another cruise with delight.

Lying off the Statue of Liberty was the trim naval yacht Mayflower with President Wilson and a party of government officials on board waiting to review the four-mile line of fighting craft from the huge superdreadnaught Wyoming to the little stinging submarines and the ponderous auxiliaries which brought up the rear.

On shore thousands of spectators gathered to see the spectacle as the commander in chief of the navy and the army from the bridge of the Mayflower received farewell salutes and

watched the great fleet file out through the narrow channel.

The storm which had rendered uncomfortable the festivities of the President's review yesterday had cleared away and there was a prospect that the farewell review might take place under clear skies.

In order to give the battleships the advantage of the outgoing tide the hours of the President's review was changed from 9.30 until 10.30 a. m. Instructions had been issued to harbor craft to clear the way for the fleet as it steamed down the harbor, at the rate of fourteen knots.

The fleet is due off Newport at midnight on Wednesday to begin its share in the naval game which starts at that hour and will attempt to check an attack from an "enemy" fleet seeking a landing on the Atlantic seaboard anywhere from Eastport, Me., to Cape Hatteras.

The Mayflower was to leave for Washington to-night.

"The Thinkers of the Country Are the Tobacco Chewers"—

said one of the greatest thinkers this country ever produced.

Says the Painter:

"You notice most painters chew. If they didn't the paint might make their throats too dry.

"I chew a lot and always PICNIC TWIST, not only because of its naturally sweet, long lasting taste, but because of its mildness. I can chew more PICNIC TWIST than I can afterwards."

PICNIC TWIST is not being advertised to introduce it, but to spread the fame of a chew that is already popular. It has long been advertised by word-of-mouth praise, the best advertising there is.

Picnic Twist

CHEWING TOBACCO

"The Thinkers of the Country Are the Tobacco Chewers"

Buy a twist and you will taste and feel the reason of its popularity. Then get one of the freshness-preserving drums of 11 twists.

STEELTON

REAL COUNTRY STORE
CARNIVAL FEATURE

Big Event to Open Saturday;
Women Make Articles
For Sale

A real, old-fashioned country store—one of those kind that you read about, but never see unless you take a trip to Oak Bottom, Iowa, or Glenvale, Pa.—will be a feature of the Steelton Civic Club's street carnival Saturday.

The open cracker barrel, sticky date box, smelly cheese case, smoked herrings and rusty shoes of the real country store will be there. So will be the big "bolts" of calico, heaped in disarray on the dusty counters; the long strings of canvas gloves and the everpresent, glaring signs that proclaim the merits of Johns' poultry powder, horse liniment or hog food.

And—like another country store about which more could be written—instead of the usual much-abused "hayseed," there will be a bevy of pretty girls in charge. Unlike this other store where two clerks anticipate your wants, however, there will be eight pretty clerks in charge. The "chief clerk" (this title is used because there are no chaperons at real country stores) will be Mrs. L. E. Johnson.

Many of the articles that will be placed on sale have been made by the women themselves. For three weeks forty members of the Civic Club have been meeting several times weekly to sew articles for sale Saturday. This afternoon the women met at the home of Mrs. Charles A. Alden.

The carnival will be held to raise money for the Visiting Nurse fund of the Civic Club.

District Prayer Services Big Campaign Help

Although inaugurated only a week ago, the district morning prayer meetings are already being hailed as one of the big features of the Hillis evangelistic campaign.

Under the direction of the Rev. A. K. Wier, the borough with Highspire, Oberlin, Enghart and Freestree have been divided into districts.

The captains in charge of the various districts are: Charles Rider, James Switzer, Charles McCoy, Thomas McNue, the Rev. A. K. Wier, Mr. Benzinger, H. J. Sanders, Mr. Diffenderfer, Mr. Houck, Miss Bertha Eby and Mr. Hastings.

Centenary U. B. to Build \$10,000 Addition to Church

To accommodate the rapidly growing Sunday school, the official board of Centenary U. B. Church last evening decided to build an addition to the church costing about \$10,000.

The addition will be of brick to conform with the present structure. It will have a frontage of 65 feet in River alley and will be two stories high with a basement under the entire building. This basement will be used for some departments of the Sunday school.

The Rev. A. K. Wier appointed the following building committee: G. W. Parks, chairman; M. C. Zerk, J. P. Mentzer, W. J. Cumber, E. E. Herman, George Gardner and David Neff. This committee will meet this evening to commence its work. Building operations will be resumed.

STEELTON SNAPSHOTS

Moyer to Speak.—Phil S. Moyer, a local attorney, has accepted an invitation to deliver the Memorial Day oration at New Bethlehem, Clarion county.

Furnished Liquor, Charge.—Ralph Miller was arrested yesterday by High Constable Bomgardner charged with furnishing liquor to minors and to persons of known intemperate habits. He will be given a hearing before Squire Gardner.

To Hold Social.—The Ladies' Aid Society of the First Methodist Church will hold an ice cream festival this evening in the social room of the church. Fourth and Pine streets.

Set Picnic Date.—The Fortnightly Club will hold an annual picnic outing at Reservoir Park, June 11.

Plan Outing.—The Merchants' Association at a meeting last evening discussed plans for the annual outing this summer.

Speeder Arrested.—Detective I. N. Durnbaugh last evening arrested Enny Padgen for running his motorcycle at an excessive speed.

Child Dies.—Annie, the small child of Mr. and Mrs. Mike Purjanec, 529 South Third street, died last evening.

STEELTON PERSONALS

Miss Maude Stevick, 125 South Second street, is visiting in Huntsville, Canada.

HIGHSPIRE

The missionary society of the Methodist Church met last evening at the home of Mrs. Philip Ettle.

The Rev. T. C. McCarrell will leave to-morrow morning to attend the Presbyterian General Assembly at Rochester, N. Y.

Ladies' Aid Society of the Church of God will meet at the home of Mrs. David Hatz, Thursday evening, J. P. Professor H. J. Wickley entertained the teachers of the Middletown schools last evening at his home in Nissley street. Refreshments were served.

The Rev. Dr. H. P. Hoover left today for Mt. Carmel to attend a Christian Endeavor and Sunday school convention of the Church of God of the East Pennsylvania Conference. Mr. and Mrs. John Statter, of Union and Water streets, attended the funeral of Mrs. Mary Ellen Singer, at Mechanicsburg, yesterday. Mrs. Singer was a native of town.

Mr. and Mrs. George Rodfong and two granddaughters, Helen and Frances, attended the birthday anniversary in honor of Miss Mary Louise Rodfong, at Harrisburg, yesterday.

MIDDLETOWN PERSONALS

Flo Watson left today to visit in Elizabethtown.

This Is the Birthday of—

William B. McCaleb, superintendent of the Philadelphia division of the Pennsylvania Railroad, member of the State Game Commission, head of the Associated Charities, and prominent in many walks of life. The Telegraph wishes him many happy returns.

COUNCIL GETS TIPS ON LIGHTING BILLS

[Continued from First Page.]

correct all troubles, including large bills. It can have no effect upon bills except such as indicated and it is up to the consumer to economize if he would keep down his expenditure for light.

The city electrician reports that in accordance with the provisions of the merger ordinance, the tests for variations in voltage by the use of voltmeters have been going on for several months. The voltmeters are located at police headquarters, the Camp Curtin, Susquehanna and Allison Hill firehouses, although the Allison Hill firehouse instrument will be removed to the new Royal firehouse as soon as the latter is finished. Another voltmeter he says will be kept in reserve for portable purposes. This is for the purpose of testing out lights on various transformers, for as Mr. Diehl reports, the lights "located on one transformer may be entirely satisfactory while those located on another may be entirely unsatisfactory owing to a local condition." Upon complaint of variation in voltage, the portable meter is attached at point of complaint and a reading taken for twenty-four hours or more. Daily records are taken, Mr. Diehl states, and are kept on file as required by the ordinance.

There is a prevalent idea that the installation of these meters will have some bearing upon electric light bills," reports Mr. Diehl. "This may be true but in all probability not in a way that will be pleasing to the consumer when looked at from a financial standpoint. Tests show that fluctuations in voltage are below rather than above normal. The amount of power consumed is directly proportional to the voltage and if there has been fluctuation from the normal to a lower point, and this results in holding the voltage at normal, an increase in current must result. The consumer, however, will be recompensed by a better and steadier light."

OIL AND GASOLINE FUND

All Departments Hereafter Will Be Supplied From Storage House

Provision for the formal opening of the city's gasoline supply house in the Friendship firehouse June 1 is authorized in a measure offered this afternoon in Council by City Commissioner M. Harvey Taylor, superintendent of parks and public property.

The department of parks, police, fire and highway departments will, after the first of the month, obtain their supplies of gasoline and oil from the storage house. Warrants for the kind will be charged to a new item, "the city oil and gasoline fund."

COUNCIL APPROVES WATER BIDS

Bids for laying water pipe, opened yesterday afternoon by City Commissioner Harry F. Bowman, were approved by Council to-day. The pipe is to be laid in Boas street from Eighth to the eastern city line and in Monroe street from Calder to a point 250 feet north. H. W. Johnson was low at his bid of \$46.40 for Boas street and \$56.40 on Monroe street. M. P. Saul bid \$47.46 and \$57.46 respectively.

OFFER SEWER AND PAVING MEASURES

An ordinance authorizing the laying of a small sewer in Cameron street to the existing sewer leading from the Harrisburg Pipe and Pipe Bending works, and another providing for the paving of Saul street from Howard to Brensinger, were offered in Council this afternoon by City Commissioner W. H. Lynch.

American Locomotive Plant to Be Reopened

Pittsburgh, Pa., May 18.—The plant of the American Locomotive Company here is being overhauled and plans are being made for a complete resumption of work. The plant has been practically idle for two years. About 1,000 men will be affected.

RAIN AND SNOW SAVE FRUIT

Grand Rapids, Mich., May 18.—Rain and light snow during the early morning hours is believed to have saved Western Michigan's fruit belt from serious damage by frost last night.

This Is the Birthday of—

Dr. Hugh Hamilton, member of one of Harrisburg's oldest families, a physician of prominence and a student of history. He knows more about Harrisburg history than most men, both because he was born and spent his life here, and for the reason that he has made a study of the subject. The Telegraph wishes him many happy returns.

BIG CAMP CERTAIN, SAY OFFICIALS

Infantry Instruction Camp at Mt. Gretna Will Be Attended by Many Officers

Judging from the manner in which the notices are being received by the adjutant general's department the camp of instruction for officers of the National Guard to be held at Mt. Gretna, June 6 to 9, inclusive, is going to be a big one. Last year the attendance ranged about 450 and it is believed that this year will beat it.

The camp will be in special preparation for the encampments to be held at Mt. Gretna and Indiana and will be for infantry officers only. The officers are to arrive in camp on June 5 and all considerations of rank will be waived so that captains will carry rifles and do patrol duty, while they will go over the matters in which they have been working all winter and Spring. The time for requisitions ends on May 20.

Not Many Hearings.—It is improbable that there will be many hearings given by the Governor. The big hearing of the executive list will be that on the full crew repealer to-morrow afternoon at 2 o'clock in the executive reception room.

Public Service.—The Public Service commission began its second May session to-day with the hearing of the Raystown and Penn Central electric cases. The commission will be here until Friday.

Made a Record.—The House last night made a record for concurring in Senate amendments to appropriation bills. Of fifty-eight all but two were concurred in. It took 2 o'clock in the morning to do it, however.

Board of Pardons.—The session of the State Board of Pardons set for to-morrow has been postponed until Wednesday, May 24.

Governor Intercedes.—Atlanta dispatches says that Governor Brumbaugh is among the men who have written letters to the Governor of Georgia interceding for the life of Leo Frank.

Coal Region Visitor.—W. P. Boland, Scranton coal operator, and William Wilhelm, Pottsville, were among legislative visitors.

After Revenue.—Plans to expedite the revenue raising bills remaining in the hands of the Senate were discussed today at a conference between Governor Brumbaugh and leaders of the Senate. The House has discussed committee and owing to adjournment Saturday no more can be reported out.

It is the plan to have the Senate act to-day or to-morrow on the stock transfer tax bill which passed the House last night and to take up the estate bill. The Governor pointed out that owing to the demands for road improvement and education he does not have the time to pass as many revenue raising bills as possible.

To Approve Whitaker Bill.—The approval of the Whitaker bill creating the State Commission on Agriculture to take the place of the State Department of Agriculture is expected to be announced before evening. The Governor went over the bill finally to-day. It is understood that the bill will not announce the commission for some time. He plans to place on it at least five practical farmers.

Prominent Men to Speak.—President E. Lee, of the Brotherhood of Railroad Trainmen and prominent representatives of the American Federation of Labor and railroad organizations are expected to plan for the veto of the full crew repealer before the Governor to-morrow afternoon. The railroads will also be represented.

Third Class City Bill.—The Walton bill providing for civil service for policemen, firemen and certain other employees of third class cities will be amended in the House to-day to exclude Lancaster from its provisions. Lancaster operates under its own city charter.

Capitol Visitors.—Among visitors to the Governor's office to-day were ex-Attorneys General Todd and Bayne. The University of Pennsylvania was also a Hill visitor. President Judge Charles L. Brown, of the Philadelphia Municipal court, was among the legislative visitors. James Scott, the lawyer, looked in on the legislature at work.

More For College.—Plans are being discussed by Senators to add \$100,000 each to the University and State College.

HOW SOLDIERS LIVE AND FIGHT IN THE TRENCHES

London, May 18.—When it rains the trenches are half filled with water. The cold is always of the damp, penetrating, dreadful kind which is the worst of all. Hot food is served three times a day to the men in the trenches by other soldiers, who scurry like rabbits through long uncovered tunnels forming back from the works concealing the guns.

These men in the trenches must have good food in order that they can have good blood, and if they have good blood they will have courage, they keep warm because their circulation is good and their extremities are warm from exercise. Many men are invalided, however, from their blood being thin and their stomachs were not right to withstand the awful hardships of this winter campaign.

When you do not properly digest your food your blood becomes thin and every organ of the body soon feels the effect. The result is—headache, sleeplessness, nervousness and many other symptoms—due to accumulation of poisons in the body. Unless the stomach is given aid at this stage—more serious illnesses follow. Now is the time to help your weakened stomach—now is the time to take Dr. Pierce's Golden Medical Discovery (in tablet or liquid form). It has the same power to set you right as it has been proved to have in thousands of other cases. One lot of 250 value \$3 each so that the food you eat will nourish and sustain you and make good relieving blood. It will enable you to get rid of the waste a sluggish liver and irregular bowels have permitted to accumulate in your system.

Dr. Pierce's Golden Medical Discovery is composed of known native healing remedial roots and herbs with no alcohol nor narcotic drugs to give you harmful habits. It can now be obtained in tablet or liquid form from dealers, or send 50 stamps for box of tablets.

Address: Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.—Advertisement.

REAL ESTATE FOR RENT

FOR RENT—House, 3 rooms; improvements; beautiful lot, 100x150 ft. for garden. Opposite Frog Shop, Inquire William Boyd or John Heagy, Steelton, Pa.

OHIO BAR IS 150 FEET LONG
It Provides Space for Twenty Bartenders to Work at Same Time
Bridgeport, Ohio, May 18.—The longest bar in Ohio has been installed in a saloon here for the benefit not only of the thirsty of this city but also those of parched Wheeling, W. Va., just across the line.
It is 150 feet long and 20 bartenders work behind it. Allowing two feet to a man, 75 persons can line in front of it for a drink.

SHERMAN'S BOOM LAUNCHED
Chicago, Ill., May 18.—Senator Lawrence Y. Sherman's candidacy for the presidency was launched to-day by his friends in the heat of the factional battle in the Republican party between Mayor William Hale Thompson and ex-Governor Charles S. Deneen. Edward J. Brundage, Senator Sherman's close political friend and his political manager, spoke for him.

BLOODEST WEEK OF WAR
London, May 18.—Seven separate and distinct battles were fought in the week just closed and there can be little doubt that the days from Saturday, the 8th, until Friday the 14th, will rank among the most bloody in the history of western Europe, says the Pas De Calais correspondent of the Times.

FIFTY KILLED IN RIOT
Rome, May 17, via Paris, May 18.—Dispatches from Trieste telegraphed from the frontier to the Idea Nazionale state that the number killed in the rioting of yesterday (Sunday) was about fifty.
