War Specialties and Copper Advance a Point in Several Instances

By Associated Press

New York, May 15.—Stocks opened with some sign of improvement today, leading shares as for inspectation of the some sign of inspectation of the war specialties and coppers, advances extended to a point or better. Union Pacific was the feature of the investment issues, with a one point gain, Missouri Pacific was almost the sole exception to the general trend, adding a fraction to yesterday's decline as a result of the uncertainty attending its note extension plan. London's market for interactionals reflected irregularity at that center.

ALLIES GAINING

Ey Associated Press
London, May 19.—Official announcement was made to-day that the Allies are improving daily their position on the Gallipol peninsula. Their progress is slow, however, and the Turks are offering effective resistance. On the western front a lull has come after the heavy fighting of the last fortnight. Bad weather is interfering with military operations. The official French statement says there have been no new developments of consequence.

# By Associated Press London, May 19, 4:45 p. m.—Premier Asquith announced in the House of Commons to-day that steps were in contemplation which involved a reconstruction of the government upon a broader personal and political basis.

TO RECONSTRUCT GOV'T
