"Crazy Jack" Flirts With Death on Capitol Dome

On the slender iron railing that surrounds the dome of the State Capitol, "Crazy Jack," the human fly, late this afternoon poised himself on one foot and—smoked a cigar.

Below, 270 feet as the plumb drops, hundreds of gaping people nervously gasped and shuddered in amazement as they thought what would happen should his feet slip.

"Crazy Jack" had set out to climb the dome to exhibit his feat with Miss Penn. From the top of the Capitol roof he safely navigated the perilous ascent to the huge brass ball at the foot of Miss Penn.

Here a fragment of the tile gave way and the "human fly," believing that he had met "Jinx," came down. Just then an order from Governor Brumbaugh via a Capitol guard stopped the exhibition. "Jack" received \$2.12.

Building Operations Will Smash Former Records

May building operations will break all previous monthly records, according to indications at the office of the City Building Inspector. Some extraordinarily big permits have been taken out and to date the total amounts to more than a quarter of a million dollars.

The month's record was swelled today by an additional \$15,200. The John Oenslager estate got a permit to build an addition to 312 Market street at a cost of \$1,700, while Frank Payne got a permit to build a garage in the rear of 1801 Front street at a cost of \$1,500. The biggest boost, however, was added by Zion Lutheran Church, which got a permit to erect the proposed church or parish house fronting in Fourth street adjoining the house of worship. It will be of brick and will be two stories in height in front and three stories in the rear. The cost will be \$12,000. E. M. Wagner will be the contractor.

Outdoor Play to Be Given at Academy

"As You Like It," the outdoor play to be given Wednesday evening, June 2, at the Harrisburg Academy, by the Levens Company, promises to become one of the most popular events of the movement week at the school. Last year the company presented "Twelfth Night."

The management this year will erect a stage two and one-half feet high on the Academy grounds so that the play can be seen by all in the audience.

The sale of tickets at Gorgas' Drug Store, 16 North Third street, will be announced later.

Begin Actual Work on New Hickok Plant

GANGS of engineers, working under the supervision of the Fred H. Havens Construction Company of Philadelphia are now staking out sites for the buildings which will compose the new plant of the W. O. Hickok Manufacturing Company.

The contract recently closed calls for the completion of the buildings in 150 working days. Efforts will be made to have them completed in less than that time.

NEARLY BURNS TO DEATH

As a result of kicking an oil stove away while taking a nap during a recent visit to his parents, Mr. and Mrs. George Sluder, Marietta, George Sluder, a fireman of 28 North street, was badly burned about the legs. He woke up to find the room blazing. Picking the stove up, Sluder dashed to the door. He narrowly escaped with his life. Heroic work was necessary to save him and the house.

OLD HILL RESIDENT DIES

Benevole Hohny, aged 93, a resident of this city for more than thirty years, died this morning at the home of his daughter, Mrs. E. L. Paier, 1514 Derry street. He is survived by nine sons and five daughters. Funeral services will be held from his late home Saturday afternoon, at 2 o'clock, the Rev. Thomas Reisch, pastor of Christ Lutheran Church, officiating. Burial will be made in Paxtang Cemetery.

BROTHERHOOD MEETING

Dr. J. M. Francis, D. D., of Zion Lutheran Church, Sunbury, Pa., will address the Men's Brotherhood of Christ Lutheran Church, Thirteenth and Thompson streets, to-morrow evening at 8 o'clock.

BACK TO THE FARM

G. A. Boyd and C. R. Boyd, of Ashland, Pa., who operated the only "regular" jitney bus in this city, have placed it back on the Mt. Carmel-Ashland run because of the demand of their old patrons. They will run small jitneys until another large enclosed machine can be procured.

CAN HILLIS WAKE UP STEELTON?

(Continued from First Page.)

ced here—just as he has succeeded in other towns. Mrs. Hillis, the pretty wife who throws her whole heart and soul into the work of her husband, believes in the cause, and she will yet result in the greater number of conversions ever recorded in Steelton. Professor Lawrence A. Stahl, the musical director of the party and himself an evangelist, is sure of it.

NERVOUS DYSPEPSIA

Nervous dyspepsia is a disease of the nerves, not of the stomach. Indigestion one day and complete freedom from symptoms the next usually means nervous dyspepsia, especially if the patient is of a nervous or highly emotional temperament.

The attacks recur at more or less regular intervals and are often brought on by nervous excitement. A sick feeling after eating, sometimes vomiting, a weak, shaky, "gone" feeling when the stomach is empty—these are the usual symptoms, but in the case of some highly nervous people the sight of food or the approach of meal-time may cause vomiting.

Dr. Williams' Pink Pills are especially useful to sufferers from nervous dyspepsia as they not only build up the general physical condition but also act directly on the nerves, strengthening and revivifying them. These pills, with proper regulation of the diet, afford the most correct and successful way in which nervous and functional dyspepsia can be treated.

A postal card request to the Dr. Williams' Medicine Co., Schenectady, N. Y., will bring a copy of a useful diet book and a pamphlet on nervous disorders, both free of cost to you. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.

DIES FROM PARALYTIC STROKE

Special to The Telegraph.

New Germantown, Pa., May 19.—Miss Mary Jane Adams, living with her niece, Mrs. R. C. Adams, the oldest woman in this end of Perry county, had a paralytic stroke on Monday morning and died in less than an hour. She was 92 years old in February.

RUPTURE IN BRITISH CABINET NO SURPRISE

(Continued from First Page.)

with Lord Kitchener and Sir Edward Grey, respectively, the war and foreign ministers, in undisputed possession of their present posts, while David Lloyd-George, the chancellor of the exchequer, and Mr. Churchill probably will take new positions.

Others Are Named

Of the Conservatives, Andrew Bonar-Law, the opposition leader in the House of Commons, former Premier Balfour, Lord Derby and Austen Chamberlain almost certainly would enter the cabinet, and either Lord Curzon, Lord Milner or the Earl of Selborne, from the Conservative leaders of the House of Lords. The Labor party probably will be represented by the Right Honorable Arthur Henderson.

Lime-Loss in Tuberculosis

In the Journal of the American Medical Association (January 17, 1914) was the following:

"It has been many times stated that in tuberculosis or in the preceding lochia stage an increased amount of calcium (lime) is lost both in the urine and feces. In fact, a demineralization has been thought to be a forerunner of the development of tuberculosis."

"Forced feeding of tuberculosis patients and the enormous amount of eggs and milk once given such patients are not now considered advisable by a large number of physicians who are specializing the treatment of pulmonary tuberculosis."

If tuberculosis is due to a loss of lime from the system, the success of Eckman's Alternative in the treatment of this disease may be due, in part, to the fact that it contains a lime salt so combined with other valuable ingredients as to be easily assimilated.

Always we have urged users of Eckman's Alternative to attend strictly to matters of food. In numerous cases of apparent recovery from tuberculosis and kindred throat and bronchial afflictions, Eckman's Alternative has supplied this need.

It does not contain opiates, narcotics or habit-forming drugs, so it is safe to try. Your druggist has it or will order it, or you can get it from us direct. Eckman Laboratory, Philadelphia, Advertisement.

CASE

"Always at Your Service, Sir!"

For a trip 'round the block or across the continent, in fair weather or foul, the CASE Car is ever a willing, eager companion. On good roads or bad, it never hesitates or stops—except at your command. All roads are good roads in a CASE—with its cantilever springs. Cushions are extra deep and the upholstery is in real leather.

The CASE Car is built to do honor to a same known throughout the world for over 70 years as a guide to excellent machinery. No other car has such a pedigree.

The CASE Car is as economical to operate as it is sturdy and long-lived. We could have made it cheaper—but it couldn't be made better. Yet men who drive CASES say no car costs so little in yearly averages.

Completely Equipped

The CASE Car comes ready for the road. No "extras" to buy. Its regular equipment includes added features found in no other car in its class. Such as Extra Tire Chains and 8-Day Clock. If the CASE were equipped as other cars it would cost \$129.75. So, with the added equipment and five per cent off for cash, the CASE is by far the best buy on the market. But first price can be considered only with life-cost. When you really understand all these values, you will certainly understand the logic of the CASE Car.

Any day you wish we'll be glad to point out the Hidden Values in the CASE Car. Will you make an appointment for today or tomorrow?
