PRICES GO DOWN AT OPENING OF MARKET

General List Showed Marked Recoveries, However, Before End of First Hour

New York, May 20.—Prices tended downward again at the outset of today's market operations, the only exceptions being certain of the war specialties, which recorded gains of 1 to 2 points. Standard shares, including the speculative leaders, were fractionally lower. Secondary quotations were better, the general list showing marked recoveries before the end of the first half hour. Trading was relative, by light, however, the foreign situation acting as a restraining influence.
