### EXPERT TO SUGGEST NEW COOKERY KINKS

[Continued from First Page.]

Homes sessions here, over which she will preside are to be held in Fahnstock Hall. The school will open on Monday afternoon, May 24, at 2.30 and will continue for six days. Mrs. Vaughn will give instruction each afternoon on practical, homely topics that are of vital interest to every housekeeper no matter what her station in life. Each session will be divided into three periods. During the first of these Mrs. Vaughn will lecture on "The Home," "Food," "Economy" and kindred topics. The second period will be devoted to a cookery lesson in which Mrs. Vaughn will not simply tell how to prepare good things to eat, but will actually demonstrate on her work table, with spoon and mixing

bowl and other cooking utensils, just exactly how to mix and blend the various materials needed and will then proceed to bake, or boil, or stew, or fry these mixtures on an up-to-date gas stove. The remaining period of the afternoon will probably be voted by most of the members as the most pleasing of all in that at this time Mrs. Vaughn will serve the foods she prepares in her cookery lesson. In view of the fact that Mrs. Vaughn is a very famous southern cook, this is

no ordinary treat. Mrs. Vaughn has spoken before women's clubs, mothers' clubs, and domestic science classes all over the country. She is a demonstration of the fact that there is nothing in this day that a woman cannot accomplish, so long as she undertakes and has the courage to overcome hardships and use them for stepping stones to greater achievements. Her work will

deeply interest the club women, and others of this city. All are cordially invited to hear her every day.

### W. C. T. U. MEETING

Women's Christian Temperance Union meeting of the Seventh District of Harrisburg will be held at the home of Mrs. Harry Saylor, 613 Dauphin street, to-morrow at 8 o'clock.
