\$2.95

An elegant, substantial school suit for your boy—made of sturdy wear-resisting fabrics—broken lots but every size is here—many have 2 pairs of trousers.

THE GLOBE "THE FRIENDLY STORE"

STEELTON MIDDLETOWN & HIGHSPIRE ROYALTON OBERLIN ENHAUT

COMPLETING PREPARATIONS FOR CARNIVAL

The fitful showers of to-day and the low-flying, threatening clouds have not checked the preparations of the Steelton Civic Club women for their street carnival to-morrow. Despite the weather they were busily arranging all the little last-minute details and are now counting on a successful affair if the weather clears. In case it should rain, the women have arranged to sell the cakes and other baked articles at Trinity parish house, in Pine street. One of the features of the carnival that will attract much attention is the drilling of the Croatian women, auxiliary to the sokols. These women are accomplished athletes and will perform many feats in gymnastics.

LARGE AUDIENCES HEAR EVANGELIST

The Rev. Mr. Hillis Scores Social Butterfly and Says "High Society Is Rotten"

Despite the inclement weather of the past few days interest in the Hillis campaign is increasing, according to reports from the tabernacle. Last evening's audience was fairly large in spite of the rain. At an executive committee meeting following the service it was decided to line the inside of the tabernacle with heavy paper. In his sermon last night Evangelist Hillis bitterly flayed the "butterfly society women." "It takes no gray matter to be a society woman in Steelton," he declared, "and high society is as rotten as hell and damnation. Its sins are covered up, while the sins of lower society are exposed. The sin of modern society is awful; that is why these people criticize such a campaign as this and stay away." The subject of the evangelist's sermon was "First Things First." He urged that people first get right with God before they seek wealth, health or fame. Announcements were made as follows: Professor Stahl will preach in the Main Street Church of God this afternoon at 2:30; Evangelist Hillis will be at the tabernacle at the same hour; Mrs. Hillis will preach this evening at the tabernacle; the booster chorus will do all the singing to-morrow; Mrs. Hillis will lecture to women only to-morrow on "The Value of Purity."

BURGESS REQUESTS AID OF CITIZENS

Asks Them to Aid Police in Clearing Streets For Apparatus Going to Fire

Burgess Fred Wigfield to-day issued a letter in which he requests citizens to co-operate with the police department in making sure that fire apparatus is given the right of way in the borough streets when responding to an alarm. "The burgess' letter is issued following a complaint from the Steelton Firemen's Relief Association, in which it is charged that a number of teams have seriously hindered apparatus en route to fires. In part the burgess' letter reads: "That from this date the ordinance giving the right of way to the Fire Department when answering an alarm and to the ambulance when going to the hospital conveying sick or injured will be strictly enforced and all violations will be punished as per the ordinance passed by council and signed by the chief burgess. "The penalty prescribed is a fine not exceeding \$50 or a 30-day jail sentence."

600 Shriners Go to York For Ceremonial Session

GEORGE W. McILHENNY

Almost six hundred members of Zembo Temple, A. O. N. M. S., were present last night at the special ceremonial session held at York. The Harrisburg members, including about 350, left last evening at 6 o'clock on a special train to attend the session, which was the first one held at York. The Harrisburg members met yesterday afternoon at 4 o'clock for a business session in Chestnut Street Hall. Shortly before 6 o'clock they marched to the station in uniform. At York another parade was held, followed by the ceremonies, during which forty-two members were added to the order. The Harrisburg delegation was led by illustrious Potentate George W. McIlhenny. The Zembo Band, led by Cornelius Shope, and the Zembo Patrol, in charge of Colonel C. E. Covert and Captain Francis H. Hoy, accompanied the local Shriners, who returned home on a special train early this morning. Special cars were provided by the Harrisburg Railways Company to take the men home.

MRS. ELIZABETH C. MOORE

Mrs. Elizabeth C. Moore, aged 70 years, widow of Captain J. Addison Moore, died at the home of her son, Dr. Joseph L. Moore, in Brooklyn, N. Y., on Wednesday evening. She was a sister of Mrs. H. N. Bowman and Mrs. Mary Layson, of Camp Hill, with whom she spent several months every year. The funeral will be held from the home of H. N. Bowman Sunday afternoon at 3 o'clock, the Rev. C. H. Grove officiating. Private burial will be made in Camp Hill Cemetery.

CROWN MISS HOLSTEIN

Beneath a large tent, and away from the rain, a big crowd last night watched the crowning of Miss Elizabeth Holstein, Carnival Queen. The crowning feature took place at the Volunteer Firemen's Carnival, Third and Rely streets. The Little Queen is a daughter of ex-Fire Chief Howard O. Holstein.

STEELTON SNAPSHOTS

Obtain Appropriation. — Sergeant Lascomi Post, G. A. R., yesterday obtained the appropriation of \$25 voted by council at its last session. Adjutant C. E. Scott signed for the check. At a meeting of the post this afternoon final details of the Memorial Day celebration were arranged.

Complete Course. — Miss Netta Ford and Miss Julia Ford, of Cottage Hill, graduated as nurses from "Timothy's Hospital," Roxboro, Philadelphia, yesterday. Both are graduates of the Steelton high school and are daughters of Charles A. Ford, superintendent of transportation at the steel plant.

Serve Notices. — Borough Secretary Charles P. Feldt to-day is preparing a number of notices to be mailed to property owners calling attention to defective pavements. These notices are being prepared following an inspection by the chief of police and highway commissioner ordered by council.

Complete Program For Transferring Big Class

Arrangements were completed this morning for the annual transfer exercises of grammar school students to the high school, to be held in the high school auditorium this evening. One hundred and seven pupils will receive their certificates of promotion from W. F. Darby, president of the school board. The Rev. A. K. Wier, pastor of Centenary United Brethren Church, will deliver the principal address and the pupils will present a special program. One of the features of the exercises will be a biography of Major Luther Stedman Bent, former head of the steel plant, by Charles Edmund Smith. The biography has been based on material obtained from an article in the Telegraph at the time of Major Bent's death.

Propose to Build Plant For Making Coal Bricks

Officers have been opened in the Kunkle building by the recently organized Gambie Fuel Briquette company, which proposes to erect a plant at Ninth and Dock streets for the production of smokeless anthracite coal bricks from culm and river coal. The officers of the new company, all Gettysburg men, are: President and general manager, John H. Delaney; secretary, H. S. Hill, and treasurer, George E. Hartman. C. B. Miller has been retained as counsel. Dr. B. E. Gamble, of Chambersburg, has secured the Dauphin county rights to manufacture the briquettes.

COMMENCEMENT AT HARRISBURG ACADEMY

Busy Week to Start With Class Dinner at Country Club on May 28

The program for the Harrisburg Academy commencement exercises was completed to-day. A class dinner at the Harrisburg Country club, Friday evening, May 28, starts a busy week. The commencement exercises will be held at the Majestic theater, Thursday, June 3, at 10 o'clock in the morning.

On Saturday, May 29, at 8 o'clock in the evening, Mr. and Mrs. Arthur E. Brown, will give a reception to the graduating class, faculty and trustees at 7:30 o'clock Sunday evening, the Rev. John D. Fox, D. D., pastor of Grace Methodist Episcopal Church, will preach the baccalaureate sermon to the graduating class.

The sixth year—Faculty baseball game will be played Tuesday afternoon, June 1, at 2 o'clock. In the evening at 8:15 an open air play will be given on the campus. The Devereaux company will present "As You Like It."

The commencement program will include orchestral music, and singing by the assembly. The Rev. Lewis Seymour Mudge, D. D., pastor of Pine Street Presbyterian Church, will read from the Scriptures and offer prayer. William A. Smiley, salutatorian, will speak on "The Pioneer of the Susquehanna." Russell A. Hoke, valedictorian, has for his subject, "Metal For Flowshares." Announcements and presentations will be made by Howard R. Omwake, and Vance C. McCormick will present the diplomas to the graduates. President Edwin E. Sparks of State College, will address the class, and benediction will be pronounced by the Rev. Ellis N. Kremer, D. D., pastor of the Reformed Salem Church.

NEWSBOYS MEET TO-NIGHT

Final action on the by-laws of the recently organized Harrisburg Newsboys Association will be taken to-night at a meeting in the Harrisburg News Agency. Afterwards Augustus Wildman will deliver an address before the boys.

STATE HEALTH DEPT. WINS HIGH PRAISE

Dr. Dixon Receives Letter From Director Pope Complimenting Him For Exhibit

Officials of the Health Department were greatly pleased to-day by a letter received by Commissioner Dixon from Alvin E. Pope, director of education of the San Francisco Exposition. Director Pope compliments Pennsylvania on its health exhibit, his language leaving no room for doubt that the exhibit is the finest of all the states. The compliment is appreciated all the more because Pennsylvania, compared with other states, had very little time and money for the preparation of its exhibit.

Bills Presented.—The exact number of bills introduced during the recent session was 2,139, of which less than half were passed finally. Half of those that were passed, of course, were appropriation bills. Senators introduced 801 bills and resolutions, 1,328. The total number passed finally and sent to the Governor was 1,045, of which 41 were recalled, according to the records of the State Department. Governor Brumbaugh so far has approved 243 measures and vetoed 53, leaving 708 in his hands for action during the thirty days ending June 19.

Test Constitutionality.—When the Supreme Court meets here next Monday Attorney General Francis Shunk Brown will start a test of the constitutionality of the act recently approved by Governor Brumbaugh whereby Clinton county was severed from the Twenty-fifth judicial district and attached to the Fifty-fifth. The proceeding is one to which all parties are bound, as it is desired that any ques-

tion about the law be settled definitely. The result of the act is that the Twenty-fifth district consists of Elk and Cameron counties and the Fifty-fifth of Clinton and Potter. Albert S. Heck, judge of the Fifty-fifth district, has formally declined to perform some minor duties involving Clinton county and Attorney General Brown will file with the Supreme Court, which has original jurisdiction, a suggestion for a mandamus against Judge Heck to compel him to recognize Clinton county as a part of his district. The papers are now being prepared by Deputy Attorney General William M. Hargrett.

Penmanship Files Oath.—Governor Pennypacker to-day filed in the State Department his oath of office as a member of the new Public Service Commission, being the first of the Brumbaugh appointees to do so. It is the practice about the Capitol that a reappointed official does not take an oath upon reappointment, his original oath being deemed to hold good so long as he continues in office without interruption. Commissioner Pennypacker, however, desired to take no chances.

The entire commission will meet at the Executive Department next Tuesday with Governor Brumbaugh to discuss the work of the commission and all the members will then probably subscribe to the oath of office before Secretary of the Commonwealth Woods.

Application Approved.—The Public Service Commission yesterday approved the application of the Hershey Transit company for the construction of power light in Derry township, Dauphin county, South Londonderry, South Anville and North Cornwall townships, Lebanon county. The contract of the Pennsylvania Railroad company with Duncannon was also approved.

More Park Land.—Among the real estate transactions recorded yesterday is a deed showing that the State has acquired additional property for the proposed Capitol extension. Nathan Friedberg and his wife, Louise, sold five lots for a total of \$16,200. They are the blacksmith shop on the southeast corner of South and Filbert streets, brick building at 420-422 Walnut street; frame stable on the northwest corner of Curtis and Angle alleys; frame building on the southeast corner of South and Curtis, and a frame stable on the east side of Curtis 60 feet south of South street.
