SPRING SERVICE IN "OLD PEACE CHURCH"

the cause of much physical suffering.

The tendency to indulge one's appetite is general, so that most people suffer at some time or another from rebellion of the overtaxed organs of digestion and elimination. A simple, pleasantly effective remedy that will quickly relieve the congestion of poisonous waste and restore regularity, is the combination of simple laxative herbs with pepsin, sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative-tonic and digestant, absolutely free from opiates or narcotic drugs and has been the standard household remedy in countless homes for many years. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.
