150 Of This Season's Coats On Sale To-morrow

\$3.98--\$4.98--\$6.98--\$8.98

Identical Models That Early in the Season Sold For \$5.98, all the way up to \$22.50

It's a remarkable offering—really wonderful—but then manufacturers with an over-stock, are not so particular about receiving full value. That's one reason why the low prices.

Another reason is the shortage of space, due to rebuilding, which does not permit us to hold them in stock for any length of time, and we've marked them low enough to insure quick disposal. **The chances are, they will not last the day through.**

There's no explaining the large variety of models and patterns—you'll want to see them at any rate. But just as an idea, there are poplins, gabardines, coverts, tweeds, etc.—black, navy, Copen, large and small checks, overplaid, mixtures, white, and others. Belted, half belted, flares—silk lined, half lined, unlined; striking collar effects.

Trimmed Millinery in the Newest Concepts, Special at \$4.50

It's due to an odd coincidence—two special purchases arrived together—one of untrimmed shapes; the other of trimmings.

Then came an idea, and our work-room was at once instructed to make up the hats with the trimmings.

You'll enthuse at the smart effects—white kid with taffeta silk facings; leghorns with black velvet crowns; white sailors with ostrich trimmings—at the remarkable price of **\$4.50**

A Quantity of Trimmed Hats from regular stock, have been re-priced so you may buy them at **\$1.00, \$1.98 and \$2.98**

Women Appreciate Our Millinery Policy

—which offers new and the most desirable creations at moderate prices, rather than so-called bargains on hats that are passe in style and color, at absurd prices.
