The Dream

A "Merchant Prince" was the picture that filled the mental vision of young, ambitious John Blank.

He would be a great merchant and full page advertisements bearing his name would tell the story of his bargains and his business.

As age sobered this young youngster, he saw that "big business" started small and grew, and is not born full size. He saw that page advertisements are for the developed business of large dimensions and for important store news.

The Reality

MANUFACTURER'S SALE—1000 high-grade 14-karat solid gold fountain pens, as low as 95c. Regular \$2 and \$4 pens. Mail orders promptly filled. Dealers write for prices. Gold Pen Co., Penn., Kansas.

The Classified columns of the Telegraph caught his eye, however, and a practical idea was born.

John Blank started a small fountain pen business in an office off the ground floor and he "kicked into" the Classified page with an inexpensive and profitable campaign of advertising.

"Telegraph Classified ads are making the practical part of his dream come true."

Came to Her Rescue

From her home in Mountain Park, Oklahoma, Mrs. O. A. Strange writes to the Pinus laboratories:

"I am taking Fruitola and Traxo for gall-stones with good results. If it had not been that it came to my rescue, I would have been dead I am sure. I cannot say too much for Fruitola and Traxo."

Fruitola possesses properties that act directly upon the intestinal parts. It is a great system cleanser, softening the congested waste and disintegrating the hardened particles that cause so much suffering, and quickly expels the accumulation to the intense relief of the patient. Traxo is a tonic alternative that acts on the liver and kidneys, stimulates the flow of gastric juices to aid digestion and restores bile from the general circulation. It serves to build up and strengthen the weakened, run-down system.

For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading druggists. In Harrisburg they can be obtained at Gorgans, the Druggist, 16 North Third street, and P. R. Stanton.
