PIMPLY? WELL, DON'T BE! People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are an immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists. Cynthia A. Adams, Company, Columbus, O.—Advertisement

WHERE TO FIND NATIONALLY ADVERTISED GOODS

The World's Best Merchandise In and Near HARRISBURG, PA.

Merchandise that will bear national advertising has to have exceptional merit, else the manufacturer could not afford to spend large sums of money for the advertising, and to attach his name and reputation to an article that was not extraordinarily meritorious, for it is the repeat sales that he depends on.

It is therefore quite evident that when an article is nationally advertised and nationally sold, year in and year out, year after year, it is exceptionally good goods to stand the test and prove worthy of continued sales and growth.

It is conceded by experts that when an article is advertised generally—nationally—it is the best possible product. The wise always, in consequence, prefer nationally known goods and ask for what they want by name. Read the magazines and keep posted on nationally advertised goods.
