RAIN STOPS GAMES IN THREE LEAGUES

Two Upper End Organizations Start the Season; One Local Team Plays at Royalton

Rain put a crimp in Saturday baseball games. Only one game was played in the Dauphin-Schuylkill League. Elizabethville defeated Tower City, score 7 to 4. The opening game attracted a big crowd. The usual program was carried out, a band concert and parade being two interesting features. Madeira pitched a great game for Elizabethville, allowing but three hits. It was an interesting pitchers' battle for six innings. In the seventh Dreisacher went to pieces. The Central League had no games. They will be played off during twilight as soon as weather and long days permit. The Dauphin-Perry League opened with two games. Dauphin won from Newport, score 4 to 0, and Duncannon defeated Halifax, score 2 to 1. At Dauphin Gilday was a big star. He retired the side on ten pitched balls in the second and later repeated the trick with twenty pitched balls. Wertz, the former Tri-State pitcher, and Register were bumped hard. Duncannon batted timely, taking the first game from Halifax. This game was witnessed by a record crowd at Duncannon. The only local game of interest was between the Stanley A. C. and Royalton. The Stanley team won, score 10 to 7. Bunched hits and fast fielding brought the victory.

Tennis Is Popular Sport; Courts Scarce in City

Tennis has a strong hold on Harrisburg. Interest in this sport has increased so rapidly that players find it difficult to secure courts. There is a movement on to have more courts at Reservoir Park. Throughout the city many tennis players are seeking other locations. Clerks employed by the Philadelphia and Reading Railway Company at the Passenger Station and at the Allison Hill freight station have constructed courts at Eighteenth and Walnut streets. The Reading Company owns a plot of ground at that place which offers an excellent opportunity for tennis. Residents of the West End are seeking a place to play uptown, and plans are underway to secure the right to play on the West End A. C. baseball grounds, or construct a tennis field adjoining the grounds. In the vicinity of Fourteenth and Naudain streets tennis enthusiasts are leveling a tract of ground for their favorite sport. Local dealers in sporting goods report larger sales to date than they had for several seasons.

Local Ring Artists Win; Surprise Carnival Stars

Boxers and wrestlers who were with the carnival companies last week surprised the Harrisburg crowd. One boxer was sent to the hospital by a Harrisburg boy and two wrestlers lost three out of four contests. One of the Harrisburgers, E. O. Friess, a local businessman, weighed in at 133 pounds, tackled the welterweight at the Ferris show. The offer was \$1 to any Harrisburger for every minute the welterweight was down. Friess held his man ten minutes. Subsequently he made an offer to meet the welterweight, but was refused. Friess is one of the best wrestlers in Pennsylvania, having had considerable experience in college contests. He went into the contest last week without any preparation, but showed that he was master.

TECH CLEANS UP IN HIGH SCHOOL MEET

Hangs Up New Point Record; Beck Is Big Winner; Steelton Wins Second Honors

Tech's clean-up in the ninth annual state high school meet on Saturday was the one subject discussed at Technical high school to-day. Praises came from members of the faculty during chapel this morning, and on every side were heard strong commendations for Tech's good work. Tech won the meet by a score of 90 1/2. This was a new record for a winner in the state meet. Steelton was a poor second, with 31 1/2, and Williamsport was third with 27 1/2. Central High made the worst showing in years, scoring only 22 points. Other points scored were: Chester, 12; Milton, 8; Reading, 5; Millersburg, 4 1/2; Columbia, 4; Lancaster, 4; York, 4; Lebanon, 1. Rain fell during the meet and made track records impossible. There were numerous thrills. The two-mile run showed Sutch doing his phenomenal stunt of setting a pace similar to that in a 10-yard dash. He was also a big factor in the one-mile relay. Beck Big Point Winner. Beck of Tech, was the big point winner, taking three first and one third, scoring 13 points. He was awarded the silver trophy. Beck made the only new record hung up. In the 12-pound shot put he made 47 feet 4 3/4 inches. The former record, 45 feet 6 3/4 inches, was made by McCutcheon, of Pittsburgh, in 1911. Hefelfinger was another Tech star, giving Beck a run. The two big surprises were Steelton and Williamsport. The Steelton track and field men were fast in every event in which they competed. Crump was a Steelton star. Williamsport had stars in Whitman, Vanderlin and Galbraith. These men have shown championship form in every meet in which they competed this season. Central's point winners were Houtz, Harmon, McNamee and Smeltzer. Central's entries were a disappointment and several changes were made before the meet. Millersburg had a good man in Messner. Tech pulled down nine first medals, the championship cup and the individual cup.
