Justice John P. Elkin, of the Su-preme Court of Pennsylvania, was the guest of honor last evening at a din-ner given by his former associate in the legal department of the State. Frederic W. Fleitz, at the Harrisburg Club. It was one of the most delightful events of the kind in the history of the club and brought together an in-teresting company. The large assem-by hall was elaborately decorated with flags and banners and the floral features were a large centerpiece of blue iris with spirea. The bouton-nieres were carnations. Mr. Fleitz has been giving these din-mers annually for several years and the yare quite unique in many respects. He is always fortunate in assembling a most congenial company and the dinner last night was one that his friends will not soon forget. Trout favor of the Springtime and the moun-tans.
