INJURY TO BALL PLAYER

Special to The Telegraph
Hagerstown, Md., May 26—Paul Appleman, pitcher for the Hagerstown Silk Mill basebal team, injured while in the pitcher's box during a game here Saturday, is still in the hospital. An operation was performed for hernia, as the only means of saving the young man's life.

Lay-to for a spell and swing on this:

You'll start an old-pal-party via a pipe or a makin's cigarette quick as a flash, as soon as you realize it's a live bet to let your good money rub up against some Prince Albert tobacco. Why, it's like beating back to the bushes for old-home week, P. A.'s so friendly, so chummy-like.

You see, Prince Albert can't bite your tongue, or any other man's; nor parch throats. Because it's made by a patented process that cuts out the bite and parch and lets you hear the song of the joy'us jimmy pipe and the makin's cigarette all the day long!

the national joy smoke just hands you home-made questions like these:

Were you ever pipe-happy? Did you ever hit a brand that just pushed pleasure against your palate? The kind that sort of teased your smokeappetite for some more fire-up, then another-and so on, right to the pillow-period! Well, that's P. A.,

no matter how you hook it up—pipe or cigarette. It just-jams-joyinto your system! You nail that fact hot off the bat, because it's case-cards information! And handed out to you for personal and immediate attention as being about as real and true as you've heard since Hector was a pup!

P. A. is sold in the toppy red bag for the price of a jitney ride, 5c; tidy red tin, 10c; jimmy-pipere club."
pound and half-pound tin humidors—and—the classy pound crystal-glass humidor with the sponge-moistener top that's not only a joy'us thing to have at home and at the office, but it keeps P. A. in the highest state of perfection.
