ment Stock, However, to Gain a Point

New York, May 27.—Very material advances, chiefly in the copper group were recorded at the outset of to-day's dealings in stocks. The rise in the metal shares, which had its basis in prospective increased dividends, averaged a point or more. War stocks, including Westinghouse, Crucible Steel and the Locomotive issues also made some gains. Reading was the only railway investment stock to gain things of the Tener administration as as much as a point. Local tractions, the former governor called attention yesterday's strong feature, rose 1 to 1½. Canadian Pacific made only slight response to its strength in the Lon-
