

Mothers of Pennsylvania Take This Advice.

Franklin, Pa.—"I have had a good experience with Dr. Pierce's Favorite Prescription. Once when I had overworked from nursing small children through scarlet fever, I was so weak I had to be carried up and down stairs. I was led to use 'Favorite Prescription' and by keeping it up for some time got well and strong again. At other times I used 'Favorite Prescription' for the troubles preceding childbirth. I used it a number of times for this purpose and always with the best results."—Mrs. E. E. STUCKE, 1212 Otter St.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

If you need help get Dr. Pierce's Favorite Prescription in liquid or tablet form from any medicine dealer to-day. Address Doctor Pierce, Invalids' Hotel, Buffalo, N. Y., and get confidential medical advice entirely free, also book on woman's diseases.

The modern improvement in pills—Doctor Pierce's Pleasant Pellets. They help Nature, instead of fighting with her. Sick and nervous headache, biliousness, constiveness, and all derangements of the liver, stomach and bowels are prevented, relieved, cured.

HUNDREDS WORK ON "GOOD ROADS DAY"

Miles of Highways in Central Pennsylvania Put in Splendid Condition With Aid of Volunteers

Special to The Telegraph

Waynesboro, Pa., May 27.—Yesterday was Good Roads Day in the vicinity of Waynesboro and the old Quincy road was given a thorough overhauling by several hundred men—volunteers and otherwise. In addition to the men there were two road rollers, two traction engines, two road scrapers, six plows and carts and wagons by the score.

In the borough and Washington township section there were engaged about 170 men; out at the Nunery section about 60 were busy, and on the Mont Alto end 80 men and 8 teams were employed.

A trip over the road yesterday showed 284 men and 32 teams at work, in addition to machinery. Borough Engineer Brehm, of Waynesboro, had six of the Waynesboro street force and seven of the Hydraulic Stone Company's men at work in the borough. Several volunteers worked several hours for him.

The Washington township supervisors, A. P. Baker, A. F. Funk and A. H. Morgal, had charge of large forces of men from the borough limits to the Quincy line. Beyond them was Marshall Baumgardner with a good-sized force, and at the Nunery hill section Supervisor D. H. Mentzer, of Quincy township, was engaged cutting down the hill sides. Baumgardner and Mentzer had 86 men under them.

Further on, in Quincy township, Supervisor John D. Gates had his road force of 35 men employed. Just on the edge of Mont Alto about 30 men graded the road and put crushed stone on it.

In the borough of Mont Alto 25 men improved a street there. Included in the men in Quincy township were ten students of the State Forestry Academy and eight boys from the Quincy United Brethren Orphanage.

Lunch, consisting of about 2,000 ham sandwiches, coffee, cream and sugar, was served the several hundred road workers by the Waynesboro Woman's Suffrage Association and the W. C. T. U. Mrs. D. S. Fahnstock had charge of the suffrage association's work and Mrs. J. G. Corbett, of the W. C. T. U.

Good Work Near Millersburg Millersburg, Pa., May 27.—Good Roads Day was observed here yesterday and more than 100 persons representing all walks of life, took part in the work of improvement. The road leading from Millersburg to Berryburg was the chief item, it having had some very bad sections. Near the farm of George B. Shaeffer a rocky hill was blasted and turned into a better road. Several teams and a road machine were employed at this point and all along the road to Berryburg, ten miles distant, groups of men were at work. The Millersburg women were on the job with their tin snips, baskets, chicken being the staple article of food.

Big Success in Mifflin Lewistown, Pa., May 27.—Good Roads Day in Mifflin county met with great success yesterday. At Millroy Supervisor Crissman reports that he was pleased with the turnout, having had some 15 men and teams engaged on the job in his section, filling in bad places with stone. At the Granville township section, where Charles M. Smith, the truck farmer, is supervisor, 76 men and 19 teams were at work. A stone crusher at Prospect Rock furnished crushed stone for the work.

In Derry township John Shirey, supervisor, many teams and men were at work. In the McVaytown section the rainy weather, which had interfered with the work and but little was accomplished. In Lewistown the street force was at work repairing a number of the streets that needed filling in. At the Mount Rock addition streets were put in good shape.

Parades, Athletic Events, Ball Game and Fireworks on Hummelstown Program

Special to The Telegraph

Hummelstown, Pa., May 27.—An excellent program of events for the Fourth of July celebration was arranged at a meeting of the general committee held in the fire enginehouse last evening. The celebration will be started by the ringing of bells and blowing of whistles at 6 o'clock. A fantastic parade will be held at 6.30 o'clock and a shooting match, baseball game and athletic events will occupy the remainder of the time during the morning.

A baseball game will take place in the afternoon which will be followed by the civic parade which will move from Center Square at 5 o'clock. During the evening a festival will be held in the borough park and a band concert given. The celebration will close with one of the best displays of fireworks ever shown in the borough.

The committees soliciting funds for the celebration reported at the meeting last evening and thus far about \$200 has been raised. At the next meeting of the committee the list of prizes to be awarded will be announced. Many of the businessmen of the borough are already arranging for floats and displays and most of the organizations of the borough will have floats in the line of parade.

SOLANUM TUBEROSUM

When a certain Congressman who represented an Iowa district for four years, was in Washington, the following correspondence passed between his office and the Bureau of Plant Industry, of which Hon. B. T. Galloway was then chief:

My Dear Sir: A constituent of mine writes me as follows: "There is a tuber known as solanum tuberosum which was once plentiful here, but is now quite rare. Could you get me some of them?" If the plant referred to is available I shall be glad if you will forward a supply to my office.

The following reply came from the bureau: My Dear Congressman: I have your letter of recent date and note your request to forward to your office, for a constituent, a supply of "tuber known as solanum tuberosum which was once plentiful here but is now quite rare." Solanum Tuberosum is simply the Latin name for the common variety of potato, and in many localities are becoming "quite rare."—National Monthly.
