WANTS \$15,000 FOR CROSSING ACCIDENT

Earl Elester Kreiser and Mother Demand Damages of Penny For Royalton Collision

Suit in trespass for damages aggregating \$15,000 was filed yesterday against the Pennsylvania Railroad Company by Mrs. Margaret Kreiser and her 12-year-old son, Earl Elester, as a result of an accident crossing below Royalton several weeks ago in which the boy's right leg was crushed. The action was begun by Wickersham & Metzger, counsel for the plaintiffs. The statement will ask \$10,000 for the mother and at least \$5,000 for the boy. Another Big Building Boost.—May, already a record-breaking month in the history of building operations, boosted itself again for \$20,000 to-day when George A. Shreiner, a member of the City Planning Commission, took out a permit to erect four 2 1/2-story brick houses on the east side of Seventeenth street north of Boas. These will cost \$20,000. D. S. Low, D. G. a permit to build a garage at Clinton and Wallace streets at a cost of \$450. Preparing Noxious Animal Report.—At to-morrow's meeting of the County Commission on the report of County Controller H. W. Gough and County Treasurer A. H. Bailey relative to the number and amount of the bounties for noxious animals for the year 1914 and 1915, will be approved and submitted to the Auditor General. These claims were all paid by the commission. The claims and bills will be submitted to the Auditor General for the purpose of having the sum refunded. All told, there are 100 bounties, and the total will run to between \$1,385 and \$1,400. The report must be filed by June 1. Name Springs Trustee June 4.—Creditors of George N. Springer, the Market street jeweler, will meet with Federal Referee John T. Olmsted at 2 o'clock Friday, June 4, to elect a trustee and discuss the bankruptcy proceedings pertaining to the bankruptcy court. City Pays For Motor Apparatus.—The city yesterday paid out \$3,600 to the Front Street Motor Company of Hoboken, N. J., for the motor tractor recently connected with the Hope fire engine. Building Concrete Piers for Asphalt Plant.—Erection of the concrete piers for the city's asphalt repair plant is already under way on the South Ninth street site and the structure will be ready for service in a few weeks, it is understood. For twenty days after the building is erected the plant will be operated by an inspector sent on here by the company. Benjamin W. Campbell is the city highway department's representative on the job. Badge Ordinance Effective June 4.—After June 4 all hucksters, vendors, etc., who do a house to house business must wear an identification badge, properly numbered and with name of firm or individual employer designated. This is in accordance with the ordinance adopted Tuesday by City Council.

CITY PARKS DONNING BEST BIB AND TUCKER

Wildwood and the river front stretches, have been "open" to hundreds of strollers, but in accordance with the usual custom Memorial Day will really mark the formal opening, and the park department is busy with a force of men getting things in shape for it. Minor but none the less important details like fresh edging of the park paths, trimming and straightening of hedges and slope shrubbery, planting of new bushes here and there, repainting of benches, patching of ruts, cutting of grass—all these will occupy forces of men from now until Monday, Dressing for "The Day". The bigger features of the Spring dressing—final touches to the new bridge across Spring creek in Cameron parkway, completion of the Wildwood Park roadway, planting of the shrubbery and fine grading of the formal entrance to Reservoir Park—these will all be completed, probably, by Sunday. To-day, incidentally, the special park policemen will be selected and they will go on duty Monday. The first band concert of the series arranged for Reservoir under the auspices of the Municipal Band Association has been scheduled for the afternoon and evening of Memorial Day by the Municipal Band. The hours will likely be 2.30 to 5.30 and 8 to 10 o'clock in the evening instead of 7.30 to 9.30, as heretofore. The demand for a later hour for commencing the concert led the committee to change the time. Much Tennis and Golf. Tennis courts and golf links will be placed in fine shape for a big day Monday, although the links will be open for play only in the morning. In order to guard against any accidents from flying balls, etc., to possible strollers on the Reservoir slopes in the afternoon, the playing will be stopped after 12 o'clock noon. The annual link and cap tournament of the Harrisburg Park Golf Club begins Saturday and some of the trout may be played off Monday morning. Among the important improvements provided at Reservoir have been the stringing of wire cables for the permanent nets at Reservoir. These have been attached to the posts by cables, which afford convenience and utility. The courts at Twelfth street playgrounds have been in splendid condition for several days, but these like the Island and the Reservoir courts, will be relined and rolled again in anticipation of a big day Monday.

THREE-DAY CAMPAIGN FOR PROHIBITION ON

Grace Methodist Episcopal Church. Prominent local churchmen will preside over the sessions, which will be addressed by speakers of national reputation. Dr. Charles M. Sheldon, widely known author, made the principal address at this afternoon's meeting which started at 2.30 o'clock. The Rev. Dr. E. A. Pyles, pastor of Fifth Street Methodist Church, presided. The opening prayer was made by the Rev. Dr. John E. Fox, pastor of Grace Methodist Episcopal Church. Music was under the direction of D. V. Poling and William L. Patton, pianist. Immediately after the service, Dr. Sheldon left for Lebanon, where he will speak to-morrow. Bishop Stanford will preside over the meeting this evening at 7.30 o'clock. Daniel A. Poling will be the principal speaker. Prayer will be offered by the Rev. Dr. J. T. Spangler, pastor of First United Brethren Church. Each evening will be opened with a thirty minute song service. New speakers will arrive late to-night for to-morrow afternoon and evening meetings.

PERRY RAILROAD RATES ATTACKED

Coal Company Objects to the Prices of the Susquehanna and Western Line
A complaint has been filed with the Public Service Commission by the Portage Coal Company against the Susquehanna River and Western Railroad Company. A rate for hauling coal from Duncannon to Sulphur Springs of 40 cents a ton is objected to on the ground that other railroads perform a similar service for a much less rate. The commission has employed Merrie Knowles, a civil engineer of Pittsburgh, and Benjamin F. Shuck, of Bedford, who is an accountant, to assist in the consideration of the complaint against the Springfield Consolidated Water Company, which comprises about thirty-five water companies adjacent to Philadelphia. Commissioner William A. Magee has been selected by the commission to represent it at the meeting now being held in Washington in connection with the Interstate Commerce Commission regarding the subject of valuations.

SELECTED

It was at a fashionable Southern resort and the pretty New England maiden had been tangoing strenuously with a vigorous young man from the West. "Really," she protested, "I must stop. I'd love to keep on and on but I'm danced out." "Why, how can you say that?" he cried in astonishment as he escorted her to a seat. "I don't think you are darned stout at all. You're just plump enough."—National Monthly.
OF FAR MORE IMPORTANCE
Pat and a friend were reading an account of a shipwreck, in which they were greatly interested. "In case of a shipwreck, presence of mind is worth everything else." "Presence of mind, ye say," replied Pat earnestly. "Faith and I don't agree wid ye. In toime of shipwreck, absence of body is of far more importance than prsence of mind."—National Monthly.

ROW DID HE KNOW?

The new curate had preached a very fine sermon that morning on "Married Life." Two old fishermen who had been fast friends for years were discussing the address as they walked home together. "It was a fine sermon his reverence was after givin' us this morning, Tim," commented one. "It was that," quickly assented the other, then with a dissenting frown he continued, "an' I wish I knew as little about the matter as he does."—National Monthly.

WELL NAMED

"What's that you call your mule?" "I call him 'Corporation,'" answered the old negro. "How did you come to give him such a name?" "F'm studiy'n de animal and readin' de papers, boss. Dat mule gets mo' blame an' abuse dan anythin' else in de township, an' goes ahead havin' on his way jes' de same."—National Monthly.

A SERIOUS MALADY
Mrs. Boggs' colored maid, Bessie, said to her: "If any one calls me had been in Washington only a few days, having come from a farm in Virginia. One morning Mrs. Boggs said to her: 'If any one calls me talk to you to-day—she got toe-nall pisenin!'"—National Monthly.

TRADE MARK REG. U. S. PAT. OFF.
In buying CREX "don't be Sold"
When you ask for a CREX Rug be sure you get one. "Be from Missouri"—make the salesman show the name CREX on the side binding. If it isn't there it isn't a CREX. If it isn't a CREX you are being cheated.
Substitutes are sold—and so are the purchasers. When a dealer tries to sell you another grass rug as being "just as good," it is because he is making a larger profit on an inferior article.
CREX was the first wire-grass rug made and is still first in durability, beauty and sanitary perfection. Clean, cool, inexpensive—yet always dependable. Holds no dirt nor germs. Needs no beating—simply shaking. Made in a variety of artistic designs and colors, and in various sizes.
BEWARE OF ALL SUBSTITUTES. Shun the cheap Japanese rugs of questionable sanitation; they have been aptly called the "yellow peril."
Get our beautifully illustrated 1915 catalog "CREX in the HOME" from your dealer, or write us direct for free copy.
Crex Carpet Company New York
