TESTS TO FOLLOW ALL BRAKE TROUBLES

Passenger Trainmaster of Middle Division Issues Orders For Inspection

Beginning to-day, all brake troubles on Middle division passenger trains will be followed with tests when trains reach terminals. In an order issued by Passenger Trainmaster W. Brooke Moore yesterday attention is called to the fact that tests and experiments are compulsory. The order in part follows: "The motive power people are complaining that the car inspectors at the terminals are not receiving proper information when any trouble is experienced with the brakes on a train passing over the Middle division or any portion of the division."

"It is the desire of the motive power people to have a test made before the Middle division power is detached from the train at the terminal when any trouble is experienced, especially when the brakes apply in the emergency on the train."

RAILROAD NOTES

Further changes to semaphore signals are being made on the Pittsburgh division.

The Philadelphia and Reading Railway Company is planting flowers and shrubbery along its main line and Harrisburg division. Yesterday 10,000 plants were distributed.

Employees of the Philadelphia and Reading Railway were paid to-day. About \$5,000 was distributed in Harrisburg and vicinity.

The Russian government is negotiating with the Pullman Company for the building of 40,000 freight cars. The price is between \$25,000 and \$30,000,000. President Runkels, of the Pullman Company, admits that negotiations are pending.

Chesapeake and Ohio Railway officials announced yesterday a contract with the American Locomotive Company for twenty-four Mallet type locomotives. They will be made in the Schenectady plant. The Richmond plant having been turned into a shrapnel factory.

The Reading and Pennsylvania roads will mail the 100-trip tickets valid for one year, instead of six months, this applying to all 100-trip tickets issued since December 15, 1914, irrespective of limit of six months indicated on tickets heretofore issued. Local unlimited one-way tickets, now good only in the direction in which they read, will be made valid in either direction.

FIFTH SUNDAY MEETING The fifth Sunday meeting of the Brotherhood of Railroad Trainmen will be held in Harrisburg Sunday. Sessions will be held in Fackler's Hall, Thirteenth and Berry streets, beginning at 10 o'clock in the morning. Visiting trainmen will be entertained by members of White Block Lodge, No. 127.

Begy's Nerve Aid Tablets Will Restore Your Old-time Confidence and Ambition in a Short Time

Nervous people who have lived too rapidly or have worked too hard or whose nerves and stamina have been shattered by stimulants or other excesses should get a 30-cent package of Begy's Nerve Aid Tablets to-day. No wonder! It is this great tonic prescription and so rapidly does it work that it is no exaggeration to say that in six days weak, rundown, ambitious people will feel 50 per cent. better. Begy's Nerve Aid Tablets contain no harmful drugs, they are the prescription of Chemist Begy, the man who made Mustarine an indispensable remedy in millions of homes and hundreds of hospitals. Begy's Mustarine, as you probably know, is splendid for sore throat, chest cold, rheumatism, neuritis, neuritis and all aches and pains. Any druggist can supply you. Three days' trial treatment 10 cents. From Begy Medicine Co., Begy Bldg., Rochester, N. Y.—Advertisement.

CRACK! SLAM! FOR OLDR MR. BARLEYCORN

[Continued from First Page.]

Ivan E. Geisel, of the staff of the Battle Creek Sanatorium, will be the speaker to-night. Former Governor Hanley of Indiana, is scheduled to speak to-morrow.

Saloon Human Parasite Bishop Stanford presided over the meeting last evening and introduced the speakers after preparing the crowd to hear Daniel A. Poling. "The saloon is a human parasite," said Mr. Poling, "and it dims the brilliancy of the Stars and Strips. The money spent by the people of the United States in cooking their insides with alcohol would increase the wages of laborers from two to three times. The liquor traffic never brings a cent of money to the treasury that does not have to be paid out again in caring for the results of its destructive work. In your own county the amount received from the saloons for revenue amounts to about \$5,000. The cost of the upkeep, the jail, poorhouse and insane asylum is \$150,000. Is there any profit from figures like that?"

MAY BUILDING BOOM ESTABLISHES RECORD

[Continued from First Page.]

Building Inspector Grove—the permits totaled \$216,025. This together with the monthly totals of January, February, March and April, amounted to \$610,250. The whole twelve months of 1914 reached to but \$603,475.

Oddly enough while the estimated cost of building operations this month reached an unprecedented sum, the number of permits issued were less than in any month of 1914. All told only fifty-one permits were given out during the present month. In May last year the permits numbered 71. However, May, 1914, building estimates totaled only \$129,175. Next to May the record building month this

year was March when \$152,750 worth of permits were issued. The nearest monthly record in the city building inspector department's history perhaps, was April, of last year, when \$292,175 was reached. Against this show, the record of each month of 1915 to date presents an interesting contrast. By months the totals are: January . . . . . \$ 7,875 February . . . . . 38,425 March . . . . . 152,750 April . . . . . 95,875 May . . . . . 216,025

Some Big Permits

Some exceptionally big permits were issued during May, both for single structures as well as for rows of dwellings. Among the larger single permits given out were those to the following: Boyd Memorial, South and Myrtle,

\$35,000; Zion Lutheran Church house, South Fourth street adjoining church, \$12,000; Harrisburg Pipe and Pipe Bending company, Cameron near State, \$15,000; Bowman and Company, 314-16 Market street, \$25,000; Hickok Manufacturing company, North and Pennys siding, \$45,000; and the Merchants' Ice Company, Berryhill and Cameron, \$20,000. Among the larger realty developments for which permits for erecting houses were taken last week were: Luther Minter who got permission to erect two houses at Summit and Market street at a total of \$13,500, while J. L. L. Kuhn, has planned to build a row of eighteen dwellings on Fifth near Seneca for \$54,000, and George A. Shreiner will build more houses on the Hill at a cost of \$20,000.

Every Man Read This

This treatment is said to have acquired a wonderful reputation throughout the East, owing to its peculiar propensity to fortify the nerve force and generate health and a consequent personal magnetism, so essential to the happiness of every normal human being. It is claimed to be a blessing to those who are physically impaired, gloomy, despondent, nervous or who have trembling of the limbs, dizziness, heart palpitation, cold hands and feet, insomnia, fear without cause, timidity in venturing and general inability to act rationally as others do. Also of vast benefit to writers, professional men, office workers and the victims of society's late hours and over-indulgence in wine, liquors, etc. By obtaining the treatment at some well stocked pharmacy no one need know of another's trouble while the treatment has been widely prescribed and dispensed heretofore by physicians and pharmacists, the grain tablets are so prepared with full directions for self administration that it is wholly unnecessary to pay a physician for prescribing them. Just ask for three-grain Cadonine tablets, begin their use and soon all the joy of a healthy body, sound nerves and strength will be felt.—Advertisement.
