CORNELL IS LEADER IN TRIAL EVENTS

Pick Ithacans as Easy Victors in Finals Today; Break One New Record

Special to The Telegraph Philadelphia, May 29.—Cornell was due for another clean-up-to-day in the finals of the fortieth annual intercollegiate meet-to-day. It was an easy victory for the Ithacans in the trial yesterday. Cornell scored 18 points. Harvard was a close second with 16 points. One intercollegiate record was broken when H. P. Bailey, of Maine, threw the 16-pound hammer through the air a distance of 165 feet 3/4 inches. This beat the record of John W. De Witt, of Princeton, which was 164 feet 10 inches. It has stood for thirteen years. Bailey on his first throw and his debut in the intercollegiate association, sent the hammer 165 feet for a new record, and after a few more attempts added three-quarters of an inch. There was no surprise when McCutcheon, of Cornell, finished second with 157 feet 8 1/2 inches, but Murphy, of Penn, was not expected to get a third. His throw was 153 feet 8 inches. Loughbridge, of Yale; Leadbetter, of Bowdoin, and Nourse, of Princeton, also qualified. Penn and Princeton finished the day with eleven men in the qualifying list while Harvard came next with eight. The individual star was Almo Richards, of Cornell, a former Olympic performer.
