Recent dispatches from the Galician front were to the effect that the Aus- tro-German troops had been success- ful in their operations to the north and the southeast of the fortress and that the forts girdling the position had been taken. When Przemysl fell into the hands of the Russians it had undergone a siege lasting 201 days. The Austrian garrison originally consisted of 1170,- 000 men of whom 40,000 were killed. About 120,000 Austrians surrendered when the fortress capitulated. These included 2,602 officers and officials, and 117,000 men. Entered This Morning This news was received in London with a certain degree of surprise. While it had been well known that the Russian position at Przenysl was serious, to say the least, and that the artillery fire of the Germanic allies	ference which is being held here for several days prior to the opening of the Brethren annual gathering, is full of interest and the attendance is on the increase. Yesterday afternoon Elder E. B. Hoff, of Chicago, Ill., an in- structor of the Bethany Bible school, gave an interesting blackboard talk on "The Mission of the Prophets." He gave an outline of the historical suc- cession of the Old Testament prophets, Among other things he said: "Some throw out the Book of Jonah because there is a whale in it; I accept the Book of Jonah-whale and all. If our religion is not worth dying for, it is not worth having." He was fol- lowed by Dr. T. T. Myers on "Justifica- tion," and Professor H. K. Ober, of <b>IContinued on Page 10.]</b> <b>PENNSYLVANIA LEADS IN THE OUTPUT OF PORTLAND CEMENT</b> By Associated Press Washington, June 3.—The output of Portland cement last year totaled 88,- 230.170 barrels, valued at \$\$1,789,368. This was a decrease in quantity of 3 866,961 barrels and a decrease in value of \$10,768,249 compared with 1913. Pennsylvania and Indiana held first and second places, respectively, as pro- ducing states. <b>VETERAN BALL PLAYER DIES</b> By Associated Press New York, Juné 3.—David Orr, the old-time baseball player who covered first base for the Columbus American Association team In 1889 and later for the Brookyn Nationals, died stidenly	but that same season in France will not have much on Woodbine street, Harrisburg, in the years to come if the latest problem in tree planting that had been submitted to the park de- nartment can be worked out success- fully. Incidentally the question may revo- lutionize the shade tree problem; the citizen who has heretofore been on the fence. figuratively speaking, as to whether he should sacrifice shade for fruit or fruit for shade on his side- walks may climb down—satisfied. The problem was put up to Park Commissioner M. Harvey Taylor by Farley Gannet, chief engineer of the State Water Supply Commission, who asked if he could plant a row of apple trees around his property at Second [Continued on Page 10.] Camp Hill Mass Meeting Will Be Held June 4 Camp Hill, Pa., June 3.—By reason of the high school entertainment the mass meeting called for the discussion of the paving question for Friday venning, June 4, has been postponed until Tuesday, June 8, when the whole matter will be carvassed. It is expected there will be a large question of paring the pike through the borough is of vital interest to the community. at Vienna. The Austrian war office announces that Italian offensive op-crations have been unsuccessful and that no material damage has been done by, the Italian army. Transport Torpedoed Official announcement was made in London to-day that a British sub-marine had torpedoed a large German submarine is said to be one of several unberging for the relief of persons in civil submarine is said to be one of several which have made their way through result of war.

Trenton, N. J., June 3. - The U. S. Steel corporation wins government suit. The decision in the United States Steel Corporation case was filed in the United States District Court here this afternoon and the decision held that the corporation should not be dissolved. The principle points in the decisions are: It refuses to issue any injunction. It holds the foreign trade of the steel corporation is not a vio-Iation of the Sherman law. It holds certain price fixing agreements which followed the Gary dinners, but which stopped before the bill was filed, to have been unlawful.

Harrisburg .--- Edgar R. Kiess, one of the Public Service Commissioners, has not sat as a commissioner this week He has not yet taken the oath of office.

Washington, June 3 .- Five persons, nationality unreported, were killed in a raid by Mexicans on Querobabi, Tuesday night, State Department dispatches from Nogales

bert B. Cummins, of lowa, in a state-ment made public to-day predicted that President Wilson would call a spe-trait would a prolonged wet and cold spell ber. "I do not believe the President will are to assume entirely the cares and care to assume entirely the cares and said he. ment made public to-day predicted that President Wilson would call a spe-cial session of Congress by Septem-ber. "I do not believe the President will care to assume entirely the cares and responsibilities and problems of our international relations but that he will be glad to divide the burden with Con-gress," suid Senator Cummins. "The policy pursued by the Presi-dent in our relations with Europe dur-ing the war has my hearty approval. The people of the United States do not want a war and do not intend that there shall be any. But they do intend that the rights of facutral nations shall be observed and if they are not they believe measures should be taken to make their protest effective. "There are means of doing this without going to war."

For Harrisburg and vicinity; Part-ly cloudy to-night and Friday; warmer Friday. For Eastern Pennsylvania; Partly cloudy to-night and Friday; warmer Friday; moderate north-east winda.

River River The main river and the lower por-tion of the West Branch will rise. The Juniata, North Branch and the upper portion of the West Branch will fall or remain near-ly stationary to-night and Fri-day. A stage of about 5.6 feet in indicated for Harrisburg Friday morning.

morning. General Conditions The southern storm is central off the Virginia coast this morning, apparently moving slowly north-east. It has caused rain over a belt of country extending from Lakes Erie and Ontario south-eastward to the southern boun-dary of North Carolina. Is somewhat cooler in the Mid-dle Atlantic States over the east-ern portion of the Lake Region and in Southern New England and in the Rocky Mountain re-gion and Arisona.

TRY TO AVERT STRIKE

## **Russ Claim Important**

Petrograd, via London, June 3, 7.05 M .--- An official statement issued

A. M.—An official statement issued last night at the headquarters of the Russian general staff was as follows: "In the Shavil region Monday we repulsed successfully several attacks and captured a redoubt east of the village of Trawliany. "On the Narew front, on the left bank of the Vistula the enemy on Tuesday delivered several attacks, which we repulsed. "In Galicia Monday between the Vistula and Przemysi stubborn fighting developed, our troops gaining some important successes on the left bank of the lower San, taking several vil-lages, some with the bayonet.

Special to The Telegroph York, Pa., June 3.....For driving his automobile over the city streets, with-out headlights, in violation of a State law, Mayor John R. Lafean yesterday fined himself \$5, the minimum penalty for the first offense, which he has im-posed in the past on persons who ap-peared before him for similar of-fenses. Mayor Lafean was "arrested" last night. by Patrolman Free as he was entering East Market street at its intersection with Center square. In the automobile with him returning from the birthday celebration of John Strickler, were Judge N. Sargent Ross and the Rev. Samuel H. Stein, pastor of Trinity Reformed Church.

## **Child's Screams Summon Help When Stove Explodes**

REPUBLICS ARE STRONGER By Associated Press Rio Janeiro, June 3.-Dr. Lauro, Muller, foreign minister of Brazil, madei a triumphal return yesterday from his tour to Uruguay, Argentina and Chile, undertaken to strengthen the bonds of the South American republics. He is was met at the railroad station by rep-resentatives of the American diploma-tic corps, high government officials and prominent civilians. A crowd i gave him an enthusiastic reception. All the newspapers acclaim the suc-tic coss of Dr. Muller's mission and point out the great importance of the treaty established by the "A. B. C." na-tions. Attracted by the screams of a child who had upset an oil stove, a traveling heiling salesman, who refused to disclose his fore mane, rushed into the home of Andrew B. Hoverter, 1400 Regina street pay to the street beat out the fames. Miss Alice Hoverter, who was with the child, screamed and fell over in a faint when she saw the oil stove upset. Both escaped unharmed. A nalarm was turned in from Box 7, but the firemen, were not needed. After a set the fire was extinguished the stranger busi had a badly burned hand dressed up his sample case and walked away.

U. C. V. IN ANNUAL PARADE

By Associated Press Chicago, June 3.—Negotiations de-signed to avert a strike of 14,000 street car employes were reopened to-day. Officials of the companies asked rep-resentatives of the unions to meet with them in an attempt to bring about a settlement of the wage dispute. 

of the Lusitania. The communication is being penned by the President him-self and it will go forward before the end of the week. Interest in the conference was heightened to-day as further details were coming to light. One important result, it can be stated upon high authority, is ithat there will be no alteration in the administration's plan to ascertain whether the German gov-ernment will abide by international law or follow its own rules of mari-time-warfare. The conference was cordial and of a friendly nature. The intensity of the United States over the Lusitania inci-dent and other violations of American

# By Associated Press New York, June 3.—The Federal Trade Commission, having ended its session in Boston, began here to-day a series of informal conferences with businessmen, concerning theces with

businessmen concerning the advisa-bility of permitting combinations among American exporters for the ex-tension of foreign trade.

to-day say, after looting the town the raiders burned five railway bridges. A Vera Cruz dispatch dated June 2, says a crowd gathered there Monday to buy the daily food supply. was informed the government's store was exhausted.

### PICKPOCKET AT HERSHEY

Hershey, June 3 .- From one of the crowded trains bearing the broad-hatted, square-beareded delegates to the big convention of the Church of the Brethren to-day, a man, to all appearances one of the "brethren" stepped jauntily to the station platform. Just then the train jolted forward and the man's air of jauntiness left him with the suddenness of his beard and hat. Before the astonished crowd could realize what had happened, the stranger, believed to be a pickpocket, had disappeared.

### DISTURBANCES IN TOKIO

Tokio, June 3, 9.54 P. M. - The holding of an antigovernment mass meeting in Tokio this evening resulted in serious disturbances. The situation outside the building where the meeting was being held was the most serious. Geneva, Switz., June 3, via Paris 2.10 P. M. - News dispatches received here declare that two Italian torpedoboats early yesterday morning entered the gulf of Triest, satik two merchant vessels, and damaged an Austrian auxiliary cruiser.
