and Woodbine. The park commissioner, foreseeing the establishment of a precedent that may have its draw-backs as well as its advantages, re-ferred the matter to City Forester Mueller.

Mueller. "Apple or any other fruit trees for shade? Sure," said Mr. Mueller. "The citizen can have any kind of a tree, proper tree, that is, that he wishes, provided the majority of the property holders in the street petition for it." But Commissioner Taylor was just a wee bit dublous about one or two other things in connection with this departure in tree planting. So to his letter of permission he tacked this postscript:

some inside stuff about Mr. Gannett's wine closet. The expose lay in his reply, thus:

The State policeman I am a little in doubt of, but I will try to get a deputy constableship myself. My wine closet contains nothing else but medicinal remedies, and I shall be glad to transfer a bottle of CASTORIA from the bathroom to the wine closet. If there is "any other little thing" I can do for you, kindly advise me.

#### Appreciative Audience Attends Academy Play

"As You Like It," a Shaskespearean comedy, was played last evening in the Technical High School by the Devereaux Company. The authorities at the Harrisburg Academy intended originally to have the play presented in the open on the campus of the school, but inclement weather made this impossible.

postscript:

P. S.—You are also to furnish one State policeman to protect that neighborhood from vandalism and to keep at least one bottle of castoria in your wine closet for the use of the small boy during the green apple season.

### CHOIR OF ZION LUTHERAN CHURCH ASSISTED BY SOLOISTS AND HAYDN QUARTET WILL SING AT PRAISE SERVICE

Members of the Haydn Quartet are: Ralph E. Steever, first tenor; Jerome M. Hamilton, second tenor; Nevin R. Seltzer, baritone, and Howard H. Fraim, basso.

The choir of Zion Lutheran Church will give a praise service of unusual interest and variety, Sunday evening. A number of special features will be introduced in addition to a very dramatic anthem, "O Come Before His Presence," by George Martin, containing a very effective tenor solo, "Like as a Father," which will be sung by Sherman Allen. Brasa's celebrated "Angels' Serenade," arranged by Bassford for a mixed quartet and violin obligato played by William Meyers will doubtless prove most attractive, as it created quite a sensation when last sung.

The well-known Haydn male quartet composed of Ralph E. Steever, first tenor; Jerome M. Hamilton, second tenor; Nevin R. Seltzer, baritone, and Howard H. Fraim, basso, will sing a beautiful sacred selection. Master William Webster, soprano, will sing "Engels Ever Bright and Fair," by Handel.

An attractive feature of the program will be a selection for organ, violin and harp by Beethoven, played by Mr. Decevee, William Meyers, and Miss Catharine Drawbaugh, a harpits of much talent. Miss Drawbaugh will also play Hasselman's "Minuet" for harp and organ. Mrs. E. J. Decevee and Miss Nellie J. Bennett will sing a sacred composition "The Lord Is My Shepherd," composed by Mr. Decevee. By special request Mr. Decevee will play Wely's "Hymn of the Nuns."

#### Sixth Annual Gymnastic Carnival of Hassett Union Clubs Promises to Eclipse All Others

which promises to be a big success.

Other features will be: Miss Clara Sneidman, in catchy songs; Indian club exercises, by boys and girls; dumb bell drills; folk dancing, and gymnastic callsthenics. Librettos will be given as souvenirs to those present. More than one hundred noys and girls are included in the carnival. One of the new parts of the program will be the presentation of a tableaux showing present-day conditions in the world.

# TREASURY BALANCE **SLUMPS ONE MILLION**

Senator Jim Ham Lewis Proposes to Make Up Deficiency by Issuing Bonds

Special to The Telegraph

Washington, June 3.—The national treasury balance slumped another million dollars during the seven days ending May 22, when the balance in the treasury was \$13,864,451.88. On the corresponding date two years ago there was \$131,002,994.61 in Uncle Sam's was \$131,002,994.61 in Uncle Sam's general fund. For the present fiscal year up to May 22, government expenditures have exceeded the receipts to the amount of \$132,326,680.93.

to the amount of \$132,326,680,93.

Senator Jim Ham Lewis, of Illinois, proposes to fill the aching void in the federal treasury by an issue of bonds to the tune of five hundred millions. This is a favorable method of the Democrats when confronted by a deficit and a deficit is always a natural accompaniment of a Democratic administration. Cleveland had one—and he issued bonds. Wilson has one—and Jim Ham proposes to issue bonds. But his scheme goes much further. He wants to increase the national debt by 50 per cent., and he suggests that the bonds be issued in small denominations, that they be purchased by the people generally, and that the proceeds, after paying off the Democratic deficit, shall be used in some undefined manner, for putting the people who are now jobless because of the Democratic tariff, to work.

Each person upon his arrival is required to register and is then assigned to his respective home by the committee of five who are located in a building near the depot. Among those who have already arrived for the conference are the following. J. H. Moore, Elgin, Ill., editor of the Gospel Messenger; J. H. B. Williams, Elgin, Ill., business manager of the Publishing Interests: Elder D. L. Miller, Mt. Morris, Ill.; Samuel Bock, of California; S. P. It has recently been found that Valitone has a marvelous effect in enabling thin people to extract the fat making elements from their food.
