Worry, overwork, overstudy and excesses of all kinds are exciting causes and should be avoided by those who know themselves to have inherited a nervous disposition. Thin blood and a general run-down condition of the system are also to be avoided by such peopie. Be moderate in everything, avoid worry, keep the blood rich and red and the general health built up with a non-alcoholic tonic like Dr. Williams' Pink Pills and avoid a nervous breakdown.

Dr. Williams' Pink Pills are a general tonic with a special action on the nerves and relieve and correct many forms of nervous trouble. Your own druggist sells them.
