FIREMEN'S LEAGUE READY FOR OPENING

First Games on Saturday; Each Team to Play Series of Twenty Contests

The Harrisburg Fire Department Baseball League will open Saturday afternoon. Plans were completed at a meeting held last night at the office of Marion Verbeke, in the Commonwealth Trust building. The league will consist of nine teams, as the Royal company has dropped out. Games will be played on Saturdays, holidays and at twilight. Each team will play twenty games. Three silver cups will be awarded at the close of the season. These trophies were donated by Assistant Fire Chief Edward Halbert, George W. Bogar and M. J. Kehner. All games will be conducted according to strict amateur rules. No players will receive any compensation for playing, and each manager must have his complete list of players registered before the opening games on Saturday. The Friendship and Camp Curtin teams will meet at Island Park on Diamond No. 2, at 1.30. At 3.30 the Washington and Citizen companies will play. The Good Will and Rely teams will meet on Shamrock grounds, and Shamrock and Allison will play on the Sycamore field.

Motive Power Team Home; Won Out in Close Game

The Pennsylvania Railroad Motive Power team returned from Renovo last night. The local players won at Renovo, score 2 to 1. Braekenridge pitched a great game, allowing but five hits. He struck out seven men. Hoover and Gerdes were stars. Hoover's hitting and base running were features. While in Renovo the local players were guests at the home of Manager Friel, the Harrisburg leader. They were royally entertained. On Saturday Manager Friel will take his team to Philadelphia.

"Honns" Wagner Is on Hospital List

New York, June 3.—Baseball fans the country over are greatly interested in knowing the extent to which baseball's "grand old man" is recovering from his recent injury. While sitting into the plate with the run that proved the winning one of the game Honus badly sprained his leg and was compelled to retire from the game. Competent physicians after examination, however, say that Wagner is still far from the "has been" class and prophesy his return to the game in a short time.

No June Derby Event Causes Gloom in England

London, June 3.—The first Wednesday in June has been devoted for generations to London's great racing carnival, the Derby at Epsom, and its omission this year brought home to the citizens of the British capital with peculiar emphasis the serious crisis through which the nation is passing. Derby day always has been the most popular sporting event of the year. The race was witnessed by the late King Edward every year from 1863 to 1909 except when he was kept away by mourning.

COBB TO VISIT SHAMOKIN Shamokin, Pa., June 3.—Members of the family of Harry Covaleskie, of this place, who is pitching for the Detroit American League team, received word from him that "TY" Cobb, the great baseball player, will visit Shamokin as the guest of Covaleskie during the Tigers' next visit to Philadelphia.

HARRISBURG GAMES PROMISE INTEREST

Series For Local Championship Will Start Wednesday; Altoona Here Saturday

Examinations at Bucknell University will prevent the game with the Lewisburg boys to-morrow. The Bucknell management cancelled the game last night. Weather permitting, the game with Altoona on Saturday will be played at 3 o'clock. Manager J. Harry Messersmith is completing plans for the series between the Harrisburg Independents and other local teams. The Motive Power team of the Pennsylvania railroad will start this series next Wednesday. On Wednesday, June 16, Harrisburg will play the Dauphin team of the Dauphin-Perry league. Arrangements are also being made to play a star aggregation picked from the local fire company teams. This game promises much interest. As it will be impossible to play all the teams in the firemen's league, Manager Messersmith will have the league officials pick the star team for games at Island Park.

War on Baseball Pools; Big Raid at Pittsburgh Special to The Telegraph Pittsburgh, June 3.—As a result of a crusade waged by a local newspaper against the selling of baseball pools, warrants were issued yesterday for William Gardner, Francis Holleran, William Holleran, Eugene Carmichael and William Haller, alleged to be members of the syndicate which operates the Keystone Pool, the largest lottery of its kind in this city and which in said to operate in Cleveland, Detroit and other middle Western cities. With the exception of Haller all the accused men are prominently identified with local business concerns.

Rowland's Rules For Running a Winning Team

Clarence Rowland, who first leaped into fame by being promoted from the minor leagues to manage the White Sox, and who has put the Chicagoans in the "pennant-possibilities" class, gave these as his rules for a successful baseball manager:

- "A player is as important as a manager. Treat him so."
"Never fine a ballplayer; show him he is wrong."
"See that your men are in bed by 11.30 p. m."
"Be a friend of the newspaper boys—they can help you."
"Pull your boys together—don't spread them apart."
"Give the kids a chance; don't rely too much on old stars."
"Encourage the fighting and aggressive spirit—but don't tolerate rowdism."
"Managing a major and minor league team is only a difference of degree, that's all." The problems are the same.

STUPID PLAY LOSES GAME

Larry Doyle Catches Ball Thrown by Boston Outfielder Special to The Telegraph Boston, Mass., June 3.—Larry Doyle, captain of the New York Giants, pulled one of the greatest "bones" in baseball history yesterday afternoon in the fifth inning of the Braves-Giants game. With one out and Burns on third, Doyle hit a long sacrifice fly to Moran. Burns scored. Doyle ran out the fly, and after turning first and seeing the ball coming toward him, he reached out, caught it and threw it to the Braves' second baseman. Burns had scored long before the throw from Moran reached Doyle's hands, but the Braves put in a kick against Doyle's action in catching the ball, and Umpire Quigley ruled in their favor, declaring Burns out for Doyle's interference, and the run did not count. The run would have put the Giants in the lead.

BAKER SURRENDERS; NAMES CONDITIONS

Manager Connie Mack Must Tell Truth About Home Run Hitter

Media, Pa., June 3.—J. Franklin Baker, former home-run king of the American League and now third baseman on the Upland club of the Delaware County League, is willing to return to the Athletics at once, under the old salary, but he names as conditions that Connie Mack must publicly deny or retract all published statements reported to come from him to the effect that Baker is a contract-breaker, and that the old contract be canceled and a new one entered into for this season at the original terms. The last condition is to prevent a recurrence of the present controversy next year. Baker agrees to sign an agreement that he will play with the Athletics if he should play major ball at all next year.

Baker names his conditions in a statement given out by J. Borton Weeks, president of the Delaware County League, who is authorized to speak for the former Athletic player. This statement gives the story of the Baker controversy, which has aroused more interest in baseball ranks than anything that has happened this year and shows that Baker is not after more salary.

He took the lead just before the 200-mile mark and held it practically all the rest of the distance. His time for the 500 miles was 6:33.55.50, an average speed of 89.84 miles an hour. Rene Thomas, who won last year, averaged 82.47 miles an hour.

GRAMMAR ATHLETES TO BATTLE TOMORROW

Rain Prevents Meet at Island Park Today; Track Is Soft and Field Muddy

The Grammar school meet will be held at Municipal Field, Island Park, to-morrow afternoon. The program starts promptly at 2 o'clock. Rain made it impossible to hold it to-day. The field is soaked and the track soft. In addition to a large number of high school officials the meet to-morrow will be witnessed by several out-of-town grammar school principals and school officials. Harrisburg has a reputation for pulling off successful track and field events, and other schools want to take up plans similar to those of the Harrisburg Track Athletic committee.

BOXING LAW WITH A STRING

Springfield, Ill., June 3.—The Illinois senate yesterday passed the Carroll boxing bill. It contains a clause making its provisions inactive in any municipality until it has been adopted by a referendum vote. The bill now goes to the house, which recently killed a bill which did not contain the referendum feature. The measure legalizes ten-round, no-decision boxing bouts, under the supervision of a state athletic commission composed of three members to be appointed by the governor. It provides that 7 1/2 percent of the net receipts of all exhibitions shall go to the State. Members of the commission would receive \$2,500 a year.
