

Wonderful Values in This Sale of Millinery Ribbons at 19c

Qualities That Sell Regularly at 39c and 49c

Wonderful is a word seldom used in our advertising announcements, but when we heard it used frequently yesterday by customers in expressing their surprise at the values, we feel that we are justified in giving it a place in our headline. For these are the best values in millinery ribbons that it has ever been our privilege to offer.

We shared in a big ribbon house's clean-up of more than 1,000 pieces of best grades of millinery ribbons in black and white, fancy warp print, Roman stripe and plain and fancy moire weaves in a great variety of shades in 5, 5½ and 6-inch widths. It is most unusual to find such fine qualities selling at 19c.

This sale provides styles for sashes, trimmings, girdles, fancy work and hair-bow. This is a splendid chance to save on those dainty ribbons that mothers will have to get for their little girls for Children's Day.
