TWO LEBANON MURDERS

John Miller Kills Son and Lenta Miskov Shoots Boarder

Special to The Telegraph

Lebanon, Pa., June 7.—John Miller, who Saturday night shot and killed his son, Cyrus, and then wounded himself, is said to have a fighting chance for his life, although the bullet removed from his back had pierced the left lung. In expressing regret for the death of his son Miller declared he had purposed killing his wife and not the younger man, the police say.

## HOW TO BE SLIM

By Winifred Grace Forrest. If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughed at on account of your fat, but go to any good druggist, and get a box of Oil of Koresin capsules, take one after each meal and one before retiring at night. Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body. It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat.

## Buy Coal Before July 1

FACE COVERED WITH PIMPLES ALL HER LIFE

But Miss Ayres Got a "Beautiful Complexion" at a Cost of Only \$2.00

Nov. 23, 1914.—"All my life my face was covered completely with a mass of pimples, blackheads and blotches. I spent a lot of money on numerous remedies and treatments without success and no relief at all. I tried so many things that I was afraid my case could not be cured. Resinol Ointment and Resinol Soap seemed to do me good right from the first. I used two jars of Resinol Ointment and some Resinol Soap, the total cost being only \$2.00, and this completely cured my case. My skin is without a blemish and I am the possessor of a beautiful complexion." (Signed) Mabel Ayres, Stone Mountain, Va. Every druggist sells Resinol Soap and Resinol Ointment.—Advertisement.

## Lebanon Seniors Stop Off on Way to Washington

Sixty-five members of the senior class of Lebanon high school spent half an hour in Harrisburg this morning en route to Washington, where they will spend the week sightseeing. They were present at the opening exercises of Technical high school and were escorted through the building. The excursion is an annual affair for the Lebanon graduates, most of the funds being raised during the year by class plays. The Red and Blue "grads," championed by Professor Paul J. Strickler, occupied a special coach on the 9.40 a. m. train south. They will return Friday night.

## To Improve Expression As Well As Complexion

No face is really beautiful that lacks expression. Do you realize that continual use of powders and creams tends to spoil pliancy of skin and elasticity of wrinkles? Ordinary mercerized wax acts quite differently from any cosmetic. It wonderfully improves any complexion, giving it life and expression. By gradually, harshly peeling off the thin veil of surface skin, it brings to view a pure, soft, spotless complexion, delicately beautiful and youthful. Every druggist has this wax; it is seldom more than an ounce is needed. It is spread on nightly like cold cream and washed off mornings. In a week or two the transformation is complete.

Wrinkles do not of course enhance the expression. Neither do the pasty things many use to eradicate them. A treatment free from all objection is made by dissolving 1 oz. powdered saxolite in 4 pint witch hazel; use as a wash lotion. This soon removes even the most obstinate wrinkles.
