### STEELTON'S HILLIS CAMPAIGN DRAWING TO CLOSE

Evangelist's Wife Urges Closer Comradship Between Girls and Their Mothers

On the eve of the closing of the six-weeks' evangelistic campaign by the Rev. C. E. Hillis and party, interest at the tabernacle, Second street and Buser's Run, is at its height. The service last evening, when a special train from Marysville brought a big delegation from the upriver town, was one of the largest and most enthusiastic since the opening of the campaign. The Rev. Mr. Fuhrman, of the United Evangelical Church, at Marysville, led in prayer and the Rev. Mr. Parsons, of the Church of God at Marysville, told of the value of an evangelistic campaign to any town. In the course of his remarks he told the tabernacle audience of the wonderful results accomplished by Evangelist Hillis in Marysville, where nearly 500 converts were made. Of this number more than 300 were men. Mrs. Hillis sang a hymn entitled, "God Is Love," written by the Rev. Mr. Fuhrman and set to music by W. F. S. Yates, the Hillis pianist. A number of ladies from Enhart presented Mrs. Hillis with a large bouquet and sum of money.

At a meeting for women in the tabernacle this afternoon the wife of the evangelist gave girls and mothers some good advice concerning their relations with each other. "Chums" was her subject. In urging a closer comradeship between girls and their mothers, Mrs. Hillis said: "The undoing of every girl's life is when she first breaks confidence with her mother." Speaking of her experience while fighting the "white slave" traffic in Chicago, the wife of the evangelist declared that "the booze business and the 'white slave' traffic go hand in hand. So long as we continue to pour ruin down our son's throats we must expect 'white slavers'." At to-morrow evening's "Booster service" in the tabernacle the first collection for the Hillis party will be lifted. Services will be held in the tabernacle Sunday afternoon when Mrs. Hillis will speak on "The Home." The campaign will close with Sunday evening's service.

### Foreign District Stirred by Attempted Robberies

Several additional attempted robberies in the Lower End foreign section were reported to Squire Gardner's office this morning. Within the past week attempts have been made by colored men to enter the house at 777 South Third street, the home of Nick Marian, South Third street, and the home of Peter Verkopik, South Third street. At the latter place the thief was discovered entering a bedroom window. He had the occupants of the room covered with a gun but Verkopik turned over in his bed, procured his revolver and fired several shots at the intruder before he could do any harm. The man escaped. At each of the other places the intruders were frightened away before they obtained any booty.

The constable and private detectives are still searching for the success for the foreigners who within a few weeks have attacked four women, beating them severely.

### Think Newark Suicide Is Harrisburg Man

Because of a scrap of paper bearing the name of Miss Rosa Cohen, of 604 State street, Harrisburg, the police of Newark, N. J., believe the body of a suicide on which it was found, is that of Joseph Cohen, who has been missing from his home here for three years. The message received by Mrs. Sarah

Cohen, 926 North Sixth street, says that the man was about 22 years old and that death was due to carbolic acid.

### Gas Company Is Unable to Get Permission of Owners

Officials of the Harrisburg Gas Company said to-day they had been unable to get the permission of property owners along Front street between Reel's lane and Schuykill street to lay gas mains in the space reserved for grass plots along the sidewalks. Some of the owners favored this plan in order to save the asphalt from being cut up but others refused absolutely. The gas company delayed cutting the paving in order to endeavor to get the necessary permission.

### Doctor Tells How to Shed Bad Complexion

We cannot restore degenerated facial tissue any more than we can restore a lost limb. It is useless to attempt to convert a worn-out complexion into a new one. The rational procedure is to remove the complexion instead—remove the degenerated tissue. Not by surgical means, however, as the underlying cutis is so tender, to withstand immediate exposure. Applying ordinary mercurized wax will gradually absorb the offending cuticle. By degrees, a new, youthful skin appears; soft and delicately tinted as a baby's.

No lady need hesitate to try this. Procure an ounce of mercurized wax of the highest quality. Spread on a thin layer before retiring, removing this in the morning with soap and water. In from one to two weeks the complexion is completely transformed.

An approved treatment for wrinkles is provided by dissolving an ounce of powdered saxolite in a half pint of witch hazel. Bathing the face in the solution brings prompt and remarkable results.—Dr. R. Mackenzie in Popular Medicine.—Advertisement.

**VARICOSE VEINS ARE QUICKLY REDUCED**  
No sensible person will continue to suffer from dangerous swollen veins or bunches when the new powerful, yet harmless, and so powerful that it also can readily be obtained at any well stocked drug store.

The one question heard to-day in all quarters—naval, military, diplomatic and civil—was: "What will the United States do and what is the significance of Mr. Bryan's retirement?"

**ANOTHER BIG BARGAIN**  
An Aluminum Preserving Kettle and one pound of Baking Powder for 50c. This is a good value and a big bargain. Free demonstration root beer Saturday. Try a glass of our extract root beer, free.
