BASEBALL LEAGUE CHANGES ITS NAME

Lucknow Shopmen Will Be Part of Mutual Beneficial Association of P. R. R.

At a meeting of the Lucknow Shop League last night, the name was changed to the Mutual Beneficial Association League. All teams are made up of employes of Lucknow shops. This league is now in the midst of a very flourishing season and is in good financial standing. It is being supported by the employes of Lucknow shops in return for which they have the privilege of witnessing a good quality of baseball and do not have to travel a long distance to do so, as these games are played during the noon hour on the shop's diamond. Planning Mill Team Leads The Planning Mill team is leading the league by a small margin, being hard pushed by the Clerks who now occupy second place after a long stay at the top of the league. The Federals—a new team this year—are pressing the Clerks for the second place, while the Smith Shom, champions of last year, are fighting hard to get out of the cellar position. These teams do not only furnish good games, but also serve as practice for the players, the majority of whom are on amateur teams in Harrisburg and vicinity, playing Saturday games. There is talk of forming a team composed of the best players picked from the Lucknow Shops. Followers of baseball at that point are confident that should such a team be picked it would prove a hard proposition for the best of teams around this locality.

"CUSS" AT SUNDAY SCHOOL GAME

Players at Hazleton Shock Women Who Support Baseball. Special to The Telegraph. Hazleton, Pa., June 12.—Cussing at the umpire in the Sunday School League contest at Hazleton by some players has created dissension among the clubs. The rules of the organization call for dismissal of men who play ball on Sunday or who use foul language, and some of the managers insist that those who grow profane shall be ejected. Many women attend the games, and they have been shocked at some criticisms of the work of the umpire.

McLean on War Path; Cleans Out Hotel Lobby

Special to The Telegraph. St. Louis, Mo., June 12.—Larry McLean, catcher of the Giants, who was suspended Wednesday when the Giants arrived here, walked into the Buckingham hotel at an early hour this morning and began a verbal attack on Manager McGraw and Scout Dick Kinsella. Physical violence followed and the divan on which the manager and his scout had been seated was wrecked. The fight was transferred to the street and four other members of the Giants enlisted as auxiliaries to the McGraw forces. Chairs were broken up and pieces used as weapons. Larry knocked down two of his opponents, was hit over the right arm with a chair leg and retreated two blocks down the street. A passing automobilist stopped and called on Larry to retreat into the car. Larry did and the car sped away.

LEAGUE BASEBALL CHANCES POOR; PLEDGES MAY BRING AN ANSWER

Newark Club Official Leaves City After Failure to Secure Audience With Businessmen; Committee at Work

Final efforts to land the Newark International team for Harrisburg are being made. A committee of local fans to-day canvassed the town for pledges to support the team. This work will be continued Monday. The committee is anxious to dispose of 250 books at \$20 each. These books will be good for Cincinnati and grandstand, 42 scheduled games, and a number of exhibition games with major league teams. Failure on the part of George L. Solomon to secure the endorsement of local people, was a big disappointment to the vice-president of the Newark team. He left Harrisburg last night feeling rather sore. Vice-president Solomon was yesterday promised an audience with a number of business people, including officials of the Harrisburg Chamber of Commerce. At a late hour yesterday afternoon a letter from the Chamber of Commerce announced that further consideration of the proposition to bring the Newark team to Harrisburg was off, and there would be no conference. Baseball enthusiasts who do not want to lose the opportunity to get high-class baseball for Harrisburg got busy immediately. The International League officials will decide upon the transfer either to-morrow or Monday.

"Hooks" Wiltse Makes Good Minor Manager

President Barrows of the International League is more than pleased with the work of Manager Wiltse of the Jersey City team. Wiltse has a strong aggregation. As a manager he has the confidence of all players. Special to The Telegraph. Pittsburgh, Pa., June 12.—Bobby Schang, the Pirate catcher, is in a hospital here suffering from injuries received during batting practice, when a ball slipped from the hands of Bill Hinchman and struck him in the face. Schang's nose was broken in two places, three teeth were knocked out and he was badly bruised. Although his injuries are painful, physicians do not believe he will be kept out of the game long. PITTFEDS HERE MONDAY On their way to Brooklyn the Pittsburgh Federal League Club will stop over in Harrisburg to play the Harrisburg Independents on H. A. C. field. The game starts at 3.30. By reason of not playing on account of rain Pittsburgh is back in second place but close to Kansas City, the leaders. The Pittsburgh team includes a number of former major league stars. "CABRIA" AT THE PHOTOPLAY ON MONDAY

On Monday the management of the Photoplay Theater will present "Cabria," the wonder picture of the age. All motion picture critics agree that "Cabria," is by all odds the most spectacular and stupendous film production that has ever been attempted and by reason of this fact has been crowding the highest class theaters all over the country even in the larger cities, where the prices of admission range anywhere from 50 cents to \$2. "Cabria" was played for eight consecutive months in New York at the same theater. This magnificent drama required 7,000 actors, twenty elephants, hundreds of horses and fourteen months' work at an expense of \$250,000 to produce this unequalled picture play. It is in six parts and requires two hours' time to present it upon the screen. Monday will positively be your last chance to see a picture the like of which has never been shown.—Advertisement.
