It had come at last, this thing that Helen had been dreading for some time. She had felt that money troubles of some kind had been worrying Warren. for he had not been like himself. "Why, dear," she said, "why didn't you let me know before about it? I have been wondering what has been the matter."

Said Warren irritably. "What do you mean?"

A Graceful Jacket That Is All Made In One Piece

A Practical Little Garment That Every Woman Will Want. Have All Gone Since Taking

By MAY MANTON

8650 Dressing Jacket, One Size

Every woman feels the need of a little slip-on jacket that can be adjusted over the night gown if breakfast is to be taken before rising or which can be used in the room when one is chilly and for various other purposes of the sort. Here is one that is made of just one piece of material cut to form a circle but with a little opening at the neck. The edges are tied together at the front and also under the arms to form sleeves. It is the simplest thing in the world to make and the easiest to slip on and off and it is really ideal for the woman who is recuperating from an illness or who remains in bed until after the coffee and rolls are taken for it can be slipped on over the night gown without difficulty and it is thoroughly comfortable. In one view it is made of cashmere with the edges scalloped, in another, one of the pretty little flowered silks is trimmed with bee remedy for woman's ills. In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health - many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound: and in some cases that it has saved them from surgical operations. Cumberland Valley Railroad TIME TABLE In Effect May 24, 1914.

HAD ECZEMA SEVEN YEARS ON HIP

Also Ringworm on Hand, Could Not Sleep at Night. Itching and Burning. Cuticura Soap and Ointment Healed Hip Also Ringworm.

North Bend, Pa.—"I had the eczema for seven years also ringworm on my hand. The eczema was in a sort of rash and itched and burned when I scratched. It made an eruption and the clothing irritated the breaking out on my hip. I could not sleep at night and when I would get warm I suffered awfully with the itching and burning. The ringworm was in circles on my hand and scaly and if I used much soap or had my hands in water long it would get so sore the scales would come open and bleed.

"Then I used Cuticura Soap and Ointment. I bathed my hand in hot water with the use of the Cuticura Soap then dried my hand good and put the Cuticura Ointment on. I also washed my hip with the Cuticura Soap and warm water, then I took a thin cloth, put the Cuticura Ointment on it and laid it on my hip. Cuticura Soap and Ointment healed my hip also the ringworm on my hand." (Signed) Mrs. A. Elder, October 27, 1914.
