Wiconisco, Pa., April 5, 1915.

I hereby announce myself a candidate for County Commissioner on the Republican Ticket at the primaries in September next. I have been Justice of the Peace in Wiconisco Township since May, 1899, making a continuous term of 16 years, and was also Triennial Assessor of Wiconisco Township from 1905 until 1914. I would briefly say to the voters of Dauphin County that I have been very careful during my time as Justice of the Peace in the matter of costs by not returning cases to court whereby the county might be liable for costs. I always deem this important

upon an officer to prevent making costs if he can, as we all know that unnecessary costs mean unnecessary taxes. I believe in doing the best for the tax payers' interest; I believe in conducting the affairs of County in an Economic Way; I believe in just and fair dealing with all concerned.
In conclusion I would say to you who do not know me, that I was born and resided on a farm near Berrysburg, Dauphin County, until I was about twenty years of age.

Since that time I have been employed at the mines at Wiconisco, Pa. I am now fifty-two years old.

My official conduct and character as a man is open to

your investigation. If you see fit to support me at the coming election upon the aforesaid principles on which I stand, your support will be kindly appreciated.

Yours respectfully, CHAS. H. HARMAN.
