

### 150 BOYS WILL BE IN INGLENOOK CAMP

Many New Improvements Have Been Made by State Y.M.C.A.; Opens June 25

More than one hundred and fifty boys and young men from thirty Pennsylvania towns and cities will camp at Ingleook for fifteen days beginning June 25. The camp is conducted by the State Young Men's Christian Association, and is under the personal supervision of Albert M. Chesley, and a corps of young men from the associations represented by campers.

Some time ago the management announced that \$1,000 would be expended this year on permanent improvements. A motor boat has been purchased, equipment of bunkers for 144 campers provided, five new tents bought and the baseball field and tennis courts fixed up.

Following are some of the activities provided for the boys in camp. Boy Scout activities, swimming, swimming instruction, rowing, track and field sports, baseball league, fishing, sleeping in tents, good eating, volley ball, tether ball and quoits, tennis, entertainments, a boys' library, photography, evening camp fire and council, morning Bible study, hikes, nature study, mountain climbing, training course for leaders, camp paper, victrola, interesting talks, tutoring for ambitious boys, first aid to the injured, life saving.

Applications for the first week of camp should be made at the State offices of the Young Men's Christian Association in the Calder building, by next Saturday.

The following cities will have delegations at the camp: Jersey Shore, Hazleton, Coatesville, York, Pottsville, Washington, Hollidaysburg, Lancaster, Stroudsburg, Allentown, Titusville, Sayre, Wilkes-Barre, Warren, Williamsport, Lebanon, Renovo, Scranton, Carlisle, Somerset, Danville, Milton, Sunbury, Reading, Pottstown, Norristown, West Chester, Pittstown, Berwick, Germantown Bellefonte and Chester.

### CANTATA AT MECHANICSBURG

Special to The Telegraph  
Mechanicsburg, Pa., June 15.—On Sunday evening, June 14, a cantata of great beauty, entitled "Paradise Garden, Peace," by J. H. Maunders, will be given in the St. Paul's Reformed Church under the direction of W. A. Sigler, with Miss Elizabeth Snyder, organist, the chorus will be forty-eight persons and a string orchestra. The soloists are Mrs. J. V. Miller, soprano, and Albert B. Crawford, baritone. This will be one of the best musical events of the season, as Mr. Sigler is a musician of ability and has selected singers and cantata of high merit.

### MAY LOSE REMAINING HAND

Special to The Telegraph  
Elizabethtown, June 15.—William J. Hoffman is in a serious condition with his right hand swollen four times its natural size. While out walking several days ago he was bitten by an insect, and the swelling began to swell yesterday. Last Fourth of July he lost his left hand in an explosion of a cannon. The hand may have to be amputated.

### HURT IN RUNAWAY

New Holland, June 15.—While driving a team near Ephrata, yesterday afternoon Joseph Gondwa, was badly injured when the horses frightened and ran away. His left collarbone was broken, his head and face badly lacerated, and he may have internal injuries.

### WEDDING AT FLORIN

Florin, Pa., June 15.—A pretty wedding took place yesterday at the home of David M. Wolgemuth when his niece, Miss Bertha Eselman, was married to Charles S. Bless, of near Marietta. The ceremony was performed by the Rev. Peter Nissley.

### NEW TREATMENT FOR VARICOSE OR SWOLLEN VEINS

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Moore's Emerald Oil (full strength) of the pharmacist and use it to reduce the veins and banches at once. Physicians recommend Emerald Oil. It is used in hospital practice and a small bottle will last a long time, because it is very concentrated and a little goes a long way. Apply at night and morning with a soft brush as directed until the swelling is reduced to normal. It is guaranteed.

### RIGGS DISEASE IS CONQUERED

And soft, sore, spongy, receding gums return to a healthy condition and loose teeth become firm by the daily use of Gignoul's Astringent. For a small original bottle, it will last for weeks. Advertisement.

### Ease Your Feet

Most suffers from sore or over-aching feet have tried many remedies. But here is real relief—on the market for years—has brought many unsolicited testimonials.

### Mack's Foot Life

### COLD STORAGE ACT FOR NEXT SESSION

Governor Makes Suggestion in Acting on the Buckman Senate Measure Veto

As a result of Governor Brumbaugh's veto of the Buckman cold storage bill last night the act of 1913 remains in force, but it is probable that before long the governor will take steps to secure some discussion of the conditions which have been complained of by the trade with the State officials and endeavor to reach a way to secure a satisfactory bill next session.

The governor has given long consideration to the cold storage situation. It became known to-day, and was in consultation with all sides. He was given a plain statement from the official side with the views of attorneys and chemists and also heard from the cold storage people.

It is probable that steps to have a conference will be taken late in the summer and moves made for agreement upon a bill.

The governor said in his veto: "The purpose of food laws is to protect the consuming public, and to prevent fraud and deception in the sale of food products. These laws should make impossible the sale or offering for sale of decayed, decomposed or unwholesome foods. This bill, intended by its framers to accomplish only good is protested by many consumers and by the dairy and food division of the Department of Agriculture. The present law applies to cold storage plants where products are kept thirty days or more. The present bill changes this to sixty days, enabling foodstuffs to be in storage 63 days and not to count as cold storage food. This would not work to the good of the consuming public. This bill does not require the retailer to label cold storage products. The public, under the law, do not find such products labelled. This would open the way for the sale to an unknown public of the very sorts of food products that food laws are designed to prohibit."

The Governor also objects to the provision giving the commissioner authority to permit the extension, saying it is too much power for any individual. He says that the present law may be drastic. "If so, and it works any injustice to legitimate dealers and companies engaged in this important storage business the proper course is to get together and keeping in mind the purposes of cold storage laws and the welfare of the public, make such amendments as all parties in interest may, with those to whom is committed the important duty of safeguarding the people, agree wise and proper. Such a bill would be at the next session. It would be a solution of a very vexing and difficult problem."

### STATE WILL GAIN ROAD MATERIALS

Public Spirited People Offer 40,000 Barrels of Cement and Probably Much Stone

The cement industries of Eastern Pennsylvania and public spirited citizens in Lehigh and Northampton counties have entered into an agreement with the State Highway Department to furnish sufficient cement to build a road twelve miles in length, running from the borough line of Allentown to the borough line of Bethlehem and continuing from the borough line of Bethlehem to Easton. According to the estimates of the State Highway Department, this will require upwards of 40,000 barrels of cement. Plans are under way also to have these citizens furnish, in addition, the amount of stone which will be necessary to construct this improved highway.

A conference was held late yesterday afternoon in the office of State Highway Commissioner Cunningham, at which Col. H. E. Trexler, Congressman H. J. Steele, H. R. Fehr, president of the Lehigh Valley Transit Company, G. S. Brown, president of the Alpha Portland Cement Company, William B. Myers, representing the Bethlehem Steel Company and Senator Horace W. Schantz, presented the offer of the Associated Cement Companies and the citizens of that district.

The proposition was made that the State Highway Department do the necessary grading and pay the expense of such engineering changes as might be necessary and build the road. A letter was drawn up to the commissioner pledging the cement industry to furnish 40,000 barrels of cement, or such part thereof as might be needed for use on the road. Another letter was drawn up pledging the Lehigh Valley Transit Company to furnish \$1,000 worth of transportation for the freighting of the cement. Col. Trexler and the other members of the delegation agreed to take up the project of furnishing the necessary stone and promised to advise Commissioner Cunningham of this at an early date.

Mr. Cunningham also received a delegation from the borough of Muncy, in Lycoming county. The delegation, which consisted of Charles Metzger, president of the Borough Council, Robert K. Reeder, the Burgess, F. M. Sprout, and County Commissioner O. C. Brass, sought to have the State Highway Department begin work on a State-aid Highway running through Muncy. After some discussion the delegation was asked to return home and to decide among themselves which end of the proposed highway they would rather have done first as the appropriation of State-aid money for Lycoming county is insufficient to permit of the entire amount being done.

### Lemoyne Young Couple Go to York to Be Married

Lemoyne, Pa., June 15.—Trying to surprise their friends by eloping, Miss Jennie Baker and Walter McCormick left early last Monday morning for York, where they were married at the home of Mr. and Mrs. George Spangler. The ceremony was performed by the Rev. E. L. Manes, pastor of the local Trinity Lutheran Church. The couple returned home late Monday night and yesterday their wedding was announced.
