SUPT. FRIEDMAN CONTRADICTS CLERK

Testimony of Former Officials of Carlisle Indian School Con- flicts in Court Trial

Special to The Telegraph
Williamsport, Pa., June 17.—Whether J. G. Nori, an Indian, or Dr. Moses Friedman, former superintendent of the Carlisle Indian School, told the truth on the witness stand is the question that a jury will have to decide in arriving at a verdict in the charges of graft brought against Dr. Friedman. All evidence was in when court adjourned last night.

Nori pleaded guilty to embezzlement and destruction of Government documents and then took the stand as the principal witness against the former superintendent of the school. He declared that he began tampering with vouchers and other public documents only after the advent of Friedman as superintendent and said he had destroyed certain receipts at Friedman's direction.

Judge Witmer, however, drew from Nori a statement that Friedman had access to the safe and had destroyed the destruction of the papers he could have destroyed them himself and was not compelled to ask Nori to do it. When the Government closed, Senator Beldeman, counsel for Friedman, moved for binding instructions to the jury to acquit the defendant, but the motion was denied.

When Doctor Friedman took the stand this afternoon he strongly denied all charges of wrongdoing. He described at length the business methods of the school and his duties as superintendent. He declared that he had refused to sign vouchers made up by Nori, the Indian chief clerk, until they were carefully checked.

STOP THE MISERY OF INDIGESTION

A Temperance Remedy That Ends Soreness, Belching, Heaviness, Heartburn and Dizziness.

Franklin, Pa.—"I suffered a long time with stomach trouble and the medicine I took did me very little good. I had severe pains in my stomach and didn't relish my food. I saw Dr. Pierce's Golden Medical Discovery advertised and got a bottle. It was just the right medicine for my case. This one bottle was all I needed to overcome my trouble. It completely and permanently cured me. That was one year ago and I have had no return of the trouble."—Mrs. B. WILHELM, 1154 Otter Street, Franklin, Pa.

Dr. Pierce's Golden Medical Discovery has been so successful in the treatment of indigestion, that thousands of former sufferers right here in Pennsylvania owe their good health of to-day to its wonderful power, and testimonials prove it.

It arouses the little muscular fibres into activity and causes the gastric juices to thoroughly mix with the food you eat, empty because it supplies the stomach with pure, rich blood. It's weak, impure blood that causes stomach weakness. Get good blood through the use of Dr. Pierce's Golden Medical Discovery, and you will have no more indigestion.

Start to take it to-day and before another day has passed, the impurities of the blood will begin to leave your body through the eliminative organs, and in a few days you will know by your steadier nerves, firmer step, keener mind, brighter eyes and clearer skin that the bad blood is passing out, and new, rich, pure blood is filling your veins and arteries.

Dr. Pierce's Pellets regulate and invigorate stomach, liver and bowels.
