WEST END A. C. WINS IN GAME AT HALIFAX

Winter Scores Shutout Victory, Allowing but Four Hits; Boss Stars at Second

The West End A. C. trimmed Halifax yesterday, score 4 to 0. Winter was the star, holding the Dauphin-Perry leaguers to four hits. The game was played at Halifax and was called at the end of the seventh inning on account of darkness.

West End put up a perfect game, hitting the ball in bunches in four innings. The fielding of the locals was fast and at times sensational. Boss put up a great game at second. Poffey and Schroyer were Halifax stars. The score:

Nicholls Leads Stars in Golf Championship

GILBERT NICHOLLS.

Short Hills, N. J., June 17.—There was no questioning the quality of golf shown yesterday by the leaders in the 36-hole qualifying round for the annual open championship of the United States Golf Association over the Baltusrol links. Thirty-two men qualified from the first half of the big entry yesterday, when the best medal score was 151, made by Francis Ouimet, the national amateur champion from Massachusetts.

The three leaders today, Gilbert Nicholls, Wilmington, Del., 147; Jas. M. Barnes, Whitmarsh Valley, Pa., Western open champion, 149, and Jack Dowling, Scarsdale, N. Y., 150, are all professionals. A glance at their place of prominence he occupies in the eligible championship list. Nicholls, who recently won the open tournament at Shawnee, Pa., made the morning round in '72, the best score of the week.

BIG GAME AT LEMOYNE.

Second Battle Between Married and Single Men Tomorrow.
The second of a series of games between the married and single men of Lemoyne will be played tomorrow night. These games are scheduled for Thursday evening of each week, but in order to get the regular teams lined up the game was changed until tomorrow. The first game played last Thursday resulted in a tie score of 5 to 5. Darkness prevented a finish. All business places at Lemoyne will close one hour earlier tomorrow evening for this game.

EASTERN ATHLETES WILL GET EXPENSES

A. A. U. Decides to Finance Trip to 'Frisco in August; Trial Events Next Week

New York, June 17.—A rearrangement of plans for the junior and the senior track and field championships of the Amateur Athletic Union, to be held in connection with the Exposition in San Francisco on August 6 and 7, made necessary because of the long distances that a majority of the athletes will have to travel, was decided upon here at a conference of the Championship Committee of the A. A. U. Originally the management of the Exposition had planned to provide for all expenses for the track athletes, but a reckoning of the heavy cost caused the A. A. U. to be appealed to.

Frederick N. Rubien, secretary-treasurer of the A. A. U. and chairman of its Championship Committee, announces after an executive session of the committee that it had decided to come to the relief in defraying expenses of the men. He said that the organization will send to the Exposition about 25 men from the East, 25 from the Chicago section, and about five men from the Pacific Northwest and Intermountain Association. These men will be selected after the Eastern try-outs at Boston on June 26, when the regular events will be run off, and after the Middle Western try-outs in Chicago on July 17, where the same number of events also will be held.

For the swimming championships the A. A. U. probably will transport 100 men to the Exposition, it was announced. In the swimming events there will be about 12 men sent by the A. A. U., New York and Chicago will contribute four men; St. Louis one, and the remainder of the country three or four.

AWAIT DECISION FROM NEWARK FOR LATER INDEPENDENT GAMES

Three Teams Hold Open For Harrisburg on Saturday; Plan League Game For Harrisburg at Intervals

No game has been scheduled for the Harrisburg Independents on Saturday. Three teams are holding open, pending the decision in the Newark deal. If the International league team is transferred to Harrisburg, every effort will be made to have the opening game played here either Saturday or Monday. Manager J. Harry Messersmith has a strong attraction in readiness and will make public tomorrow his plans. A move is now on foot to give Harrisburg more league baseball. Arrangements may be made to have nearby league teams play games in Harrisburg at intervals.

AMUSEMENTS

PAXTANG PARK

Probably no vaudeville act that has ever played Harrisburg has been the cause of so much speculation and comment as The Rajahs, a Hindoo mystery stunt now playing the theater at Paxtang Park. Madam Rajah sits on the stage blindfolded while her partner passes through the audience. All manner of articles in the possession of people in the audience are named and described on the stage without any apparent aid from the partner in the auditorium. You may pick the name of a musical selection from a list of 2,000, printed and read to a partner in the auditorium. You may work in the audience and the East Indian woman will play it for you immediately, although she is blindfolded and no word is spoken by her partner. On Friday evening the Rajahs promise an unusually interesting demonstration of their powers in mysticism. Madame Rajah promises to give a satisfactory answer to any question that any member of her audience may put to her. If you have lost any articles or if you wish to locate a missing person, if you doubt the truth of any statement that has been printed in a variety of interest seldom seen in a photoplay.

Beginning next Monday King Kelly will play at a variety of interest seldom seen in a photoplay. He always gives each audience a few real thrills when he does his famous parachute jump, and the public never seems to get enough of the Kelly brand of entertainment.

"THE LOVE ROUTE" THIS AFTERNOON AND EVENING AT THE REGENT

An elaborate four-part film adaptation of the noted romance of the ranch and the railroad. The Love Route, by Edward Peple, author of the current comedy triumph, "A Pair of Sixes," is one of the greatest novelty motion pictures ever produced on the screen, will be shown at the Regent this afternoon and evening. The carefully selected cast includes Harold Lockwood, Winifred Kingston and Donald Crisp. This novel feature, combined with a very actively chosen music and a tender romance that is interwoven with the more forceful action of the plot, gives the subject a variety of interest seldom seen in a photoplay.

NEW BILL AT COLONIAL TODAY

Gillette's Monkeys, a family of wonderfully trained animal actors, will be seen at the Colonial Theater the remaining three days of the week. While there are many acts of this kind on the vaudeville stage, none has reached the point of perfection that this act has. There is a laugh in everything that the monkeys do, and the George Arvine Players will present a comedy sketch. Frank Terry is a clever singer and dancer, a topic of the moment Friday "Du Barry," a Kline production in six parts, featuring Mrs. Leslie Carter. The gown worn by Mrs. Carter in the scene where she is introduced at Court, cost \$1,500.—Advertisement.

"THE JUGGERNAUT" TODAY AND TOMORROW AT THE VICTORIA

Two young men—one the brilliant son of poor parents—the other the disolute heir of a great railway king, become friends at college. One thinks he has accidentally killed a drunken rowdy in saving the other's life. They two only know this secret. Both fall in love with the same girl—who marries the rich boy only after his chum has withdrawn from the race because of his poverty. Years later one becomes president of his father's old railroad—the other a high-sous, fearless district attorney. Both again worship the same girl—daughter of the old sweetheart of both—one with a father's deep affection; the other because she is her mother's counterpart.

The district attorney bitterly attacks the railroad in the courts. His former chum threatens to expose him as a murderer. And now—imagine the girl on a train approaching a bridge which can't possibly stand its weight. Both men know this. Both are rushing madly by automobile and motor boat to intercept it. You see all this. See the girl's sweet face at the window of the flying train—feel the swaying of the automobile as it skids desperately around sharp turns—and the bounding of the motor boat slashing through rough waters.

Both men and the train come crashing into the picture at the same instant—too late! For a moment that seems an eternity, you feel yourself sitting alone almost under the tottering trestle as the enormous engine—a mass of whirling steel—leaps thundering and quivering into the empty air and falls shrieking to the swirling river. The bog coaches crumple like cardboard before your eyes and pile themselves up on the wreck—their passengers floundering and struggling in the debris. Again you see the girl—Again her father!

BASEBALL FOR MECHANICSBURG

Harrisburg Fire Companies Will Play Series of Games. Special to The Telegraph.

Mechanicsburg, Pa., June 17.—The following baseball games are scheduled to be played here: This evening the Mechanicsburg High school team of 1914 which won the school championship of the county last year, will play the Churchtown team on the Athletic grounds, at 6 o'clock. On Saturday afternoon at 3 o'clock the Rescue Fire company vs. Hummelstown; on Wednesday, June 23, at 6 o'clock, the Washington Fire company vs. the Washington Hose company of Harrisburg; Wednesday, June 30, at 6 o'clock, the Washington Fire company vs. the Allison Fire company nine of Harrisburg.

Owed U. S. Twenty Cents "For Bacon and Eggs"

Special to The Telegraph. Washington, June 17.—The Secretary of War has received from Chicago a letter inclosing 20 cents in stamps with the statement that the sum is inclosed "for bacon and eggs." Mr. Garrison could not recall the transaction so he turned the letter over to the Treasury Department, where the 20 cents was added to the "conscience fund." It is supposed that a retired soldier during his term of enlistment ate more than the law allowed and that he now compensates the Government for his meal.

The conscience fund, which in reality has a separate existence only on paper, has been growing slowly since President Madison's Administration, when a contribution of \$5 was received. These contributions now total nearly \$500,000. The money is really turned into the General Fund and is used for the ordinary expenses of the Government.

YALE LOSES FINAL GAME.

Special to The Telegraph. Princeton, June 17.—Yale and Princeton brought their baseball series to a close at the Polo grounds yesterday afternoon with the third hard-fought game. Score, 4 to 3.

Yale had the lead twice and Princeton twice and the third time the Ellis went to the front they stayed there. Way managed the wet ball so as to make the Princeton hitting at considerable distance from itself. His support was good.

GERALD SNAVELY'S BIRTHDAY

Special to The Telegraph. Mechanicsburg, Pa., June 17.—Gerald Snavely entertained a number of friends last evening at a party on the lawn in honor of his twelfth birthday. The young people had a merry time playing games. Refreshments were served to the following: Etta Miller, Elizabeth Spangler, Isabel Hummelbaugh, Miriam Orris, Valeria Herberman, Melva Herschman, Mary Hall, of Harrisburg; Leonard Hinton, Royer Weise, Robert Wise, Samuel Fetor, Robert Berkheimer, John Bentz and Gerald Snavely. Many beautiful gifts were received by the young host.

CHAMPION WILLARD OUT FOR SUFFRAGE

Believes Women Are Men's Equal; Wife Votes in California; Need Common Sense

Special to The Telegraph. Pittsburgh, June 17.—Jess Willard, champion of the world, and the best-liked man who has ever held that honor, because he is as clean and fine morally as he is physically, is also a champion of woman suffrage.

"Certainly I favor suffrage for women," he said, when asked to-day what he thought of the big question now before the voters of Pennsylvania. "I believe that woman is man's equal in mentality, at least. And if a man is bright and wise enough to know how to cast his ballot, why shouldn't a woman be so?" The big fellow asked the question in a manner that indicated there was only one answer.

"Out in California, where I live when at home," he continued, "we have woman suffrage. My wife is registered among that State's voters. And there the women's vote has accomplished much that was left undone when only the men had a say in making the laws.

"The question of women's votes is not, in my opinion, a serious problem. I think the application of a little bit of every-day common sense would leave no difficulty in the way of granting women the franchise."

Christy Mathewson

Famous Baseball Pitcher, says:

"Tuxedo gets to me in a natural, pleasant way. It's what I call good, honest, companionable tobacco—the kind to stick to."

Tuxedo Keeps You In Good Trim

Christy Mathewson, lovingly known as "The Old Master," is probably the greatest pitcher baseball has ever known. This wonderful athlete is noted for his clear-headed common sense, his quick wits, perfect physical condition, and absolute control over his nerves. His use and endorsement of Tuxedo prove that this inspiring and healthful tobacco is helpful to mind and body.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

just sort of oozes its gentle way into your life and suddenly you realize its powers for good—because it puts peace in your mind and a happy taste in your mouth. Tuxedo's flavor is so enticingly mild and delicately fragrant it will not irritate the most sensitive throat.

All the bite and sting have been removed by the famous "Tuxedo Process." This exclusive process of refining the very best Kentucky Burley tobacco has been widely imitated, but without success.
