### Have to Use Artificial Light in Middle of Year's Longest Day

This was the longest day of the year. It was dark, however, at 2 o'clock and lights were needed in all office buildings, stores and manufacturing plants in the city.

The darkness was due to a heavy rainstorm which passed over the city between 2 and 2:30 o'clock. When the storm subsided the skies became bright again. The scheduled time for the setting of the sun to-day is 7:36 this evening.

### Death and Divorce Can't Overshadow "First Love"

Death and the divorce court couldn't quite overshadow the fact that years and years ago when both were childish sweethearts living in adjacent homes, Andrew R. Gemmill and Mary Frey, both of York, believe they are really "intended for each other." So they smilingly explained this morning in the Dauphin county marriage bureau when they applied for a license.

They are whether or not, their first wife and husband having died respectively, in 1900 and 1901. But that isn't all, the pair were married before and were divorced in June, 1912.

## FIREMEN AGAINST FAMOUS 'JAG LIST'

### Citizen Fire Co. Vigorously Protests Against Liquor Dealers in Council Today

Vigorous protest against the action of the Dauphin County Liquor Dealers' Protective Association in placing on its so-called "jag list" the name of a "little red-headed fellow who loafs around the Citizen Fire Company house," was filed with City Council this afternoon by the Citizen company.

The "jag list" is a long table of names of persons of such intemperate habits as to place them under the ban of liquor dealers and hotelkeepers and the firemen naturally resent the imputation that they permit a man of such character to loaf about the firehouse.

The letter which was sent to Council by President Charles P. Meek, of the company, enclosed a copy of the resolution which the organization adopted on the subject.

"We feel," states President Meek in his letter, "that an injustice has been done the Citizen Fire Company in placing its name on the jag list. It is a violation of a strict law of the fire department in relation to drinking about the firehouses or permitting intoxicated persons to loaf there."

The resolution states that "among the names on the said list is one described as a little red-headed fellow who loafs at the Citizen engine house."

"And it," continues the resolution, "the company is not composed of men of such condition that they must be advertised, neither do we allow drunkenness around the engine house nor allow any person to loaf around that is in such shape or condition that is not responsible for his own good."

The resolution concludes by condemning the liquor dealers' organization in no uncertain terms for their action.

### May Recall Permits Issued to Newsboys as "Curfew" Exceptions

Permits to boys who work at night, to remain in the streets after curfew hours, may be recalled by Mayor John K. Royer. His Honor conferred with City Solicitor Daniel S. Seltz late this afternoon as to the legality of these permits. The Mayor was notified to recall them if the permits were in violation of present child labor laws.

The present State laws prohibit any boy under 16 years of age, or girl under 14 years, to work after 9 o'clock at night.

Permits issued by Mayor Royer to date were to newsboys selling editions of Philadelphia papers. The curfew ordinance provides permits for legal employment only. What Mayor Royer desires to know is whether selling newspapers, or running errands at night is considered legal employment.

Whether or not, the permits he issues, can be interfered with by the State Department of Labor and Industry.

### New Concrete Method in Building New Sewers

Concrete construction of a type that has never been tried out in Harrisburg before will be followed by City Commissioner W. H. Lynch in the building of the proposed new 48-inch drain in the Thirteenth ward, contracts for which were approved this afternoon by City Council. The sewer, which will extend in Rudy, Spencer and DeLancey streets, will be circular in shape and will be built in quarter-segments. The contract was awarded to M. M. Sheeley & Sons of Johnstown, at that city's bid of \$7,638. The contract for building the Nineteenth, Spencer and Hillrup street drain was let to Henry Opperman for \$1,492. The Cameron street sewer will be built by John A. Stricker for \$224.

The contract for furnishing the new five-ton steam roller for the asphalt plant was awarded to the Buffalo Steam Roller Company at its bid of \$1,675.

### HORSE'S KICK CAUSES DEATH.

Special to The Telegraph  
Lewisberry, June 22.—Charles Bower of Elizabethtown, son of Mr. and Mrs. George Bower of Lewisberry, was recently kicked by a horse which broke his neck. He was taken to the hospital at Lancaster, where his foot was amputated, and he died on Saturday morning from blood poisoning. His parents and two aunts, Miss Sue Miller, of Lewisberry and Mrs. Frank Miller of Harrisburg, were at the hospital when he died. He was 35 years old and is survived by his widow, who was Miss Mary Beaman of Dillsburg and five children, also a sister, Mrs. Jacob Zimmerman of near New Cumberland.

### MELANCHOLY WOMEN

Women should understand that melancholy, commonly called the "Blues," is in nine times out of ten a pure symptom of some organic derangement which should have attention. For nearly forty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for such conditions, as proved by many testimonials which we are constantly publishing from women who have been restored to health by its use.

### HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE AND RELIABLE WAY

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, helps digestion and is designed to consume the excessive fatty tissue by increasing the oxygen-carrying power of the blood. Even a few days' treatment should show a noticeable reduction in weight, footsteps become lighter, your work seem easier and a lighter and more buoyant feeling take possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial, there is nothing better.—Advertisement.

### Genuine Prescription For All Rheumatism

Satisfaction Guaranteed or Money Back, Says H. C. Kennedy

Rheuma—that is the name of the scientific prescription that is putting old rheumatism out of business. Rheuma cures by driving the uric acid from the blood. It also acts directly on the kidneys and is better for them than most so-called kidney cures.

Porter Smith, Dobbin, W. Va., writes: "I have been a great sufferer from rheumatism for about 26 years. The disease had become chronic. I began taking Rheuma with little faith in its virtues, but was better from the first day I began its use, and at this time have no more pain."

H. C. Kennedy and all druggists sell Rheuma, and no rheumatic sufferer can afford not to use it. 50 cents a bottle. Your money back if not satisfied.—Advertisement.

### COUNTY REMAINS DRY

Tioga Judge Refuses a License Returned After an Appeal

Special to The Telegraph  
Wellsville, Pa., June 22.—In the Tioga County License Court yesterday the test case of J. W. English, of Nauvoo, which was taken to the Superior Court and sent back for a rehearing, the license was refused by Judge Cameron for lack of necessity. This is the third time this year that Judge Cameron has refused this license. The other twenty-seven cases are still in the Superior Court.

### BURIED AT DUNCANNON.

Special to The Telegraph  
Duncannon, Pa., June 22.—On Sunday the body of George W. Foster, who was accidentally killed in the mines at Lykens on Thursday evening was brought here Sunday morning and services held in the United Brethren church. The Rev. J. T. Kotter, the pastor, officiated. Burial was made in the United Brethren cemetery.

### Operation Not Needed

Mrs. W. A. Barnes, who lives in Ballard, Calif., has sent to the Pinus Laboratories a very strong endorsement of Fruitola and Traxo. In her letter, Mrs. Barnes says:

"Doctors say gall-stones cannot be cured without an operation, costing much money as well as unnecessary suffering. I am cured, I know, and this is proof positive, and my friends know that such is the case."

Fruitola is a powerful lubricant for the intestinal organs, softening the hardened particles that cause so much suffering and expelling the concrete waste in an easy, natural manner. A single dose is usually sufficient to clearly indicate its efficacy. Traxo is a splendid tonic alternative that acts on the liver and kidneys, stimulates the flow of gastric juices to aid digestion, and removes bile from the general circulation. Traxo should be taken three or four times a day following a dose of Fruitola to strengthen and restore the weakened, run-down system.

For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading drug stores. In Harrisburg, Traxo should be taken three or four times a day following a dose of Fruitola to strengthen and restore the weakened, run-down system. P. R. R. Station.
