## BLUE RIDGE RACE SHOWS FEW CHANGES

### Hagerstown Moves Into Third Place; Frederick Leads With Big Margin

Special to The Telegraph  
Hagerstown, Md., June 26.—By winning two games, Hagerstown Blues are able to maintain third position to which they have advanced from the cellar in the Blue Ridge Baseball League.

The Blues have been playing better baseball since their return from a circuit of the Pennsylvania towns and the team has been further strengthened by several new players.

Pitcher Allen Boyd, recently bought from Fort Howard, reported for duty yesterday, while Gobel, another twirler, has been added to the staff. Manager Joe Laughlin has signed Johnny Troy, a second baseman, who was with the Portsmouth team of the Virginia League last season. Cook, a new right fielder has been in the last two games and showed up well, while Freney, the new first-sacker from the St. John's College team, is doing brilliant work.

**Secure Varsity Pitcher**  
Eddie Phillips, the Susquehanna University catcher, claimed by Hagerstown and Chambersburg, has been surrendered to the Maroons. Gettysburg has a new pitcher in Burns, who held Hanover to six hits in the last game.

The Chambersburg Maroons have lined out for several new players, including a pitcher, Eddie Moore, an infielder, will report at once from Claremont, N. H., and Raymond Hanks is due to join the team to-day.

Frederick is still leading the league with 18 games won and 4 lost. Hanover is second with 13 games to its credit and 11 lost. Hagerstown and Martinsburg are tie for this honor.

## Cobb's Average Tumbles; Crawford Best Stealer

Special to The Telegraph  
Chicago, June 26.—Ty Cobb has allowed his batting average to slip below four hundred for the first time since he gained the leadership of the American League this season. He maintains his place in front in his circuit.

The batting slump Jake Daubert suffered in the recent Chicago series lost the Brooklyn star first place in the National to Fred Luderus of Philadelphia. Lee Magee once more leads the Federal League, having gone ahead of Vincent Campbell.

Chicago leads Nationals in team batting and Detroit the Americans. Crawford has 115 stolen bases and Cobb 113.

## Lumber Quality Or Price

Lumber should be bought on a quality and service basis.

The first cost of good lumber is a little more than for poorer grades.

"Cheap" lumber means "cheap" quality—and usually ends in trouble.

Lumber full of knots, sap and that is not solid, etc., will quickly begin to rot.

We shall be pleased to advise you the kind to buy for the work you intend doing.

## PENNSYLVANIA RAILROAD MOTIVE POWER TEAM OF HARRISBURG

Unless interfered with by rain, the game at Paxtang Park field this afternoon between the Harrisburg Motive Power team of the Pennsylvania Railroad and the Pennsylvania Railroad representatives from New York, promised a battle royal. Neither of these teams have lost a game this season. Winners in the Motive Power Department race will pull down the championship of the Pennsylvania Railroad system east of Pittsburgh and Erie. Harrisburg's aggregation has been making good, putting up a fast game. In the above picture are the following players, all of whom are employees of the Motive Power Department:

Reading from left to right—back row: Runk, official umpire; Mike Friel, manager; Hoover, second base. Middle row: Marks, catcher; Nelly, right field; Householder, utility; Brackenridge, first base; Williamson, left field. Front row: Rothbar, catcher; Gray, shortstop; Garverich, pitcher; Gulley, centerfield; Gerdes, third base.

## YALE'S CLEAN SWEEP MAKES NEW HISTORY

### Bulldog Determination Brings Victory to Blues; Change Upstream Record

New London, Conn., June 26.—For the first time in many years Yale University crews swept the river in the annual duck regatta with Harvard yesterday. Notwithstanding delays due to rough water and accidents, the English-coached eight of the Blues, with characteristic bulldog determination, fought for victory from early forenoon until dark, defeating in turn the Junior, Varsity and Freshman eights of the Crimson.

Victory was exceedingly sweet to the Blues, for the intervarsity regatta records have to be searched for many years to find a Yale triple victory, although similar Harvard successes are of more frequent and recent occurrence. To add to the joy of the Blues, the Varsity eight established a new upstream course record in winning the big race.

That the Blues had a crew of particular power and finish is shown in the figures of the four-mile race, where the Yale oarsmen set their own pace, and in so doing established a new upstream record of 20 minutes 52 seconds, beating the time made by Yale eight of 1:07 by 18 seconds. The time of both crews in to-day's race by miles follows:

One mile—Yale, 4:40; Harvard, 1:45.  
Two miles—Yale, 10:15; Harvard, 10:15.  
Three miles—Yale, 15:27; Harvard, 15:39.  
Four miles—Yale, 20:52; Harvard, 21:13.

Beginning Monday we will show the SALISBURY WILD LIFE PICTURES. These animated records of our fast disappearing wild life are beautiful and are the results of over three years spent in the western wilds searching for nature subjects and adventures to record with the moving picture camera.

They have been presented to the public but for variety, clearness and fidelity the Salisbury series excel. Not only are they instructive but wonderfully entertaining as well. Practically no phase of our wild life has been neglected in the assembling of this collection of records of our furred and feathered creatures.

Luther Burbank says after witnessing the pictures: "Few of us can study the life of nature's creatures, but by these pictures every one can study their habits more thoroughly perhaps than most of us could in half a life time."
