

Inning; Many Sensations

Scores of Pennsylvania Railroad employes went to work last night without supper. Some did not even without supper. Some did hole even have a chance to get home for their working clothes. It was all on ac-count of a thirteen inning baseball game at Island Park. The Motive Power team played a star aggregation from Lucknow League, and won out score 6 to 5. nours. The Mutual Denential As-sociation band added to the enthusiasm with lively selections. Garverich and Gilday were the stars. The Motive Power team had Garverich. He had the goods, keeping hits well scattered. There were errors back of him that helped in running up up a score. He fanned ten men. Mc-Closky went into the game after Lucknow had tied the score in the minth. He pitched effective ball until the thirteenth inning. In the final round Pendergast fanned Marks singled, Nelley sacrificed him to second and he scored when Hoover drove out a timely clout. Zeigler, Lutz sind Murphy starred for Luck-now and Garverich, Gerdes and Hoover for Motive Power.

The Harrisburg Indians in making their bow to Harrisburg fans to-mor-row will start a real fight for cham-pionship honors. At present Provi-dence is leading the league, but does not have a cinch on the race. The Indians have been on the road for ten days. When they left Newark, Man-ager Eddie Zimmerman told the play-ers to give up their boarding places. That Harrisburg Internationals have a chance for the pennant is the opinton of every sporting writer on the circuit. Here is what Harry Sandager says in the Sporting News under a Providence, R. dence in the memory of the oldest fans. "The Newark club does not seem to have actually changed hands, after all. It appears that the Ebbets still own the club, and have merely put in Mcdicus and Solomon as agents. This story is officially denied, but persons on the inside declare this to be a fact. Perhaps this belief has handicapped the club, as the Brooklyn owners, de-splite the fact that they gave the town a pennant in the 1913 season, are not popular.

a pennant in the 1913 season, are not popular. 'Newark is not the only city in the Barrow wheel which is not drawing well, however. Jersey City and Rich-mond have had disappointing attend-ance and Montreal and Toronto folk and people of nearby towns in Canada are too absorbed in war to give Inter-national baseball its proper attention. Providence is drawing far better than any other town, and for good reason, of course. Buffalo is doing fairly well ard Rochester may pick up on its next series of games at home."

Here is what Harry Sandager says in the Sporting News under a Providence, R. L. date: Indians a Good Team "The Indians are a good enough club for any town, in my estimation. The only reason I can account for their low standing is that the players have been dispirited by the lack of support at home. No club in the International has a shortstop whose work approaches that of Mowe, and Clarence Kraft is one of the hardest sluggers that has ever been seen in Providence, not even barring the big leaguers. A week ago, when Newark beat Providence, b to 7, Kraft, with two homers, batted in three runs and scored two himself. The first blow cleared the 24-foot fence in left field, the first time this feat has ever been accomplished. It was the longest drive seen in Provi-dence in the memory of the oldest fans. waukee, was given a pink slip yester-day. Shamrock will play the Pennsylva-nia Railroad Elects a twilight game to-night. The game scheduled between New Cumberland and Lemoyne for this evening has been cancelled. Hummelstown defeated Wormleys-burg vesterday; score, 2 to 1. Hassler pliched a good game for Hummels-town. Joe Chabek is coming back to Har-risburg. Baseball fans were ready to cele-brate last night when they heard the good news.

JAPANESE BANDAGE WIDELY USED N EUROPEAN WAR

USED N EUROPEAN WAR The triangular bandage first intro-duced by the Japanese during the Russo-Japanese war is now being widely used in the European war. It has been found that bandages of this type are suitable for binding up wounds in any part of the body and that one can be carried by each sol-dier without inconvenience. The Ger-mans improved it by printing on the bandage itself in sterilized ink, va-rious figures showing how it is to be applied. The British war office then adopted the idea, and every British soldier now carries one of the printed bandages in a special pocket of his tunic. This bandage is often applied without assistance by the wounded soldier. A picture of the bandage is a feature of the July Popular Mehcan-ics Magazine Forry's, 3d Near Walnut
