## STEELTON ENDEAVORS HOLD BUSY CONVENTION

### Urge World Peace and Local Opinion; Elect the Rev. F. E. Moyer, President; Other Officers

Seventeen delegates from all sections of Dauphin county attended the annual convention held at Highspire yesterday afternoon and evening.  
The "Christian Endeavor Standards" were discussed and much stress and enthusiasm along that line was emphasized for the coming year.  
At the banquet held in St. Peter's Lutheran Church Charles W. Black, ex-president of the Dauphin County Christian Endeavor Union, presided. Speeches were made by the Rev. G. N. Lauer, Steelton; the Rev. J. Stanley, pastor of the Lutheran Church, Fishersville; the Rev. A. Rhoads, pastor of the United Brethren Church, Highspire; the Rev. A. E. Hagen, pastor of Park Street United Evangelical Church, Harrisburg; and the Rev. E. E. Curtis, chairman of the general convention committee, Harrisburg, 1915.  
Seventeen rallies and many societies were visited and enthusiasm stirred by the ex-president and officers during the past year.  
Resolutions were adopted endorsing Governor Brumbaugh for his stand on local option, also President Woodrow Wilson for his high ideals and standing world-wide peace. A telegram was sent to the Rev. F. E. Clark, D. D., of Boston, who is ill with typhoid fever.  
The union Christian Endeavor chorus, under the direction of Miss Sylvia Cover, Highspire, rendered excellent music. A quartet composed of John Whittle, William White, Zelma Leidig and Mae Bomberger sang a selection.  
Two excellent addresses were delivered by Mrs. John DeGray, of Harrisburg, "A Message of Prophecy," and the Rev. A. E. Hagen, pastor of Park Street United Evangelical Church, "The Program for Efficient Christian Endeavor" at the session last evening, held in the United Brethren Church.  
Following are the officers elected for the ensuing year: President, the Rev. F. E. Moyer, Highspire; vice-president, John E. McCullough, Harrisburg; secretary, Miss Edna Hoover, Harrisburg; corresponding secretary, Miss Margaret Beshore, Steelton; treasurer, Charles R. Bartley, Harrisburg.  
District vice-presidents: First, Oliver S. Rowe, Middletown; second, William C. Hoy, Millersburg; third, J. E. Martin, Harrisburg; fourth, Charles McCoy, Steelton; fifth, F. S. Moore, Hershey; seventh, A. F. White, Pennington.

### CHIEF MARSHAL MEETS AIDS THIS EVENING

#### Will Issue Final Instructions For Big Independence Day Parade; Plan Special Police

Final arrangements for the big street parade that will feature Steelton's Independence Day celebration, Monday afternoon, will be completed this evening.  
Chief Marshal Hugh Smith will meet with his aids in the City Fire Company's parlors this evening at 7:30 p. m. At that time final instructions will be issued for the paraders.  
To-day decorators began to rush their evening order to the big hall. The paraders and private residences decorated before Sunday. Practically every store-keeper and business man in the borough as well as many private citizens are arranging elaborate decorative features.  
Chief Burgess Fred Wigfield announced this morning that arrangements were being made for special police protection during the celebration. The police force will be doubled. Patrolmen already appointed for this special duty are Jacob Murphy, Chester Waller, Samuel Prowley and David Gilger. Two more patrolmen will be appointed for this one day.  
Baseball fans were not only introduced to many big stars in this afternoon's game, but had an opportunity to see a number of Tri-State stars working with the big fellows. Three players were given an ovation when they came to the bat. Eddie Zimmerman, once a popular third baseman on the Harrisburg team, now manager, was cheered loud and long. He also received a big bunch of flowers. Then came Joe Chabek, who was not forgotten. Jim Thorpe, the Olympic champion, who sold his rights for major league prominence and a member of the Jersey City team, was cheered.  
Among the International League representatives present were President Edward G. Barrow, Thomas Fogarty and E. A. Wickes, who will look after the Harrisburg team for the league and are here until the nine gets located properly. There were also present many baseball boosters from Rock, Lancaster, Lebanon and other surrounding towns.  
The field was in excellent shape. Indications pointed to a fast game. Play started promptly at 3:15 and Second Baseman Tuesday, of the Jersey City team, stepped to the plate to bat.

### MIDDLETOWN ENTERTAIN BIBLE CLASS

The Rev. H. F. Hoover, pastor of the Church of God, entertained his Bible class at the borough park last evening. About ninety members were present. Games were indulged in. Mr. Fisher, J. E. Martin, superintendent of the Sunday school; Mr. Rod-fong, Ed. Brinker and the Rev. Mr. Hoover made the toasts.

### MIDDLETOWN PERSONALS

Mr. and Mrs. Joe Raymond, of Peekskill, N. Y., are visiting the former mother, Mrs. R. Raymond, in Union street.  
Mr. Baxtresser, of North Carolina, is the guest of his brother, Walter Baxtresser.  
Miss Mary Holman, a student at the Jefferson Hospital, Philadelphia, is the guest of Miss Pearl Slack.  
E. L. Croll, president of the Middletown Furniture Company, is ill with rheumatism.  
London, July 2, 12 Noon.—Evidently bent upon a decisive victory against the Russians, the Germans are not yet sending troops to the western front, but, assisted by their Austrian allies, are making every effort to capture the greatest Russian city, Warsaw. Berlin claims further advances by the great Austro-German armies in Galicia, while Field Marshal von Mackensen is pushing steadily ahead between the Vistula and Bug rivers. Artillery activity continues unabated in the Arras region of France, but as yet there are no signs of an infantry offensive on that front, although it is scarcely possible that so many thousands of shells are being fired without some such objective. In the Argonne region the Germans on June 30 gained some ground, though at the expense of heavy losses.  
A further report regarding the Dardanelles operations claims that the colonial troops have not been checked in their efforts to advance, but that they have been used merely to keep the Turks on this front too busy to send reserves to that portion of the line where the Anglo-French troops made an advance of 1,000 yards.  
The London morning newspapers generally print editorials on the sinking of the steamship Armenian by a German submarine, the text of the articles being that the relations between the United States and Germany are bound to be further strained by the latest of German submarine exploits.  
The editorials, however, evidently were written before the status of the Leyland had been settled.  
**Zeppelin Destroyed**  
Amsterdam is reported responsible for the report that a Zeppelin dirigible balloon was accidentally destroyed by an explosion to-day when leaving its shed at Brussels.  
During the month of June ninety-eight British ships, aggregating slightly more than \$9,000,000, were sunk by submarines or mines, with the loss of 111 lives.  
**Desperate Fighting in Isonzo**  
The latest statements from the headquarters of the Teuton allies indicate that there has recently been desperate fighting along the Italian front. The main effort of the Italians to advance seems to have been northeast of Monfalcone, in the Isonzo region, where the invaders are admitted to have made slight advances. The series of assaults as a whole failed, the Austrians claim.  
The Italian war office contents itself with claiming ground snatched "inch by inch" from the Austrian defenders, while along the rest of the front the access of consolidating positions and breaking up preparations by the Austrians for defense is a factor.  
The difficulty which Spain is having in maintaining neutrality is manifest in reports from Madrid.

### SAFETY FIRST for the Fourth and for your pocketbook

JUST now when there's so much talk of physical safety, it seems fitting that we should call your attention to our policy of "safety first" in clothes buying.  
We guarantee satisfaction or your money back, which means that before you buy, you know that your money is safe.  
**Hart Schaffner & Marx Clothes**  
help to make this pocketbook safety possible; in these good clothes you get more for your money than you can get in any other clothes made.  
*You have everything to gain here---there is no chance to lose; celebrate the Fourth in a Hart Schaffner & Marx Suit at \$18 to \$35.*

### Spain Finds It Hard to Maintain Neutrality

Madrid, July 2.—Spain is experiencing difficulty in maintaining neutrality and in a further effort to preserve it an official order has been given not to discuss the question in public.  
Dauphin, Pa., July 2.—Miss Anna Houck of Hummelstown, was elected teacher of the Dauphin grammar school last evening. Otherwise all of the teachers of last year were re-elected. Miss Houck is a granddaughter of Henry Houck, Secretary of Internal Affairs, and was graduated with honors at Millersville Normal school.

### Followed Friend's Advice

After trying Fruitola and Traxo, Mrs. L. C. Clark, 840 Melba St., Dallas, Texas, wrote to the Pinus laboratories as follows:  
"I have been a sufferer from gall-stones, and Fruitola and Traxo were recommended and I am glad to say I took advantage of your most wonderful medicine, with wonderful results."  
Fruitola and Traxo are two remedies that are used in combination. Fruitola acts on the intestinal organs as a powerful lubricant, softening the congested waste and breaking up the hardened particles so that easy elimination follows quickly, to the great relief of the patient. Traxo is a compound of splendid tonic properties, of special value in strengthening and restoring the system that has been weakened by constant suffering.  
The Pinus laboratories have many letters on file testifying to the merit of Fruitola and Traxo; letters from people who have used the remedy and know from actual experience what it has done for them. For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading drug stores. In Harrisburg they can be obtained at Gorges, the Druggist, 16 North Third street—F. R. Station.

### MERCHANTS ASSIST BOYER WITH TESTS

#### County Inspector Refers to Pleasant Relations Existing in Report to Commissioners

Throughout the county merchants are co-operating so generally with County Inspector Harry A. Boyer in the testing and rectifying of the weights and measures that the inspector takes occasion to mention the fact specifically in his June report to the County Commissioners to-day. The inspector recently wrote James Sweeney, chief of the State bureau of standards on the subject in which he referred to the difference in the feeling of the merchants. On his first visit his reception Mr. Boyer states, was "freezing"; since then the relations have grown generally warmer. In his report to the commissioners to-day Inspector Boyer says:  
"General conditions are very good. The weight condemnations were principally on account of excessive wear, the conditions being of such a nature that adjustment was impossible. The co-operation of the merchants is marked and the effect on inspection is quite noticeable."  
During the month Mr. Boyer tested 668 weights and measures, sealed 602, adjusted five and condemned 612.  
**Exceptions on Justice's Action Dismissed**—In a brief opinion handed down to-day Additional Law Judge McCarrell dismissed the exceptions that had been taken on a certiorari to the action of Magistrate Isaac M. Chubb, Halifax, in the case of William H. Idel and Mark M. Mattis. The exceptions were to the effect that the justice decided against the defendant while acting as attorney for the plaintiff; that he informed counsel for the defendant that counsel was there by courtesy only of the justice, and that the justice in judging was biased.  
**County Commissioners Return**—County Commissioners Isaac S. Hoffman and Samuel Miller, Chief Clerk D. Frank Lebo and County Controller H. W. Gough returned last evening from Stroudsburg where they had attended the State convention of county commissioners.  
**Appointed Watchman**—Samuel Seymour, a former city policeman, has been appointed a watchman for the Thirteenth ward.

### K. of P. Festival

The Uniform Rank Knights of Pythias will hold its ice cream and cake festival to-morrow afternoon and evening, July 3, at Seventeenth and Chestnut streets, owing to the damp weather of Wednesday.—Advertisement.

### BRITISH WOMEN OFFER TO MAKE SHELLS FOR ARMY

London, July 2.—The appeals of Mrs. Emmeline Pankhurst, the suffragette leader, that women be permitted to take a larger share in the organization of the nation for the war have proved effective.  
David Lloyd-George, Minister of Munitions, has consented to receive a deputation of the women who are eager to serve their country in the making of ammunition.
