Herman Neumyer Was With Sherman on His Famous March to the Sea

HERMAN NEUMYER

Herman Neumyer, the dean of Harrisburg musicians, is quietly celebrating his seventy-fourth birthday today at his home, 320 Peffer street. Mr. Neumyer has been seriously ill for two months and is just able to get out.

This morning Mr. Shenk, of Lancaster, an old army comrade, came from Lancaster with his family by automobile to extend congratulations and good wishes to Mr. Neumyer. "Dad" Neumyer, as the musicians of the city call him, was born in Baden, Germany, coming to this country when a child with his parents, who located at Norristown.

He enlisted in Company A, First Pennsylvania Regiment, when the first call for volunteers was made by President Lincoln and at the end of this enlistment re-enlisted in the Seventy-ninth Regiment as a musician of the Third Brigade band. He served all through the war and was with Sherman during the famous march to the sea. Locating in Harrisburg in 1865, and making music his profession, Professor Neumyer organized the State Capital Band No. 2 in 1875 and was its leader during its existence.

BUFFALO HERE FOR 2 GAMES TOMORROW

Saturday Double-headers Will Prevail Throughout Season Through Old Schedule

The first of the Saturday big bargain baseball double-headers of International League baseball will be played on the Island Park grounds tomorrow afternoon when the Buffalo club will make its first appearance and meet Eddie Egan's merman club in two games. The first game is to start at 2 o'clock. Saturday double-headers will prevail during the season on account of the old Newark schedule.

On Monday the Buffalo club will also engage the Indians in a double-header on the Island grounds when on Tuesday Wednesday and Thursday the Rochester club will be the attraction and on Friday and Saturday the Toronto team is scheduled to play. The Buffalo club is said to have the speediest outfield in the International League and in Gilhooly they have a star who is said to be a second Ty Cobb on the bases. Youthful, Wrinkleless Skin Easy To Have You who desire to regain a youthful appearance will do well to make the acquaintance of the two simple, but valuable, prescriptions here given. To make an effective wrinkle remover, mix an ounce of powdered sassailla and a half pint with hazel. Bathe the face in the solution—immediately every wrinkle is affected. It acts wonderfully on sagging facial muscles, also, the lotion possessing remarkable astringent and tonic properties. To get rid of an aged, faded, freckled or discolored complexion, buy an ounce of common mercurochrome wax at any drugstore and apply nightly as you would cold cream, erasing the morning with soap and water. This will slowly absorb the undesirable surface skin, revealing the younger, brighter, healthier skin underneath. There's nothing to equal this treatment as a facial rejuvenator.

Don't Wash Your Hair With Soap When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain unperfumed coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months. Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. It is hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advertisement.
