MACK BUILDING UP A PENNANT WINNER?

If He Accomplishes This Feat, It Will Be One of Most Noteworthy in Baseball History

New York, July 10. — Apparently Connie Mack, manager of the Philadelphia Athletics, has at the age of 53 undertaken the task of building another pennant-winning team for Shibe Park. Because of his record of six American League pennants and three world's championships, this latest reconstruction work on the Athletics baseball machine will be watched with unusual interest by fans in all parts of the country.

Following the four-straight game defeat administered to the Mackmen by the Boston Braves in the world's series of 1914 there were many reports to the effect that the Athletic combination would be broken up and a new team formed. The sale of Collins to the Chicago White Sox; Pennock to Boston and Shatkey to New York; the release of Coombs, Bender and Plank; the dropping of Baker from the pay roll and the passing of still other players to the minors, indicate that the work is well under way.

Now rumor has it that still other stars of yesteryear are to change their Athletic uniform for those of other American League clubs, while Mack will fill their places with promising recruits from minor and college diamonds. Grounds for these reports are found in the signing of Crowell, Healey, Haas, Sheehan and Johnson and the statements that Mack has lined out for some promising material in southern and western circuits.

The ability of the veteran manager to develop stars from youthful players recruited from variety and bush fields is well known. Plank, Collins, Coombs and Barry all joined the Athletics with-out the formality of minor league experience, while Baker, McInnis, Bender, Strunk and several others served but a short period in the minors before being gathered in by Mack. If he can repeat his previous record in this respect in these days of close baseball competition and fine-comb scouting, his position as the greatest manager of baseball history will be beyond dispute.

ROYALS PUT CRIMP IN INDIAN'S STRIDE

Ice Game With Bunch of Bingles; Miller Proves His Ability When Runners Fill Bases

Montreal blocked the Indian's path leading to third place yesterday. The Royals won, score 6 to 4. It was an argument between pitchers and batsmen. The Canadians made their hits count in two innings. They made a garrison finish, taking the game from Harrisburg in the ninth.

Miller, the Royal's star twirler lacked control in but one inning. Numerous bingles by the Indians went to waste. Montreal's heavier tightened up in an effective manner when the Indians had runners on bases. Euzmann with his peculiar dip delivery had a few things too. He held the Royals to four hits in five innings. Lucky breaks for Montreal in the sixth and ninth were factors in the scoring.

Eddie Zimmerman's bunch furnished the thrills with sensational fielding. Mowe and Tamm and Callahan pulled off hair-raising plays. Tooley was also in evidence with brilliant plays. Smith and Holden were Montreal stars.

Harrisburg Starts Scoring The Indians opened up in the third with a run. Snow tripped to center, and scored on Euzmann's single to middle field. Mowe sacrificed and reached first on Miller's error. Zimmerman singled, Mowe lost out in trying to reach home on Tooley's grounder. It was poor base running.

In the fourth, Kraft's single, Tamm's sacrifice and Snow's single gave Harrisburg their one earned run. A pass, stolen base, error by Flynn and a throw home, scored one in the sixth. More hits went to the scrap heap in the eighth. Callahan singled, went to third on Kraft's drive to right, and scored on Tamm's single. One run counted. Miller gave a fine exhibition of pitching, retiring three batters with runners on third and second. He fanned three.

The Royals got busy in the sixth. Whiteman went out on a fly to left. Flynn knocked down an infield hit. Develin singled to right, scoring Flynn. Smith singled, and with Develin moved up a base on Holden's out from second to third. Hawley singled scoring two runs.

In the ninth Hawley started with a double to left. Miller sacrificed to third and beat out the hit. Nash fanned and Ireland sent a sacrifice fly to right, scoring Hawley. Whiteman led the game with his triple to left, scoring on Flynn's single to left. Flynn went out trying to steal second. The score:

WIGWAM WHISPERS

Hard game to base. The Indians stole bases at the wrong time.

That ninth inning was heart-breaking. Ladies' day. Over 500 enjoyed the game as guests of Business Manager Fogarty.

Mensor was missed in left field. Flynn put up a great game at first.

Hawley is some catcher. Euzmann's delivery made a hit with the fans. He pitched his game well.

Snow played his part well. Mowe was the sensational boy yesterday. He fell on one, and got it over in time.

The Indians now wear the letter 'H.' A little faster work on bases in the third might have changed the result.

Two games Monday with Buffalo. Tooley took eight chances. Six were hard plays.

Cuban Has Big Idea of What He Is Worth

Angelo Aragon

Here is the latest story of the high-priced ballplayer. Angelo Aragon, the Cuban player, who has been holding down an infield job with the Richmond International, was asked to name his own terms to play with the Brooklyn Federalers.

He sent in his own valuation of his services as follows: "Give me \$5,000 down and a contract for \$4,000 for a year."

Manager Lee Magee replied: "Sorry I can't give you a steam yacht and the Woolworth Building too. Knowing you couldn't be happy without them, I guess we'd better call it off."

At that Aragon may not have priced his services too high. He is a good infielder and fast on the bases.

Rifle Shooting Now Chief Sport in Austria-Hungary

Advices received from Austria-Hungary by members of the American Olympic Committee indicate that athletics and sport generally is at a standstill in those countries. Rifle shooting and football, played by youths too young to bear arms, appear to be the only forms of competition indulged in by those not serving at the front.

Swimming, track and field athletics, swimming, fancy and competitive skating, skiing, tennis and cycling have all been dropped for the time being at least. Fencing and shooting have ceased to be sports and are now regarded as serious business. The latter has become very popular and rifle ranges have sprung up everywhere.

Former Yank Manager Handles Team From Bed

Something new in baseball has been inaugurated by Harry Wolverton, manager of the San Francisco club of the Pacific Coast League. The former leader of the New York Yankees has been conducting the field baseball campaign of the Seals from his bed by the aid of telephone and telegraph wires.

Wolverton, who was seriously injured in an automobile accident, decided that he could manage his team just as well from the hospital bed as the bench. Wires were installed from the Seals' dugout at the baseball park to Wolverton's bedside and he was kept informed of every move of the opposing teams. When his city was out of town a telegraph wire was substituted for the phone.

Providence Continues Its Winning Streak

Providence continued its streak yesterday in the International League, defeating Buffalo, 6-4. At Richmond, Toronto won, 14 to 4, scoring on 21 hits. Richmond's four came in the sixth and eighth innings. Rochester dropped both games to Jersey City at Jersey City, scores 4-2, and 3-2. The second game was fast and errorless, both teams playing good ball.

ALBIONS ELECT

The Albion Athletic Association at its semiannual meeting elected the following officers: President, J. Q. A. Brownwell; vice president, John Ensminger; secretary, John Schelhas; treasurer, I. Chas. Newcomer; business manager, Edward Peagle; house manager, LeRoy Waterman; entertainment manager, Earl Miller; general athletic manager, F. F. Filling; first sergeant at arms, C. E. Paterson; second sergeant at arms, C. E. Bergstresser; representative, J. Q. A. Brownwell.

Grover Alexander Tries to Strike Out Thousand Men Before Curtain Falls

Grover Alexander, of the Philadelphia Nationals' twirling staff, promises to complete a record this season equaling in interest Honus Wagner's hundred home runs. If he maintains his present strikeout speed Alexander should strike out a thousand whiffs, or opposing batsmen before the curtain falls on October 7.

At the beginning of the 1915 campaign his record showed that close to 300 batters had struck out back to the bench during Alexander's league career as a result of failing to connect with Grover's curves. When the season opened he needed about 214 strikeouts to complete his 1,000, and since July 1 saw him well past the hundred mark, it appears reasonably certain that Alexander will fan his thousandth opponent within the next thirteen weeks.
