PINK SLIP FOR McCLEAN

Media, Pa., July 13.—Manager William Cloud Alexander, of the Media Club, of the Delaware County Baseball League, has released Larry McClean, the big-suspended catcher of the New York Giants.

BOSTON AMERICANS' GREAT OUTFIELD

The Boston Americans, who did not show well in the beginning of the season, are now getting into their stride, and have gone to second place in the American League. At the distance it seems they will fight it out with the Tigers of Detroit, and the White Sox of Chicago for the pennant.

Their advance is due largely to the awakening of their outfield, made up of Speaker, Lewis and Hooper, who had not shown in their real form during the earlier part of the season. In one game with the New York Americans the other day Speaker made no fewer than five hits in five times at bat. In the opinion of baseball men this is the greatest outfield in any club, and that goes despite the fact that Ty Cobb is a member of another club.
