The charac-ters of "The Commanding Officer" are picturesque; its plot baffingly intri-cate, and its action swift. Everything in it is excling, and the supense never for a moment wanes.—Advertisement. The secret of raising melons in ry time has been discovered by The secret of raising melons in a dry time has been discovered by a Kansas farmer, who had an abundant crop last year, while the fields of. his neighbors were dried up with drouth. Farm and Home thus describes his methods: The previous Fall he dug holes as large as a barrel in the field at the right distance for the melons, and filled them nearly full of corn cobs.

UNLOAD HAY IN SEVEN MINUTES

Equal parts of orris root and corn-meal make a good dry shampoo and one that is pleasant to use. You can buy ten cents worth of orris root in any drug store and mix it thoroughly into the hair and scalp and let it re-main for two or three hours or over night if possible. Then brush your head for quite a while, until the pow-der does not show. Wash the hair as soon as convenient after giving a dry shampoo.—Farm Life,

Mean Loss of Cards

Dozens of owners of automobiles and chauffeurs have been officially warned by Highway Commissione Cunningham since the first of the month that they have been reported

month that they have been reported for violating automobile regulations in operating cars without front and rear tags, without lights and in other ways contrary to the State regulations. These warnings are accompanied by statements that a second offense will necessitate a hearing to show cause why license should not be revoked. As high as twenty complaints of this character have been received by the Highway Department a day. In addi-tion there are pending several cases in which men have been summoned to show cause why automobile licenses should not be revoked on the chargs intat cars were operated by intoxicated people.
