EVERS' CHARGES UP TO NATIONAL BOSS

Braves' Captain Must Explain the Meaning of Remarks on Empire's Decision

Special to The Telegraph
 Boston, Mass., July 16.—Remarks alleged to have been made from the side lines by Captain Evers, of the Boston Braves, during last Tuesday's baseball game with the St. Louis Cardinals are to be the subject of the investigation which President Tener will make here to-morrow, according to an announcement from New York.

The Braves' captain, taking exception to a decision by Umpire Riegler, who declared Bob Beacher safe at the plate on a close play, was quoted in a newspaper as having shouted: "They're trying to get the crowds out; they've ordered a close race; leave them alone, boys; they're only following instructions."

Evers later expressed indignation because his remarks had been interpreted as a claim that the National League race was "fixed."

DAUPHIN-PERRY LEAGUE NOTES

Stewart, the Harrisburg Tech High star has been signed by Dauphin.

Anspach, Marysville's shortstop will be out of the game for sometime with several badly torn ligaments in his right arm.

Bowman, Millerburg's star slab artist, is confined to his bed, and will not get into the game any more this season.

Kepner, Millerburg's little second baseman was in the game last Saturday, after being out several weeks with an attack of typhoid fever.

Frankhouse continues to whale the pill for Duncannon, banging out three hits in the game against Dauphin last Saturday.

"Buck" Williams, who was with Marysville before the opening of the season, broke into the league last Saturday with Dauphin.

Millerburg still manages to hold down first place. Marysville is just one game behind; Duncannon and Newport are tied for third place, and Dauphin and Halifax are fifth and sixth.

"Babe" Adams, the ex-Tri-Stater, now with Halifax, received his first bumps since he joined Halifax last Saturday, when Newport drove him from the mound in the eighth inning.

Marysville's decisive victory over Millerburg last Saturday, now places the first four teams of the league, virtually, within a one game margin.

Myers, who jumped from the Dauphin-Schuylkill League, caught a star game for eight innings for Halifax last Saturday. He was forced to retire with a badly split finger.

Marysville clubbers are finding their batting eyes now, as the league is the stickers with an average of .333. Hipple and F. Palmer are the only other .300 clubbers on the team. Early season weaknesses in hitting are holding the averages down.

NEW MARK FOR DEAD HORSE

Tom Patch Given Credit for Fast Work On Half-Mile Track

Cleveland, Ohio, July 16.—At the Youngtown races this week a world's record was announced after the horse who had established the mark had died.

Tom Patch won the first and fourth heats in a race with Lou Jennings and the timers hung out 2:10 1/2 for the first mile. The next day it was announced that a mistake had been made and that the official time of the mile was 2:08 1/2. This correction gave Tom Patch credit for trotting the fastest mile ever negotiated by a stallion on a half-mile track.

The horse became so exhausted in the race he died soon after the contest ended.

MILLERSBURG STRENGTHENS

Special to The Telegraph
 Millersburg, Pa., July 16.—The local management has decided to strengthen the team. Two new men have been signed, Ed Foster and Hawk, of Lykens.

Foster will likely be placed at third base and Hawk in the outfield. The latter can be used also, as a pitcher when necessary. They will be in the game to-morrow against Dauphin.

HARRISBURG'S BIG SOUTHPAW

From the lots right into the big league is the record that Wyatt Arnold Lee, better known as "Big" Lee is proud of. Lee is the only southpaw twirler on the staff of Eddie Zimmerman's Indians and he has been shooting his slants across the plate since 1900 and looks as if he is still good for a number of years' service.

"Watty" Lee acknowledges that he was born in Lynchburg, Va., in 1882. In 1908 he drifted to Kansas City where he was employed by the Helmes Browing Company and played two baseball games a week with the crack team which the company organized. Lee started to pitch and play the outfield and his work was so remarkable that in 1909 he was signed by the Kansas City club of the American League. Lee made good from the start in last company and in 1901 when the Kansas City club was transferred to Washington he went along.

The big southpaw made good with Washington and in 1904 he was sold to the Pittsburgh Nationals with whom he finished the season. In 1905 and 1906 Lee was with the Toledo club of the American Association and in 1907 he jumped to the Altoona Tri-State League club. This was in the old outlay days when the Tri-State was employing stars at fabulous salaries. Lee was with Altoona in 1907 and 1908 and became a member of the Harrisburg club in 1909 remaining here only part of the season when he went to Toronto. The next season saw him in Toronto again where he pitched brilliant ball and occasionally filled in as an outfielder. In 1911 he went to Newark where he has played ever since.

In addition to being a clever twirler Lee has always had the happy faculty of being able to hit and he is looked upon in the International League as the "slugging pitcher."

INDIANS GET REST; TORONTO HERE TODAY

Manager Eddie Zimmerman Figures on Harrisburg's Chances; Busy Schedule Next Week

Old Jupiter Pluvius best the Indians to it yesterday, and Harrisburg's army of women fans were provoked. A big crowd of the fair sex waited at Second and Walnut streets for news about the game. When its was called off because of rain, many expressions of disappointment were heard.

Yesterday's postponement gives Harrisburg another double-header in August when Rochester plays the final series here. The rest for the locals, in the opinion of Manager Eddie Foster, will prove a great benefit.

Toronto is here to-day and to-morrow, and will put Harrisburg in good shape for a satisfactory finish. Richmond starts next week, and the leaders in the International race will be the attraction during the last half of the week.

VIVIAN NICKALLS RESIGNS

Pennsylvania Coach to Join the Royal Hussars at the Front

Philadelphia, July 16.—Vivian Nickalls, who has coached the University of Pennsylvania crews for the last two years, will sail August 18 for England, and intends to go to war. He will join either the Third or Fourth Hussars. Nickalls is 41 years old. Although Nickalls has resigned his post at Penn, he may be influenced to return next winter, providing the war is ended by that time. Bill Haines, coach of the Union Boat Club, of Boston, is one of the men mentioned to succeed Nickalls, and Joe Wright, coach of the Argoonauts, of Toronto, has been suggested.

FEDS AFTER NEW TERRITORY

President Gilmore Admits Probable Circuit Changes

Chicago, July 16.—New territory will be invaded by the Federal League next season, it was announced to-day by James A. Gilmore, president of the organization, in confirming the report that the league headquarters will be moved from Chicago to New York City within the next two weeks.

Plans are being made, Gilmore admitted, for a new circuit in 1916, and that clubs may be launched in Detroit, Boston or Cleveland. It already has been decided upon, he said, to place a club in New York City.

Whether it would be the Newark club that is to be transferred to New York, the Federal League executive declined to say.

IMPORTANT GAME FOR NEWPORT TEAM

Marysville to Fight Hard For Second Place, One Game Back of Leaders

Special to The Telegraph
 Marysville, Pa., July 16.—Marysville will journey to Newport to-morrow, where they will meet the strong Dauphin-Perry League team of that place. A hard battle is expected. Both teams are practically tied for second place and are only one game from first place. Whichever team loses will tumble to fourth place. The winner stands a good chance of tying the Millersburg leaders.

Newport was weak during the early part of the season. During the past few weeks Manager "Bill" Sharon has strengthened his team materially and it now looks like a strong pennant contender.

Mumper With Newport
 Mumper, a member of the old championship New Bloomfield team, is holding down shortstop. Groninger, a star from Port Royal, is playing third when he is not pitching. Other stars with the team are Wertz, ex-Tri-State twirler, and Reeder, the captain and catcher of this past season's fast New Bloomfield Academy team.

Marysville will line up to-morrow for the first time under the management of W. Ray Davis, who was elected manager of the team. Hart and Hippensteel will be Manager Davis' battery choice, while Groninger will probably be on the mound for Manager Sharon's team, with Wertz in reserve. Reeder will catch.

VETERANS SHOW WEAKNESS

People who never realized before just how important Mathewson is to the success of the Giants can understand it now, from the percentage of McGraw's club. There can be little doubt that the old idols are beginning to crumble. Hans Wagner still can field, but he is only the shadow of the old-time Wagner as a batsman. As to Matty, it has taken nearly half a season for him to "get into shape," and there can be but few more campaigns for him at that rate of retrogression.

UMPIRE LECTURES FAN

Special to The Telegraph
 New York, July 15.—Saier's timely hitting and Lavender's pitching enabled Chicago to defeat New York City to-day, 5 to 2. In the sixth inning with Fisher on, Saier put the Cubs in the lead with a home run. In the seventh inning after Bresnahan struck out he got into an argument with a spectator. Byron stopped the argument and after Bresnahan pointed out this spectator Byron stopped the game and lectured the fan. With two out in the ninth inning Byron ordered Fletcher of the field.

GILHOOLEY IS AGAIN HITTING

"The batting eye that Gilhooley lost at Harrisburg turned up all right in Richmond yesterday, and Flash proceeded to lamp the sphere correctly every time he came to bat. He made two runs and four hits, but strange to relate did not steal a base. Perhaps after finding his batting eye he has lost his stealthy foot."—Buffalo News.

Jersey City tied up the game in the eighth. High class work in the field in the thirteenth prevented Montreal from winning after Whiteinan had hit out a triple. Cadore who was sent to Montreal from Brooklyn worked the entire game, Sherman and Verbut divided honors for Jersey City. Other games were close and pleasing. The scores by innings:
