FINAL HOME SERIES WITH PROVIDENCE

International Leaders Next Attraction at Island Park; Dave Shean in Charge

What promises to be the greatest series of baseball games that Harrisburg fans have had an opportunity to witness in years will start to-morrow when the champion Providence club will open a three-day stand on the Island. There will be single games Thursday and Friday and a double-header Saturday. The Providence club is under the leadership of Dave Shean, the former Williamsport second baseman, who later went to the Detroit Americans and the Boston Nationals.

Much importance centers in the Providence series, as the members of the Harrisburg club feel that they can win a majority of the games of the series from the Grays, as the Providence club is known, they will be in a position to put up a great battle for the championship.

It seems hardly possible for Harrisburg to realize that it has a club that stands a chance to win the International League championship, but every member of the club is full of the spirit of winning and such battles as are due for the next three days should be well worth the watching.

Perfect Baseball Machine The Providence club is referred to as a "perfect baseball machine" and players and managers who have been here with other clubs have spread the word "See that Providence club." The pitchers for the Providence club are Joe Oeschger, the California boy who belongs to the Phillies and gained a place in the hall of fame by pitching a no-hit, no-run game against Montreal a week ago; Cooper, who belongs to the Detroit Americans; and the former University of Pennsylvania star, who belongs to Detroit; Comstock, another Detroit twirler, who has won 11 games and lost 2 this season, and Phil Schult, another former Philadelphia player, who was formerly with the Phillies when he left college.

Tri-State in the Game The catchers are Casey, formerly with the Detroit Americans, and Haley, who belongs to the Boston Americans. At first base is Onslow, of the Detroit club, and at second Shean, who is well known by former Tri-State fans. At third base McNally, recently secured from the Boston Americans and said to possess the best throwing arm in the International League, is found, while at short Fabrique, of the Washington Americans, is found. In the outfield are Shorten, of the Boston Americans; Powell, of Detroit, and Gill and Eayrs alternate in the field. Special arrangements are being made to accommodate the greatest crowd that has ever witnessed a game at the Island on Saturday.

Dauphin-Perry League Has Many Young Stars

Millersburg's leadership is now disputed for the first time this season. Marysville tied up last Saturday. Duncannon is just .021 behind, having won one more game and lost one more. Newport is one game behind. Ryan, the clever shortstop of the Halifax team, is the league's leading slugger, having connected safely 18 times out of 36 times at bat. Mumper, of Newport, and Baker, of Halifax, are tied with him, but they have been at bat less than 10 times.

Hart, of Marysville, holds the league strikeout record with 122 whiffs to his credit in 9-13 games, an average of 13 per game. Batting averages dropped in the Newport-Marysville game last Saturday, only six hits being recorded.

"Bud" Fry, Millersburg's fast catcher-manager, leads the league in runs scored, having a total of nine to his credit. Brayan, whom Marysville has not allowed to play during the early part of the season, has been reinstated as a five-game rule player. After winning two successive games "Babe" Adams appears to have hit the slide. Newport will bring several hundred rooters to Marysville on Saturday.

Mummers, the State College twirler, with Dauphin, was hit hard by Millersburg on Saturday. He was replaced by Finafrock. Lutz and Gilday have jumped Dauphin and are playing in the Dutch wilds.

RECORD HITTING FOR "ZIMMY'S" INDIANS

Bunches of Timely Whiffs With Joe Chabek Bring Two Victories in One Day

The Indians' willow sticks were busy yesterday. So was "Watty" Lee and Joe Chabek. Something happened at Island Park not recorded since Harrisburg became an International League town. "Zimmy's" bunch won two games in a row. All in one afternoon. Richmond was the loser; scores, 9 to 5 and 8 to 0.

Chabek was the boy who made yesterday's twin victory possible. He had something on the ball that made it invisible when it came over the plate. Only two hits were chalked up by the Climbers in the second game. One of the hits was a hard liner that bumped Chabek on the shin and glanced past Tooley at second. Not one Richmond man reached first until the fifth, when Bates was walked.

In the first game Lee had little trouble in getting down to form. After three innings the local southpaw tied up the Climbers and they could do little with their sticks. In the game Richmond had three pitchers at work. They could not stop the Indians' hitting stride. Two worked in the second game, each getting a series of hard bunts.

Harrisburg Was Hitting Harrisburg's hitting was a feature. Kraft was a big star, having three bingles in the first game and three in the second. His record for the day was three singles, a double and two triples. Eddie Zimmerman and Witter hit the ball in the first game with good results and Tooley gave Kraft a hard chase in the second. "Red" Crane and Pick were the Richmond swatters. Aragon was the peppy fielding star.

In the first game three singles, two passes and a sacrifice brought two runs for Richmond in the opening frame. A triple and sacrifice by added the next one. A double and single scored the fourth and two singles and an error the fifth. Morrisette's wildness brought two for Harrisburg, aided by one bingle. Bunches of hits added the others. Russell was wild in the sixth and seventh innings. Harrisburg's hitting in the first, third, fourth and fifth brought the answer in the second game. The scores:

Bondella Wins Fast Race; Hangs Up Track Record

Cleveland, July 21.—Bondella, the trim little daughter of Walnut Hall, was the sensation of yesterday's program of the Grand Circuit meet at North Randall track. Superbly piloted by Tommy Murphy, she won the North Randall 200 Sweepstakes for 3-year-old trotters without effort, outclassing her field, and stepping a mile in 2:07 3/4, which clips a quarter of a second off the local track mark for 3-year-old trotters, set a year ago by Lee Axworthy.

The 212 pace developed into one of the greatest two-horse duels ever staged. Judge Ormonde and Peter Farren fighting it out in every heat, the former taking the verdict by winning two of the three great sprints to the wire.

Suit of Clothes For Best Batting Average

When the Harrisburg players quit the season, one of the local stars will wear a brand new suit of clothes. It will not be a cheap one either. Hoffman and Kerns, the tailors, 337 Chestnut street, will provide the suit. It will be made to order and is for the Indian, who has the best batting average up to and including September 4. No player who has not participated in at least 25 games will be eligible.

SPEEDWAYS ON INCREASE

Automobile Racing in South America Is Future Probability

Chicago, Ill., July 21.—Automobile racing is to be introduced to several South American cities within a year, according to Tex Rickard, who promoted the Jeffries-Johnson fight at Reno, Nev., July 4, 1910.

Rickard was here to-day to inspect the Chicago motor speedway. He is representing a syndicate of Buenos Aires businessmen who propose building a 2 1/2-mile track. The South American metropolises, Rickard says, plans to offer a purse of \$100,000 for its race, which is to be over a distance of 500 miles. Speedways will be constructed in a number of cities of South America, he said.

Three Women Escape From Burning House

Fire last night routed occupants of 113 Market street from their rooms in their night clothes. Ray Ayers, a member of the Washington Company discovered the flames coming from the cellar window. He gave an alarm from Box 112, and then went to the assistance of the occupants.

Mrs. Mary J. Williams who recently purchased the Dickert dining rooms, which are on the lower floor of the building, rents the upper rooms. Three women were asleep on the second floor and were taken out by Mr. Ayers and several patrolmen. The fire which started in a box of rubbish, caused slight damage.

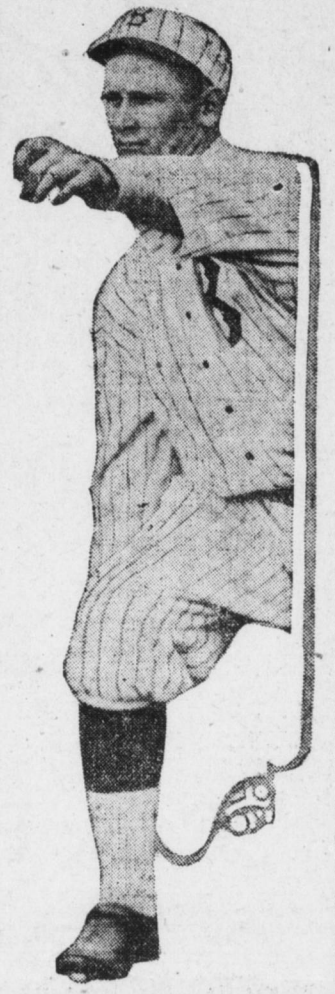

ALLEN YOUTH CHARGED WITH FORGING CHECKS

Ray Wilson, of Allen, near Mechanicsburg, was held for court this afternoon, on a charge of forgery. E. M. Horrett, proprietor of the Auto Varnish Company, 908 North Third street, charges Wilson with forging his name to two checks and getting \$8 in cash from the Union Trust Company. Wilson, it is said used the name of Robert Walker and Frank Watson.

EX-SHERIFF MAKES HAUL

Ex-Sheriff Charles Sellers is beating all records as a successful fisherman. Yesterday he landed 24 bass. None of the fish weighed less than a pound and a half. Several tipped the scales at nearly two pounds.

YANKS LAND BARNEY

New York, July 21.—Edward Barney, outfielder of the Jersey City team of the International League, was purchased by the New York Yankees yesterday. Barney will report to Manager Donovan in Chicago to-morrow. It is stated that he will replace Roy Hallwell, the veteran left fielder. Ray Demitt, formerly of the White Sox, and recently of the Toronto club of the International League, will take Barney's old position with Jersey City.

MORE GAMES WANTED

The Harrisburg A. A. team is without games for July 24 and 31. This team will play a benefit game for the Polyclinic Hospital August 7. W. M. Willerton, 521 Muench street, is manager.

New Olympic Star Holds Speed Record

Norman Taber, the former Brown collegian and Rhodes scholar at Oxford, England, has run faster than any other human being for a distance of one mile. In the Harvard Stadium he shattered the world's record for this distance by covering it in the remarkable time of 4 minutes 12 3/4 seconds. The best professional record up to this time was made by W. G. George, at Lillebridge, England, time 4 minutes 12 1/2 seconds.

John Paul Jones, the Cornell runner made the amateur record of 4 minutes 14 3/4 seconds at Cambridge, Mass., in 1913.

Taber was born in Providence, R. I., September 3, 1891. He is five feet eight and a half inches tall and weighs slightly under 150 pounds when in condition. He graduated from Brown in 1913 and for the last two years has been a Rhodes scholar at Oxford. On account of the war he returned to this country early in June.

HARRISBURG JUNIORS WIN

The Harrisburg Juniors defeated the Green and Peffer Street Stars on Island Park yesterday afternoon by the score of 25 to 19. Fisher and Diefenderfer pitched for the Juniors and Helf for the Stars. The catchers were Gimp and Steiger.

BASEBALL WAR END IS NEXT WINTER PLAN

Federals May Get Recognition Ahead of American Association, Is Present Hope

Chicago, Ill., July 21.—Plans for the settlement of the baseball war between the forces of the organized game and the Federal League have been agreed upon. A few details must be arranged and they will be added during the winter months. But the big stumbling blocks have been removed and the following decided:

No city will have three teams—the Whales and the Cubs will be combined under new ownership, that of Charles Weeghman.

The Cardinals and the Federal League team will be combined in St. Louis under the ownership of Philip Ball and his associates in the third team. Detroit and Cleveland will have Federal League teams.

The standing of the Federal League, which will retain its name, has not been definitely agreed upon, but the chances are that it will outrank the American Association, and the International League will fall just below the American and National.

These plans have been under consideration for several weeks and for a time it seemed that the new alignment would go into effect at once. But with the schedules made, it was figured this would be unwise, and so the various leagues decided to carry out their planned programs and start along the above lines next season.

HEMPSTEAD CANS LARRY McLEAN

New York, July 21.—Larry McLean, the veteran catcher of the New York Nationals, who was serving a sixty-day suspension for misconduct in St. Louis, was unconditionally released yesterday by President Hempstead. It was stated that McLean was released so Manager McGraw could play Babington, an outfielder of Brown University, who joined the team a few days ago, but was unable to get in the game because of the player limit. Babington, it was announced, will replace Snodgrass in centerfield.
