PARK PLACE

For Bungalow
or Garden Plot

Located Along the Linglestown Trolley Line, Near Colonial Country Club

ONE continuous string of attractive bungalows and beautiful country homes from Harrisburg to Linglestown will soon be a reality. The most progressive business and professional men of the city are locating along the Linglestown trolley and the Jonestown Road, now a newly improved state highway, unexcelled for convenience and healthful elevation. You cannot choose a better place for a bungalow site or a garden plot than Park Place, in the heart of Harrisburg's most beautiful suburban residential district. Cut loose from the 2x4 city lot you have tried to call home. Cease to pay tribute to a landlord and get away from the heat and the smoke and the noise of city life. Own your own home in the suburbs. Get as big a slice of the earth as you can while you live, so you may enjoy living while you're on this earth. Park Place offers you an opportunity to own a small farm or garden plot without a heavy outlay of cash.

Sale Opened at 1:30 To-day---Continues All Day To-morrow

Friday, July 23 and Saturday, July 24

Advantages

Suitable building restrictions. Fifty-foot avenues. Fifteen-foot alleys. Oiled streets. Perfect title. Lots 25 feet, 50 feet, 75 feet and 100 feet frontage. No plot less than 100 feet deep. Some plots 250 feet deep and more. We refuse to sell to undesirable buyers.

How to Get There

Take the Linglestown or Progress car to Progress. Our special car will meet you at Progress on Friday and Saturday, sales days, from 1 to 6 P. M. Any other hour take Linglestown car and tell the conductor you want to get off at Park Place, near Colonial Country Club and within a stone's throw from beautiful modern homes.

Pays For Itself

Money invested in suburban garden plots are money makers. The minute you pay your first five spot you can start to develop your plot into an orchard or garden or raise poultry to bring an income and cut your meat and grocers' bill sufficient to pay for your home.

\$5.00 Secures a Garden Plot
