Franklin, Pa.—"I have had a good experience with Dr. Pierce's Favorite Prescription. Once when I had overworked from nursing small children through scarlet fever, I was so weak I had to be carried up and down stairs. I was led to use 'Favorite Prescription' and by keeping it up for some time got well and strong again. At other times I used 'Favorite Prescription' for the troubles preceding childbirth. I used it a number of times for this purpose and always with the best results."—Mrs. E. E. Strucke, 1212 Otter St.
