TWO FOR INDIANS FROM ROCHESTER

Harrisburg Hits Came in Bunches and Timely; Poor Fielding Back of Hoff

Rochester, N. Y., July 28.—The Indians' watchful waiting policy yesterday brought a double victory over Rochester. The first game ended with the score 6 to 3. The second battle went ten innings, Harrisburg winning on a bunch of hits, score, 7 to 6.

The first game found Rochester in the lead, up to the eighth, when Hoff weakened and allowed four hits, two of which were rather scratchy. The Indians took advantage of the poor fielding behind Hoff in that inning and, aided by the hitting, scored four runs.

Schacht Goes Out Schacht went in to start things for Harrisburg in the second fray, but was benched in the first inning, Rochester getting to him for three runs. He was replaced by Lee, who pitched a good game, holding the hustlers in check. The visitors were right on their toes and although four errors were chalked up against them they did not figure in the scoring of the local nine.

MANAGER ROWLAND AND HIS STAR

EDDIE COLLINS MANAGER ROWLAND

Clarence Rowland, manager of the White Sox, shares honors with Collins, for whom the Chicago team paid the record price in baseball history. A few almost supernatural powers in controlling his players and their play, last year Rowland was the manager of the Peoria, Ill., team in the "Three-I" League and his team finished second. In the few weeks of his big league experience he has established himself as one of the best baseball leaders ever produced.

Eddie Collins, always a great favorite with the fans, from his Columbia College days on, was thought by the White Sox to be worth the unprecedented price of \$50,000. Just now he is earning the salary of many a bank president by helping to keep his team at the top of the race.

CHARITY GAME IN AUGUST Patrolmen Play Municipal Team of Reading at Island Park One of the special baseball attractions on August schedule is the game between the Harrisburg Patrolmen's team and the Municipal team of Reading. The game will be played on Island Park field August 20. The proceeds will go to the Mayor's Quick Charity fund. To date 5,000 tickets have been disposed of. Yesterday an order for 3,000 additional tickets was placed. There is an interesting contest between police department attaches for honors in selling tickets.

When the Friendship team plays the Washington nine Saturday, a battle royal is anticipated. These teams are bitter rivals. Friendship has won a game, and the players representing No. 4 company are anxious to square things. The game will be played on Sycamore street grounds, starting at 2:30.

Betty Bellairs in "The Spanish Jade" at the Regent Betty Bellairs in "The Spanish Jade," by Maurice Hewlett, dramatized for the screen by Joseph Vance, at the Regent today and to-morrow. Whoever delights in what is quaint and novel, will be greatly charmed and entertained by this feature. Few films have a stronger, more consistent and more gripping plot than "The Spanish Jade." The elements, mystery, adventure and pathos have been most skillfully woven into a story which is bound to hold the interest of the spectator over, past the way from start to finish. Manuella, a wandering dancing girl, kills a man who has been persecuting her. She is loved by an Englishman, who is accused of the crime. To prove her love for the imperiled man she confesses her guilt. The father of the murdered man's clients and the lovers are left in peace.

HITS BALL TOO HARD; GETS HIS RELEASE

That Is Why "Bill" Clay is Not Working in the Blue Ridge League

"Bill" Clay, the home run clouter in Tri-State days, is out of a job because he hit the ball for Chambersburg. This may sound funny, but it is the truth. An up-to-date manager generally lands players who can use the stick effectively. This is not the policy in the Blue Ridge League.

Chambersburg owners stand for fair play, and rather than have it said they were unfair, "Bill" Clay was released. Here is how the Public Opinion of Chambersburg explained it: "Just to show the other teams in the league that we want to give them a further handicap, the local magnates gave 'Bill' Clay his release. That sounds like a joke, doesn't it? Give 'Bill' Clay, who is leading the league in batting, his release!

Sports of All Sorts The Resolute won over Vanitie yesterday, leading by three minutes and fifty-seven seconds. The Calder Street Giants yesterday defeated the Hick-a-Thrift Juniors, score 15 to 14.

TROUBLE BREWING IN UPPER END LEAGUE

Dauphin-Perry Managers Desire Understanding on Rules and Protests

Trouble is brewing in the Dauphin-Perry League. Reports from Marysville and Dauphin indicate a meeting of managers and representatives in the near future. There is no likelihood, however, of disruption.

On Saturday at Millersburg, the League president, it is said, ran on to the field and protested the game. Dauphin officials could not understand the action of President C. W. Rubendall. His right as League leader to enter a protest is questioned.

It was said Dauphin had three men in their line-up who were outsiders. Dauphin is a sufferer because of contract jumpers, and signed new men. Notice was given the Millersburg captain of the change in the line-up, and he told the Dauphin manager to go ahead and play his team, intimating there were others who were in the same boat with Dauphin.

The first four teams, Millersburg, Marysville, Duncannon and Newport are now practically tied for first place, with Dauphin right on their heels. A margin of one game and a half now separates the first five teams. Some race!

Chief Eddie Zimmerman is anxious to Oust Bisons from Second Place

Eddie Zimmerman's tribe was busy doing war dances at Rochester yesterday. As a result, two more scalps are dangling at the belts of the local Indian chief. This double victory puts Harrisburg up in third place again, the Montreal Royals having lost out yesterday.

Secretary Douglas Busy During the absence of the Indians, Secretary William R. Douglas will be a busy man. He is now working hard to land Hughey Jennings and his Detroit team for an exhibition game on August 13. Secretary Douglas is a big hustler for the local team, and has proven his ability in the past. He is also in communication with other teams. Washington and Boston Americans are also a strong possibility.
