SWEDEN BUYS GERMAN COKE
The importation of coke from Germany during the last few months has been exceptionally good. During May 1, 1915, 16 ships arrived in Stockholm from German harbors with about 30,000 tons of coke. This great coke import is, of course, caused by the high prices of coal in England and the freights from there. Many steamers, especially the smaller ones, as well as the state and private railways, are now using coke—either alone or mixed with coal or wood—as fuel, apparently with good results, as the import of coke continually increases. — Consul General Ernest L. Harris, Stockholm, July 1.

American and European Plans

The great essential of a resort hotel, as distinguished from a city hotel, is ample public space devoted to the use of its guests, in the form of bright and airy Exchanges, Lobbies, Parlors, Galleries and Solariums, affording pleasing vistas and beautiful promenades, the whole combining into a harmonious vision of grandeur and beauty, while replete with the cozy group seclusions of home, and yet affording full view of the pleasing panorama of the resort life. In this essential the Marlhuraunth-Birstheim stands without an equal in Atlantic City or elsewhere.

Is "Ownership Management," while accounting for its unique reputation, is a guaranty of the high character of its patronage and the unexcelled quality of its service and cuisine. It employs only white service in both its American and a la carte dining rooms.

It makes a specialty of its high-class music every evening throughout the year, with special Sunday night solo features. Romani, the world's highest Tenor, of Venice, is engaged to sing at frequent intervals during July, August and September.

Attantic city, with its only real commetitor (Europe) this year impossible, is offering unusual at their respective devorces, while the pier amusements, the Boardwalk, the fine motor roads and the splendid hetels and restaurants, siftord enjoyment to all. These is only one Atlantic City, and this summer it is particularly attractive. Write for Illustrated booklet and rates.
