PAINFUL EFFECT OF RHEUMATISM, GOUT, URINARY CALCULUS

It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "An-uric," has been discovered by Doctor Pierce, which is thirty-seven times more potent than lithin, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, uric acid, renal calculus. "An-uric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues.

Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has been testing this wonderful medicine for the relief of overworked and weakened kidneys. The relief obtained by sufferers has been so satisfactory that he determined to place "An-uric" with the principal druggists in town where people could get this ready-to-use medicine. "An-uric" is not harmful or poisonous, but aids nature in throwing off those poisons within the body which cause so much suffering, pain and misery.

For Diabetes and Bright's Disease this remedy is building up a reputation as good as Dr. Pierce's other well-known medicines which have been proven reliable during nearly fifty years, such as Dr. Pierce's Favorite Prescription for the ills of womanhood, Doctor Pierce's Pleasant Pellets, the Liver Regulator, and Dr. Pierce's Golden Medical Discovery for red blood.—Advertisement.

Don't Use Soap On Your Hair

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain mulified coconut oil, for it is pure and entirely greaseless. It's very cheap, and beats soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.
