

**POMEROY EMPLOYEES
PICNIC AT HERSHEY**

Headed by "Periwinkle Band," the Department Store Employees March to Station

With the "Periwinkle Band, mobilized yesterday,"—it said so on the bass drum—attired in unique uniforms designed by Alfred L. Seltzer, decorator, between 400 and 500 employees of the Dives, Pomeroy & Stewart department store marched to the Philadelphia and Reading Railway station, where they boarded a special train for Hershey at 1:10 o'clock this afternoon.

At Hershey Park the boys and girls vied for honors in all varieties of feats of skill and brawn. Prizes were given the winners in the various events.

Before leaving the band, an organization of the choicest selected talent in the big store, which, it says on the program, appeared before "all the bonheads of Europe and the fat-heads of America," played several selections around town. A short concert was given in Federal Square before the Telegraph building shortly after noon.

Baseball games, watermelon eating contests, peanut scrambles and other pleasant features occupied the greater portion of the afternoon program. Early this evening the "cats" will be placed on tables and the "bunch" invited to "go to it." Evening features will be a concert by the store band and a dancing contest. The special train will return to this city about 10 o'clock. John M. Bushey was chairman of the general committee in charge of the events.

**Irish and Australian
Detachments Wiped Out
in Dardanelles Fighting**

Berlin, July 30.—By wireless to Sayville.—A dispatch from Athens, Greece, to the Overseas News Agency says:

"The American cruiser North Carolina, shortly returned to Greece from an extended trip in the war zone. The officers of the ship told an acquaintance that the real losses of the entente allies in the Dardanelles surpassed everything heretofore reported. The Australian and Irish detachments were almost annihilated.

"The attempts to storm the Rocky steep heights on the Asiatic side of the straits were termed by these officers as simple insanity. Russian, a cattle gun directed by German officers mowed down the storming ranks. The Turks led by the Germans fought with fury.

**"The Globe" Will Hold
Big Picnic Next Friday**

On Friday afternoon next, August 6, the Globe will hold a store picnic for its employees, which will hereafter be an annual event.

Immediately after the noon closing time next Friday, the employees of the store will be taken by automobile to Hershey Park, where they will participate in an unusually pleasant program which has been arranged for the afternoon.

Sports and amusements of various kinds will be indulged in, interest centering chiefly in a baseball game which will be played by the Globe Right Posture team under the management of John Och, and a picked nine from the other employees of the store, which is getting in all practice possible, in the hope that it may administer defeat to the regular team, which has been making such an enviable record this season.
